☞ It is requested that Government Notifications for the Calcutta Gazette, of any length may be sent to the Press by NOON of TUESDAYS and FRIDAYS; and those of a few lines only, before 5 p. m. of those days.

SATURDAY, JANUARY 2, 1847.

The Right Hon'ble the Governor General is pleased to direct the publication of the following Notification:

Foreign Department, Camp Bhyrowal Ghat, on the left Bank of the Beas, the 22d December, 1846.

The late Governor of Cashmere, on the part of the Lahore State, Sheik Imam Ooddeen, having resisted by force of arms the occupation of the Province of Cashmere by Maharaja Golab Sing, the Lahore Government was called upon to coerce their subject, and to make over the Province to the Representative of the British Government, in fulfilment of the conditions of the Treaty of Lahore, dated 9th March 1846.

A British Force was employed to support and aid, if necessary, the combined forces of the Lahore State and Maharaja Golab Sing in the above operations.

Sheik Imam Ooddeen intimated to the British Government that he was acting under orders received from the Lahore Durbar in the course he was pursuing, and stated that the insurrection had been instigated by written instructions received by him from the Vizier Raja Lall Sing.

Sheik Imam Ooddeen surrendered to the British Agent on a guarantee from that Officer that if the Sheik could, as he asserted, prove that his acts were in accordance with his instruction, and that the opposition was instigated by the Lahore Minister, the Durbar should not be permitted to inflict upon him, either in his person or his property, any penalty on account of his conduct on this occasion. The British Agent pledged his Government to a full and impartial investigation of the matter.

A public inquiry was instituted into the facts adduced by Sheik Imam Ooddeen, and it was fully established that Raja Lall Sing did secretly instigate the Sheik to oppose the occupation by Maharaja Golab Sing of the Province of Cashmere.

The Governor General immediately demanded that the Ministers and Chiefs of the Lahore State should depose and exile from the British Provinces, the Vizier Raja Lall Sing.

His Lordship consented to accept the deposition of Raja Lall Sing as an atonement for the attempt to infringe the Treaty by the secret intrigues and machinations of the Vizier. It was not proved that the other Members of the Durbar had cognizance of the Vizier's proceedings; and the conduct of the Sirdars and of the Sikh Army in the late operations for quelling the Cashmere insurrection and removing the obstacles to the fulfilment of the Treaty, proved that the criminality of the Vizier was not participated in by the Sikh Nation.

The Ministers and Chiefs unanimously decreed, and carried into immediate effect, the deposition of the Vizier.

After a few days' deliberation, relative to the means of forming a Government at Lahore, the remaining Members of the Durbar, in concert with all the Sirdars and Chiefs of the State, solicited the interference and aid of the British Government for the maintenance of an administration, and the protection of the Maharaja Dhuleep Sing during the minority of His Highness.

This solicitation by the Durbar and Chiefs has led to the temporary modification of the relations between the British Government and that of Lahore, established by the Treaty of the 9th March of the present year.

The terms and conditions of this modification are set forth in the following Articles of Agreement.

Articles of Agreement concluded between the British Government and the Lahore Durbar on 16th December 1846.

Whereas the Lahore Durbar and the principal Chiefs and Sirdars of the State have in express terms communicated to the British Government their anxious desire that the Governor General should give his aid and his assistance to maintain the Administration of the Lahore State during the minority of Maharaja Dulleep Sing, and have declared this measure to be indispensable for the maintenance of the Government. And Whereas the Governor General has under certain conditions consented to give the aid and assistance solicited, the following Articles of Agreement, in modification of the Articles of Agreement executed at Lahore on the 11th March last, have been concluded on the part of the British Government by Frederick Currie, Esquire, Secretary to Government of India, and Lieutenant Colonel Henry Montgomery Lawrence, C. B., Agent to the Governor General North West Frontier, by virtue of full

…s to that effect, vested in them by the Right …ble Viscount Hardinge, G. C. B., Governor …eneral, and on the part of His Highness Maharaja Dulleep Sing, by Sirdar Tej Sing, Sirdar Shere Sing, Dewan Dena Nath, Fukeer Nooroodeen, Raee Kishen Chund, Sirdar Runjore Sing Mujethea, Sirdar Utter Sing Kaleewalla, Bhaee Nidhan Sing, Sirdar Khan Sing Majethea, Sirdar Shumshere Sing, Sirdar Lall Sing Morarea, Sirdar Kher Sing Sindhanwalla, Sirdar Urjun Sing Rungrungalea, acting with the unanimous consent and concurrence of the Chiefs and Sirdars of the State assembled at Lahore.

ARTICLE I.

All and every part of the Treaty of Peace between the British Government and the State of Lahore, bearing date the 9th day of March 1846, except in so far as it may be temporarily modified in respect to Clause 15 of the said Treaty by this Engagement, shall remain binding upon the two Governments.

ARTICLE II.

A British Officer, with an efficient Establishment of Assistants, shall be apponted by the Governor General to remain at Lahore, which Officer shall have full authority to direct and control all matters in every department of the State.

ARTICLE III.

Every attention shall be paid, in conducting the administration, to the feelings of the people, to preserving the National Institutions and Customs, and to maintaining the just rights of all classes.

ARTICLE IV.

Changes in the mode and details of administration shall not be made, except when found necessary for effecting the objects set forth in the foregoing Clause, and for securing the just dues of the Lahore Government. These details shall be conducted by Native Officers as at present, who shall be appointed and superintended by a Council of Regency composed of leading Chiefs and Sirdars, acting under the control and guidance of the British Resident.

ARTICLE V.

The following persons shall in the first instance constitute the Council of Regency, viz. Sirdar Tej Sing, Sirdar Shere Sing Attareewalla, Dewan Dena Nath, Fakeer Nooroodeen, Sirdar Runjore Sing Majethea, Bhae Nidhan Sing, Sirdar Utter Sing Kaleewalla, Sirdar Shumshere Sing Sindhanwalla, and no change shall be made in the persons thus nominated without the consent of the British Resident, acting under the orders of the Governor General.

ARTICLE VI.

The administration of the country shall be conducted by this Council of Regency in such manner as may be determined on by themselves in consultation with the British Resident, who shall have full authority to direct and control the duties of every department.

ARTICLE VII.

A British Force of such strength and numbers, and in such positions as the Governor General may think fit, shall remain at Lahore for the protection of the Maharaja, and the preservation of the peace of the Country.

ARTICLE VIII.

The Governor General shall be at liberty to occupy with British Soldiers any Fort or Military Post in the Lahore Territories, the occupation of which may be deemed necessary by the British Government for the security of the Capital or for maintaining the peace of the Country.

ARTICLE IX.

The Lahore State shall pay to the British Government Twenty-two Lacs of New Nanuck Shahee Rupees of full tale and weight per annum for the maintenance of this Force, and to meet the expences incurred by the British Government, such sum to be paid by two instalments, or 13 Lacs, and 20,000 in May or June, and 8 Lacs and 80,000 in November or December of each year.

ARTICLE X.

Inasmuch as it is fitting that Her Highness the Maharanee, the mother of Maharaja Dulleep Sing, should have a proper provision made for the maintenance of herself and dependants, the sum of One Lac and Fifty Thousand Rupees shall be set apart annually for that purpose, and shall be at Her Highness' disposal.

ARTICLE XI.

The provisions of this Engagement shall have effect during the minority of His Highness Maharaja Dulleep Sing, and shall cease and terminate on His Highness attaining the full age of 16 years, or on the 4th September of the year 1854, but it shall be competent to the Governor General to cause the arrangement to cease, at any period prior to the coming of age of His Highness at which the Governor General and the Lahore Durbar may be satisfied that the interposition of the British Government is no longer necessary for maintaining the Government of His Highness the Maharaja.

This Agreement, consisting of Eleven Articles, was settled and executed at Lahore by the Officers and Chiefs and Sirdars above named on the 16th day of December 1846.

GOVERNMENT TEA PLANTATIONS IN ASSAM.

In consequence of the operations of the Government Experimental Tea Culture in Assam being about to be brought to a close, as notified in the Government Gazette No. 26, of the 1st April 1846, Tenders will be received at this Office for the purchase of the undermentioned Government Tea Barrees, together with Buildings, Manufacturing Implements, Tools, Stores, &c., attached thereto.

These Barrees have abundance of land fit for the growth of the Tea Plant in the vicinity, and admit of being greatly extended; they are situated within about 16 miles of the Sudder Station of the District, Dibroo Ghur, where there is a small temporary Bungalow belonging to the Concern. A good Road is now in progress through Muttuck, which will pass within a few hundred yards of the Dinjoy Barree, and this Road will be completed in the course of next cold season: the accompanying Sketch will show the relative position of the Barrees.

To persons desirous of engaging in the Cultivation of Sugar Cane, in conjunction with that of the Tea Plant, these Barrees would be found particularly advantageous, as there is much fine fresh land in the vicinity of Dinjoy and Chubwa, well suited for the growth of the Cane, and which may be rented, to the extent required, from time to time, for cultivation: the present rent of such land, when actually taken up, being only 8 annas per poora.

With the Establishment at present attached to the Barrees, the purchaser would have to make his own arrangements; the Members, generally, are well acquainted with the process of the preparation of the Tea, in all its branches, and, if well superintended, would be equal to the duties of a greatly extended concern.

No. 116.

PORT OF AKYAB, COAST OF ARRACAN.

The trade of the Port of Akyab having rapidly increased the attention of Mariners is now recalled to the existence of the Light on Faqeer's Point at its entrance, and to the following Sailing Directions for entering the Harbour, by Captain Paterson, published 1844. In these the Light above referred to, which was not at that time quite completed, was described as being erected on "Mosque Point," but this designation is now altered to "Faqeer's Point," which is understood to be that by which it is best known, and which is that applied to it by the Commissioner of the Province.

By order of the Officiating Superintendent of Marine,

JAS. SUTHERLAND, *Secretary.*

Fort William,
Marine Superintendent's Office,
The 9th January 1847.

Sailing Directions for the Port of Akyab, in the Arracan River.

Ships sailing for Akyab during the South Wes Monsoon should steer for the South end of Western Bolongo, in Lat. 19° 50′ N. Long. 93° 3′ E., then standing along the Coast to the Northward and Westward about five or six miles off shore, until the Light is sighted on the Great Savage, at the entrance of the Arracan River, then steer so as to bring it to bear N. by East or N. N. E., and if they intend to run in during the night, with either of these bearings, they will cross the bar in the best water, in three fathoms low water spring tides.

After deepening across it, the course should be altered to N. by W. or even N. N. W., according to the state of the Tide and Sea at the time to avoid the Western Rocks (above water) bearing from the Light S. W. ½ S., distant nearly half a mile; the Flood Tide sets in on these Rocks.

When the Light bears East in six to nine fathoms on the edge of the flat to the Westward, the course must be altered to N. N. E. and N. E. by N., having brought the Light to bear S. E. by S. ½ S., the Ship will be inside of Passage Rock, which is five to seven feet above water, and bears from the Savage Light N. W. ½ N., distant a quarter of a mile, and should then steer N. E. Easterly, to avoid the Reef projecting from Faqeer's Point a mile in extent to the South; some of the Rocks are above water at half ebb. There is a Red Buoy placed on the Southern entrance in about nine fathoms, which with attention may be seen in a clear night without the Moon, and after bringing Faqeer's Point to bear N. W. by N. to N. W. the Ship should anchor.

On Faqeer's Point a small Light House is nearly finished, the Light of which will be a deep red, and will be seen about six miles or three miles beyond the bar, as a leading mark to clear the Western Rocks, keeping it a little open to the Westward of the Savage Light when steering in or out, also to point out when the Ship is inside of the Reef off Faqeer's Point. With this Light bearing N. W. by N. to N. W. is good Anchorage, having excellent holding ground, and perfectly sheltered from the Sea.

A stranger should not attempt to run in at night, particularly in the rains, except at high or low water, as the ebb tide runs very rapidly in strong eddies off the Passage Rock, over the dangerous flat to the Westward, and the flood in strong eddies upon the Rocks.

During the N. E. Monsoon Ships bound to Akyab, from the Northward, should endeavour to make the Table Land of the Western Bolongo in Lat. 20° 1′ N., then steering due East they will avoid the Oyster Reef in Lat. 20° 5′ N., Long. 92° 40′ East, which is distant from the Savage Light fifteen miles due West. This course is recommended, as although in favourable weather the Savage Light is seen outside the Reef in 16 to 17 fathoms water, the depth suddenly decreases, and the probability of hazy or rainy weather would prevent the Light being seen, and steering boldly in to sight it, to the Northward of Lat. 20° 1′, would endanger the safety of the Vessel, by suddenly falling upon the Oyster Rock or Reef before sighting the Light House.

I would not advise strangers on any occasion to make use of the channel inside of the Oyster Rock or Reef.

JAMES PATERSON,
Comdr. H. Co.'s Ship Amherst.

CONDITIONS OF SALE.

1st.—The Opium will be sold for Exportation by Sea only, and no Certificate will be granted except to cover such Export.

2d.—The Opium will be ordinarily offered for Sale at an upset price of Rupees 400 per Chest,

and sold to the highest bidder above that price: Except under the circumstances for which provision is made by Clause the 12th of the Conditions of Sale.

3d.—The Sale shall commence at the hour of 11 A. M, and shall not be continued after the hour of 5 P. M; but if at that hour any of the lots advertized for Sale shall remain unsold, the Sale may at the discretion of the Board of Customs, Salt and Opium, be resumed on the next day following (not being Sunday or a public Holiday) at the hour of 11 A. M., and so on until the whole of the remaining lots are disposed of; or, if the quantity of 2,405 Chests shall not be sold on the day advertized, the Board may dispose of the Lots which remain on hand at a future Sale.

4th.—Each Lot to contain Five Chests.

5th.—A deposit in a Promissory Note for 25 per Cent. even money of the amount for which each lot is knocked down shall be made by the purchaser in the Sale Room, and before the lot is Registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the purchasers at this Office, by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'Clock of the afternoon of Wednesday, the 27th of January 1847; *or on the other hand*, failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid, shall have been delivered in, shall be re-sold at such time or times, and under such conditions of re-sale as the Board of Customs, Salt and Opium, shall see fit, and all losses and expences whatsoever attending such re-sale, shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6th.—The Promissory Notes taken on the day of Sale, under the last mentioned Condition, if remaining unredeemed on the said 27th January 1847, will be placed in the hands of the Attorney to the Hon'ble Company for realization in such manner as to him shall seem fit.

7th.—No Tender of Money, Sub-Treasurer's Receipts or Public Securities, on account of Opium, upon which the prescribed deposit may not have been made before 4 o'Clock of the 27th January 1847, will be afterwards accepted.

8th.—The Opium now advertised for Sale shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Tuesday the 9th of February 1847, and in case any lots of such Opium shall not be so paid for, and adjusted, then the cash deposit of 25 per Cent. even money of the amount for which each lot is knocked down, or any Public Securities that may have been deposited on account of such lots or chests, shall be forfeited, and the Opium be disposed of on account of Government at such time and in such manner as the Board of Customs, Salt and Opium, shall think fit, and the first purchaser shall be required to make good any loss or difference of price between that obtained at the re-sale, and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9th.—Purchasers taking out Certificates or Orders for the delivery of Opium, after making full payments as above prescribed, shall have the option of naming the number of lots of their purchase, which they may desire to be included in each Certificate or Order, and it is to be clearly understood, that the Certificates or Orders so taken out shall be considered final and not afterwards changeable for other Certificates or Orders authorizing the delivery of single lots, or of a different number of lots or chests, whether more or less than the number of lots or chests originally required to be included in each Certificate or Order.

10th.—No Sub-Treasurer's Receipt, or Deposit of Public Securities, under the Fifth of the present Conditions, will be received in this Office, except from the party recorded as the purchaser in the Sale Book, or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such purchaser, and the Securities so deposited will be returned when clearance has been made by the said purchaser or his order.

11th.—The Officer Superintending the Sale on the part of the Board of Customs, Salt and Opium, is empowered to reject at his discretion the bid of any individual, unless such individual shall, on demand, tender at the time, a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent. even money of the amount so bid.

12th.—With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified that the Officer of Government Superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first bonâ fide bidder for a lot, after it has been offered for Sale in the mode here described, shall be held and declared to be the purchaser of the said lot, and the Officer of Government Superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper; provided always, that no lot shall be sold below the minimum price of 400 Rupees, specified in the 2d Clause of these Conditions.

13th.—The purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of twenty-five lots, and for the lots so purchased, the purchaser shall deposit for each lot 25 per Cent. even money of the amount bid by him for the first lot, and pay the same price per chest as that for which he purchased his first lot; provided always, that there remain a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14th.—In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the accounts thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all ordinary Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

15th.—The following Papers, together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date, by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 1—Certificate of the Opium now advertized for Sale.

No. 2—Report of the Examination of such Opium.

16th.—The Public are hereby informed, that in providing the investment of the Behar and Benares

Opium for the years 1845-46, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the Drug when packed at Behar and Benares, and a statement of the average weight of six chests from each dispatch at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium, and further that four chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the purchasers on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th.—Any further information respecting weight or quality of the Opium advertised for sale, that may be desired by parties connected with the Trade will, as heretofore, be furnished to them on application at the Office of the Board of Customs, Salt and Opium; but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the drug, which may be preferred in reference to chests after the sale and delivery of the Opium for shipment.

18th.—The Public are hereby informed, that in *addition to the quantity above mentioned*, the following quantities more or less of Behar and Benares Opium of 1845-46, will be brought to sale in the present season on or about the dates specified below:

No. 116.

PORT OF AKYAB, COAST OF ARRACAN.

The trade of the Port of Akyab having rapidly increased the attention of Mariners is now recalled to the existence of the Light on Faqeer's Point at its entrance, and to the following Sailing Directions for entering the Harbour, by Captain Paterson, published 1844. In these the Light above referred to, which was not at that time quite completed, was described as being erected on "Mosque Point," but this designation is now altered to "Faqeer's Point," which is understood to be that by which it is best known, and which is that applied to it by the Commissioner of the Province.

By order of the Officiating Superintendent of Marine,

JAS. SUTHERLAND, *Secretary.*

Fort William,
Marine Superintendent's Office,
The 9th January 1847.

Sailing Directions for the Port of Akyab, in the Arracan River.

Ships sailing for Akyab during the South West Monsoon should steer for the South end of Western Bolongo, in Lat. 19° 50′ N. Long. 93° 3′ E., then standing along the Coast to the Northward and Westward about five or six miles off shore, until the Light is sighted on the Great Savage, at the entrance of the Arracan River, then steer so as to bring it to bear N. by East or N. N. E., and if they intend to run in during the night, with either of these bearings, they will cross the bar in the best water, in three fathoms low water spring tides.

After deepening across it, the course should be altered to N. by W. or even N. N. W., according to the state of the Tide and Sea at the time to avoid the Western Rocks (above water) bearing from the Light S. W. ½ S., distant nearly half a mile; the Flood Tide sets in on these Rocks.

When the Light bears East in six to nine fathoms on the edge of the flat to the Westward, the course must be altered to N. N. E. and N. E. by N., having brought the Light to bear S. E. by S. ½ S., the Ship will be inside of Passage Rock, which is five to seven feet above water, and bears from the Savage Light N. W. ½ N., distant a quarter of a mile, and should then steer N. E. Easterly, to avoid the Reef projecting from Faqeer's Point a mile in extent to the South; some of the Rocks are above water at half ebb. There is a Red Buoy placed on the Southern entrance in about nine fathoms, which with attention may be seen in a clear night without the Moon, and after bringing Faqeer's Point to bear N. W. by N. to N. W. the Ship should anchor.

On Faqeer's Point a small Light House is nearly finished, the Light of which will be a deep red, and will be seen about six miles or three miles beyond the bar, as a leading mark to clear the Western Rocks, keeping it a little open to the Westward of the Savage Light when steering in or out, also to point out when the Ship is inside of the Reef off Faqeer's Point. With this Light bearing N W. by N. to N. W. is good Anchorage, having excellent holding ground, and perfectly sheltered from the Sea.

A stranger should not attempt to run in at night, particularly in the rains, except at high or

low water, as the ebb tide runs very rapidly in strong eddies off the Passage Rock, over the dangerous flat to the Westward, and the flood in strong eddies upon the Rocks.

During the N. E. Monsoon Ships bound to Akyab, from the Northward, should endeavour to make the Table Land of the Western Bolongo in Lat. 20° 1′ N., then steering due East they will avoid the Oyster Reef in Lat. 20° 5′ N., Long. 92° 40′ East, which is distant from the Savage Light fifteen miles due West. This course is recommended, as although in favourable weather the Savage Light is seen outside the Reef in 16 to 17 fathoms water, the depth suddenly decreases, and the probability of hazy or rainy weather would prevent the Light being seen, and steering boldly in to sight it, to the Northward of Lat. 20° 1′, would endanger the safety of the Vessel, by suddenly falling upon the Oyster Rock or Reef before sighting the Light House.

I would not advise strangers on any occasion to make use of the channel inside of the Oyster Rock or Reef.

JAMES PATERSON,
Comdr. H. Co.'s Ship Amherst.

CONDITIONS OF SALE

1st.—The Opium will be sold for Exportation by Sea only, and no Certificate will be granted except to cover such Export.

2d.—The Opium will be ordinarily offered for Sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price: Except under the circumstances for which provision is made by Clause the 12th of the Conditions of Sale.

3d.—The Sale shall commence at the hour of 11 A. M., and shall not be continued after the hour of 5 P. M; but if at that hour any of the lots advertized for Sale shall remain unsold, the Sale may at the discretion of the Board of Customs, Salt and Opium, be resumed on the next day following (not being Sunday or a public Holiday) at the hour of 11 A. M., and so on until the whole of the remaining lots are disposed of; or, if the quantity of 2,405 Chests shall not be sold on the day advertized, the Board may dispose of the Lots which remain on hand at a future Sale.

4th.—Each Lot to contain Five Chests.

5th.—A deposit in a Promissory Note for 25 per Cent. even money of the amount for which each lot is knocked down shall be made by the purchaser in the Sale Room, and before the lot is Registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the purchasers at this Office, by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'Clock of the afternoon of Wednesday, the 27th of January 1847; *or on the other hand*, failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid, shall have been delivered in, shall be re-sold at such time or times, and under such conditions of re-sale as the Board of Customs, Salt and Opium, shall see fit, and all losses and expences whatsoever attending such re-sale, shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6th.—The Promissory Notes taken on the day of Sale, under the last mentioned Condition, if remaining unredeemed on the said 27th January 1847, will be placed in the hands of the Attorney to the Hon'ble Company for realization in such manner as to him shall seem fit.

M. of Tuesday the 9th of February 1847, and in case any lots of such Opium shall not be so paid for, and adjusted, then the cash deposit of 25 per Cent. even money of the amount for which each lot is knocked down, or any Public Securities that may have been deposited on account of such lots or chests, shall be forfeited, and the Opium be disposed of on account of Government at such time and in such manner as the Board of Customs, Salt and Opium, shall think fit, and the first purchaser shall be required to make good any loss or difference of price between that obtained at the re-sale, and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9th.—Purchasers taking out Certificates or Orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase, which they may desire to be included in each Certificate or Order, and it is to be clearly understood, that the Certificates or Orders so taken out shall be considered final and not afterwards changeable for other Certificates or Orders authorizing the delivery of single lots, or of a different number of

lots or chests, whether more or less than the number of lots or chests originally required to be included in each Certificate or Order.

10th.—No Sub-Treasurer's Receipt, or Deposit of Public Securities, under the Fifth of the present Conditions, will be received in this Office, except from the party recorded as the purchaser in the Sale Book, or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such purchaser, and the Securities so deposited will be returned when clearance has been made by the said purchaser or his order.

11th.—The Officer Superintending the Sale on the part of the Board of Customs, Salt and Opium, is empowered to reject at his discretion the bid of any individual, unless such individual shall, on demand, tender at the time, a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent. even money of the amount so bid.

12th.—With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified that the Officer of Government Superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first bonâ fide bidder for a lot, after it has been offered for Sale in the mode here described, shall be held and declared to be the purchaser of the said lot, and the Officer of Government Superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper; provided always, that no lot shall be sold below the minimum price of 400 Rupees, specified in the 2d Clause of these Conditions.

13th.—The purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of twenty-five lots, and for the lots so purchased, the purchaser shall deposit for each lot 25 per Cent. even money of the amount bid by him for the first lot, and pay the same price per chest as that for which he purchased his first lot; provided always, that there remain a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14th.—In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the accounts thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

15th.—The following Papers, together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date, by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 1—Certificate of the Opium now advertized for Sale.

No. 2—Report of the Examination of such Opium.

16th.—The Public are hereby informed, that in providing the investment of the Behar and Benares Opium for the years 1845-46, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the Drug when packed at Behar and Benares, and a statement of the average weight of six chests from each dispatch at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium, and further that four chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the purchasers on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th.—Any further information respecting weight or quality of the Opium advertised for sale, that may be desired by parties connected with the Trade will, as heretofore, be furnished to them on application at the Office of the Board of Customs, Salt and Opium; but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the drug, which may be preferred in reference to chests after the sale and delivery of the Opium for shipment.

18th.—The Public are hereby informed, that in *addition to the quantity above mentioned*, the following quantities more or less of Behar and Benares Opium of 1845-46, will be brought to sale in the present season on or about the dates specified below:

No. 116.

PORT OF AKYAB, COAST OF ARRACAN.

The trade of the Port of Akyab having rapidly increased the attention of Mariners is now recalled to the existence of the Light on Faqeer's Point at its entrance, and to the following Sailing Directions for entering the Harbour, by Captain Paterson, published 1844. In these the Light above referred to, which was not at that time quite completed, was described as being erected on "Mosque Point," but this designation is now altered to "Faqeer's Point," which is understood to be that by which it is best

known, and which is that applied to it by the Commissioner of the Province.

By order of the Officiating Superintendent of Marine,

JAS. SUTHERLAND, *Secretary.*

Fort William,
Marine Superintendent's Office,
The 9th January 1847.

Sailing Directions for the Port of Akyab, in the Arracan River.

Ships sailing for Akyab during the South West Monsoon should steer for the South end of Western Bolongo, in Lat. 19° 50′ N. Long. 93° 3′ E., then standing along the Coast to the Northward and Westward about five or six miles off shore, until the Light is sighted on the Great Savage, at the entrance of the Arracan River, then steer so as to bring it to bear N. by East or N. N. E., and if they intend to run in during the night, with either of these bearings, they will cross the bar in the best water, in three fathoms low water spring tides.

After deepening across it, the course should be altered to N. by W. or even N. N. W., according to the state of the Tide and Sea at the time to avoid the Western Rocks (above water) bearing from the Light S. W. ½ S., distant nearly half a mile; the Flood Tide sets in on these Rocks.

When the Light bears East in six to nine fathoms on the edge of the flat to the Westward, the course must be altered to N. N. E. and N. E. by N., having brought the Light to bear S. E. by S. ½ S., the Ship will be inside of Passage Rock, which is five to seven feet above water, and bears from the Savage Light N. W. ½ N., distant a quarter of a mile, and should then steer N. E. Easterly, to avoid the Reef projecting from Faqeer's Point a mile in extent to the South; some of the Rocks are above water at half ebb. There is a Red Buoy placed on the Southern entrance in about nine fathoms, which with attention may be seen in a clear night without the Moon, and after bringing Faqeer's Point to bear N. W. by N. to N. W. the Ship should anchor.

On Faqeer's Point a small Light House is nearly finished, the Light of which will be a deep red, and will be seen about six miles or three miles beyond the bar, as a leading mark to clear the Western Rocks, keeping it a little open to the Westward of the Savage Light when steering in or out, also to point out when the Ship is inside of the Reef off Faqeer's Point. With this Light bearing N. W. by N. to N. W. is good Anchorage, having excellent holding ground, and perfectly sheltered from the Sea.

A stranger should not attempt to run in at night, particularly in the rains, except at high or low water, as the ebb tide runs very rapidly in strong eddies off the Passage Rock, over the dangerous flat to the Westward, and the flood in strong eddies upon the Rocks.

During the N. E. Monsoon Ships bound to Akyab, from the Northward, should endeavour to make the Table Land of the Western Bolongo in Lat. 20° 1′ N., then steering due East they will avoid the Oyster Reef in Lat. 20° 5′ N., Long. 92° 40′ East, which is distant from the Savage Light fifteen miles due West. This course is recommended, as although in favourable weather the Savage Light is seen outside the Reef in 16 to 17 fathoms water, the depth suddenly decreases, and the probability of hazy or rainy weather would prevent the Light being seen, and steering boldly in to sight it, to the Northward of Lat. 20° 1′, would endanger the safety of the Vessel, by suddenly falling upon the Oyster Rock or Reef before sighting the Light House.

I would not advise strangers on any occasion to make use of the channel inside of the Oyster Rock or Reef.

JAMES PATERSON,
Comdr. H. Co's Ship Amherst.

CONDITIONS OF SALE.

1st.—The Opium will be sold for Exportation by Sea only, and no Certificate will be granted except to cover such Export.

2d.—The Opium will be ordinarily offered for Sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price: Except under the circumstances for which provision is made by Clause the 12th of the Conditions of Sale.

3d.—The Sale shall commence at the hour of 11 A. M., and shall not be continued after the hour of 5 P. M; but if at that hour any of the lots advertized for Sale shall remain unsold, the Sale may at the discretion of the Board of Customs, Salt and Opium, be resumed on the next day following (not being Sunday or a public Holiday) at the hour of 11 A. M., and so on until the whole of the remaining lots are disposed of; or, if the quantity of 2,405 Chests shall not be sold on the day advertized, the Board may dispose of the Lots which remain on hand at a future Sale.

4th.—Each Lot to contain Five Chests.

5th.—A deposit in a Promissory Note for 25 per Cent. even money of the amount for which each lot is knocked down shall be made by the purchaser in the Sale Room, and before the lot is Registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the purchasers at this Office, by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'Clock of the afternoon of Wednesday, the 27th of January 1847; *or on the other hand,* failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or

deposit of other Public Securities as aforesaid, shall have been delivered in, shall be re-sold at such time or times, and under such conditions of re-sale as the Board of Customs, Salt and Opium, shall see fit, and all losses and expences whatsoever attending such re-sale, shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6th.—The Promissory Notes taken on the day of Sale, under the last mentioned Condition, if remaining unredeemed on the said 27th January 1847, will be placed in the hands of the Attorney to the Hon'ble Company for realization in such manner as to him shall seem fit.

7th.—No Tender of Money, Sub-Treasurer's Receipts or Public Securities, on account of Opium, upon which the prescribed deposit may not have been made before 4 o'Clock of the 27th January 1847, will be afterwards accepted.

8th.—The Opium now advertised for Sale shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Tuesday the 9th of February 1847, and in case any lots of such Opium shall not be so paid for, and adjusted, then the cash deposit of 25 per Cent. even money of the amount for which each lot is knocked down, or any Public Securities that may have been deposited on account of such lots or chests, shall be forfeited, and the Opium be disposed of on account of Government at such time and in such manner as the Board of Customs, Salt and Opium, shall think fit, and the first purchaser shall be required to make good any loss or difference of price between that obtained at the re-sale, and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9th.—Purchasers taking out Certificates or Orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase, which they may desire to be included in each Certificate or Order, and it is to be clearly understood, that the Certificates or Orders so taken out shall be considered final and not afterwards changeable for other Certificates or Orders authorizing the delivery of single lots, or of a different number of lots or chests, whether more or less than the number of lots or chests originally required to be included in each Certificate or Order.

10th.—No Sub-Treasurer's Receipt, or Deposit of Public Securities, under the Fifth of the present Conditions, will be received in this Office, except from the party recorded as the purchaser in the Sale Book, or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such purchaser, and the Securities so deposited will be returned when clearance has been made by the said purchaser or his order.

11th.—The Officer Superintending the Sale on the part of the Board of Customs, Salt and Opium, is empowered to reject at his discretion the bid of any individual, unless such individual shall, on demand, tender at the time, a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent. even money of the amount so bid.

12th.—With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified that the Officer of Government Superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first bonâ fide bidder for a lot, after it has been offered for Sale in the mode here described, shall be held and declared to be the purchaser of the said lot, and the Officer of Government Superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper; provided always, that no lot shall be sold below the minimum price of 400 Rupees, specified in the 2d Clause of these Conditions.

13th.—The purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of twenty-five lots, and for the lots so purchased, the purchaser shall deposit for each lot 25 per Cent. even money of the amount bid by him for the first lot, and pay the same price per chest as that for which he purchased his first lot; provided always, that there remain a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14th.—In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the accounts thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

15th.—The following Papers, together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date, by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 1—Certificate of the Opium now advertized for Sale.

No. 2—Report of the Examination of such Opium.

16th.—The Public are hereby informed, that in providing the investment of the Behar and Benares Opium for the years 1845-46, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the Drug when packed at Behar and Benares, and a statement of the average weight of six chests from each dispatch at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium, and further that four chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the purchasers on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th.—Any further information respecting weight or quality of the Opium advertised for sale, that may be desired by parties connected with the Trade will, as heretofore, be furnished to them on application at the Office of the Board of Customs, Salt and Opium; but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight,

abstraction of Opium, or adulteration of the drug, which may be preferred in reference to chests after the sale and delivery of the Opium for shipment.

18th.—The Public are hereby informed, that in *addition to the quantity above mentioned*, the following quantities more or less of Behar and Benares Opium of 1845-46, will be brought to sale in the present season on or about the dates specified below:

NOTIFICATION.—The Right Hon'ble the Governor General has been pleased to confer the powers of a Joint Magistrate in the Saugor and Nurbudda Territories upon Lieutenant R. H. Tulloh, Deputy Commissioner of the 3d Class, from the 14th November 1846.

W. EDWARDS,
Under Secy. to Govt. of India, with the Govr. Genl.

General Orders by the Right Hon'ble the Governor General of India.

Camp Lahore, 7th January, 1847.—The Right Hon'ble the Governor General is pleased, on the recommendation of His Excellency the Commander in Chief, to make the following special Appointments:

Major General Sir J. H. Littler, K. C. B., to the Command of the Punjab Division, comprising the whole of the Troops stationed on the right bank of the Sutlege.

Colonel H. M. Wheeler, C. B., of the 48th Regiment Native Infantry, to be a Brigadier of the 1st Class, and to Command in the Jullundur Dooab.

Colonel C. Campbell, C. B., of Her Majesty's 98th Foot, to be a Brigadier of the 2d Class, and to Command at Lahore.

Captain F. W. Burroughs, of the 17th Regiment of Native Infantry, to be Deputy Assistant Adjutant General of the Punjab Division.

Brevet Major H. Palmer, of the 48th Regiment of Native Infantry, to be Major of Brigade in the Jullundur Dooab.

Captain D. C. Keiller, of the 6th Regiment of Native Infantry, to be Major of Brigade at Lahore.

The Malwah Field Force is no longer to be so designated. It is henceforward constituted a 2d Class Brigade Command.

Colonel J. Tulloch, C. B., of the 10th Regiment Native Infantry, is appointed a Brigadier of the 2d Class, to complete the Establishment.

Major General Sir J. H. Littler, K. C. B., Commanding the Punjab Division, will be pleased to assemble a Medical Committee for the purpose of examining the Seikh Cantonment of Anarkullee, and reporting on its fitness in point of salubrity, as a Station for a portion of the occupying Force.

Besides carefully inspecting the whole locality, the Committee will seek from any parties capable of affording it, all available information with respect to the health of the Seikh Troops during their occupation of that Cantonment.

Captain Tremenheere, Garrison Engineer, will attend the Committee.

In General Orders by the Governor General of the 12th February 1846, the Allowances granted to the Native Troops serving in Scinde when in the Field, by General Orders by the Governor General in Council, No. 261 A of the 15th August 1845, were extended to the Army of the Sutlege on occasion of its crossing that river; and in General Orders by the Governor General in the Foreign Department, of the 8th March 1846, those Allowances were continued to the Native Troops left for the temporary occupation of Lahore, as these Corps being considered in the Field, and liable to move at the shortest notice, were obliged to keep up their Marching Establishments.

2. Most of these Corps having been relieved, the Troops now occupying Lahore, under different circumstances, are not required to keep up their Marching Establishments, and will therefore be placed exactly on the same footing as the Troops serving in Scinde, that is to say, they will receive Scinde Cantonment Allowances while in Garrison or Cantonment, but will be entitled to Scinde Field Allowances in addition, whenever they march or take the Field.

3. This arrangement to have effect from the dates on which the relieving Corps discharge their Extra Establishment.

No. 116.

PORT OF AKYAB, COAST OF ARRACAN.

The trade of the Port of Akyab having rapidly increased the attention of Mariners is now recalled to the existence of the Light on Faqeer's Point at its entrance, and to the following Sailing Directions for entering the Harbour, by Captain Paterson, published 1844. In these the Light above referred to, which was not at that time quite completed, was described as being erected on "Mosque Point," but this designation is now altered to "Faqeer's Point," which is understood to be that by which it is best known, and which is that applied to it by the Commissioner of the Province.

By order of the Officiating Superintendent of Marine,

JAS. SUTHERLAND, *Secretary.*

Fort William,
Marine Superintendent's Office,
The 9th January 1847.

Sailing Directions for the Port of Akyab, in the Arracan River.

Ships sailing for Akyab during the South West Monsoon should steer for the South end of Western Bolongo, in Lat. 19° 50′ N. Long. 93° 3′ E., then standing along the Coast to the Northward and Westward about five or six miles off shore, until the Light is sighted on the Great Savage, at the entrance of the Arracan River, then steer so as to bring it to bear N. by East or N. N. E., and if they intend to run in during the night, with either of these bearings, they will cross the bar in the best water, in three fathoms low water spring tides.

After deepening across it, the course should be altered to N. by W. or even N. N. W., according

to the state of the Tide and Sea at the time to avoid the Western Rocks (above water) bearing from the Light S. W. ½ S., distant nearly half a mile; the Flood Tide sets in on these Rocks.

When the Light bears East in six to nine fathoms on the edge of the flat to the Westward, the course must be altered to N. N. E. and N. E. by N., having brought the Light to bear S. E. by S. ½ S., the Ship will be inside of Passage Rock, which is five to seven feet above water, and bears from the Savage Light N. W. ½ N., distant a quarter of a mile, and should then steer N. E. Easterly, to avoid the Reef projecting from Faqeer's Point a mile in extent to the South; some of the Rocks are above water at half ebb. There is a Red Buoy placed on the Southern entrance in about nine fathoms, which with attention may be seen in a clear night without the Moon, and after bringing Faqeer's Point to bear N. W. by N. to N. W. the Ship should anchor.

On Faqeer's Point a small Light House is nearly finished, the Light of which will be a deep red, and will be seen about six miles or three miles beyond the bar, as a leading mark to clear the Western Rocks, keeping it a little open to the Westward of the Savage Light when steering in or out, also to point out when the Ship is inside of the Reef off Faqeer's Point. With this Light bearing N. W. by N. to N. W. is good Anchorage, having excellent holding ground, and perfectly sheltered from the Sea.

A stranger should not attempt to run in at night, particularly in the rains, except at high or low water, as the ebb tide runs very rapidly in strong eddies off the Passage Rock, over the dangerous flat to the Westward, and the flood in strong eddies upon the Rocks.

During the N. E. Monsoon Ships bound to Akyab, from the Northward, should endeavour to make the Table Land of the Western Bolongo in Lat. 20° 1′ N., then steering due East they will avoid the Oyster Reef in Lat. 20° 5′ N., Long. 92° 40′ East, which is distant from the Savage Light fifteen miles due West. This course is recommended, as although in favourable weather the Savage Light is seen outside the Reef in 16 to 17 fathoms water, the depth suddenly decreases, and the probability of hazy or rainy weather would prevent the Light being seen, and steering boldly in to sight it, to the Northward of Lat. 20° 1′, would endanger the safety of the Vessel, by suddenly falling upon the Oyster Rock or Reef before sighting the Light House.

I would not advise strangers on any occasion to make use of the channel inside of the Oyster Rock or Reef.

JAMES PATERSON,
Comdr. H. Co.'s Ship Amherst.

2d —The Opium will be ordinarily offered for Sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price: Except under the circumstances for which provision is made by Clause the 12th of the Conditions of Sale.

3d.—The Sale shall commence at the hour of 11 A M, and shall not be continued after the hour of 5 P. M; but if at that hour any of the lots advertized for Sale shall remain unsold, the Sale may at the discretion of the Board of Customs, Salt and Opium, be resumed on the next day following (not being Sunday or a public Holiday) at the hour of 11 A. M., and so on until the whole of the remaining lots are disposed of; or, if the quantity of 2,405 Chests shall not be sold on the day advertized, the Board may dispose of the Lots which remain on hand at a future Sale.

4th.—Each Lot to contain Five Chests.

5th.—A deposit in a Promissory Note for 25 per Cent. even money of the amount for which each lot is knocked down shall be made by the purchaser in the Sale Room, and before the lot is Registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the purchasers at this Office, by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'Clock of the afternoon of Wednesday, the 27th of January 1847; *or on the other hand*, failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid, shall have been delivered in, shall be re-sold at such time or times, and under such conditions of re-sale as the Board of Customs, Salt and Opium, shall see fit, and all losses and expences whatsoever attending such re-sale, shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6th.—The Promissory Notes taken on the day of Sale, under the last mentioned Condition, if remaining unredeemed on the said 27th January 1847, will be placed in the hands of the Attorney to the Hon'ble Company for realization in such manner as to him shall seem fit.

8th.—The Opium now advertised for Sale shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Tuesday the 9th of February 1847, and in case any lots of such Opium shall not be so paid for, and adjusted, then the cash deposit of 25 per Cent. even money of the amount for which each lot is knocked down, or any Public Securities that may

have been deposited on account of such lots or chests, shall be forfeited, and the Opium be disposed of on account of Government at such time and in such manner as the Board of Customs, Salt and Opium, shall think fit, and the first purchaser shall be required to make good any loss or difference of price between that obtained at the re-sale, and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9th.—Purchasers taking out Certificates or Orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase, which they may desire to be included in each Certificate or Order, and it is to be clearly understood, that the Certificates or Orders so taken out shall be considered final and not afterwards changeable for other Certificates or Orders authorizing the delivery of single lots, or of a different number of lots or chests, whether more or less than the number of lots or chests originally required to be included in each Certificate or Order.

10th.—No Sub-Treasurer's Receipt, or Deposit of Public Securities, under the Fifth of the present Conditions, will be received in this Office, except from the party recorded as the purchaser in the Sale Book, or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such purchaser, and the Securities so deposited will be returned when clearance has been made by the said purchaser or his order.

11th.—The Officer Superintending the Sale on the part of the Board of Customs, Salt and Opium, is empowered to reject at his discretion the bid of any individual, unless such individual shall, on demand, tender at the time, a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent. even money of the amount so bid.

12th.—With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified that the Officer of Government Superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first bonâ fide bidder for a lot, after it has been offered for Sale in the mode here described, shall be held and declared to be the purchaser of the said lot, and the Officer of Government Superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper; provided always, that no lot shall be sold below the minimum price of 400 Rupees, specified in the 2d Clause of these Conditions.

13th.—The purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of twenty-five lots, and for the lots so purchased, the purchaser shall deposit for each lot 25 per Cent. even money of the amount bid by him for the first lot, and pay the same price per chest as that for which he purchased his first lot; provided always, that there remain a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14th.—In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the accounts thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

15th.—The following Papers, together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date, by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 1—Certificate of the Opium now advertized for Sale.

No. 2—Report of the Examination of such Opium.

16th.—The Public are hereby informed, that in providing the investment of the Behar and Benares Opium for the years 1845-46, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the Drug when packed at Behar and Benares, and a statement of the average weight of six chests from each dispatch at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium, and further that four chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the purchasers on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th.—Any further information respecting weight or quality of the Opium advertised for sale, that may be desired by parties connected with the Trade will, as heretofore, be furnished to them on application at the Office of the Board of Customs, Salt and Opium; but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the drug, which may be preferred in reference to chests after the sale and delivery of the Opium for shipment.

18th.—The Public are hereby informed, that in *addition to the quantity above mentioned*, the following quantities more or less of Behar and Benares Opium of 1845-46, will be brought to sale in the present season on or about the dates specified below:

GOVERNMENT TEA PLANTATIONS IN ASSAM.

In consequence of the operations of the Government Experimental Tea Culture in Assam being about to be brought to a close, as notified in the Government Gazette No. 26, of the 1st April 1846, Tenders will be received at this Office for the purchase of the undermentioned Government Tea Barrees, together with Buildings, Manufacturing Implements, Tools, Stores, &c., attached thereto.

These Barrees have abundance of land fit for the growth of the Tea Plant in the vicinity, and admit of being greatly extended; they are situated within about 16 miles of the Sudder Station of the District, Dibroo Ghur, where there is a small temporary Bungalow belonging to the Concern. A good Road is now in progress through Muttuck, which will pass within a few hundred yards of the Dinjoy Barree, and this Road will be completed in the course of next cold season: the accompanying Sketch* will show the relative position of the Barrees.

To persons desirous of engaging in the Cultivation of Sugar Cane, in conjunction with that of the Tea Plant, these Barrees would be found particularly advantageous, as there is much fine fresh land in the vicinity of Dinjoy and Chubwa, well suited for the growth of the Cane, and which may be rented, to the extent required, from time to time, for cultivation: the present rent of such land, when actually taken up, being only 8 annas per poora.

With the Establishment at present attached to the Barrees, the purchaser would have to make his own arrangements; the Members, generally, are well acquainted with the process of the preparation of the Tea, in all its branches, and, if well superintended, would be equal to the duties of a greatly extended concern.

No. 4.

General Orders by the Right Hon'ble the Governor General of India.

Home Department, Camp Bheranah, the 12th January, 1847.

1. The Governor General is pleased to direct that all Public Works carried on, by order of the Government, whether under the direction of its own Officers, or through the Agency of Contractors, shall be discontinued on the Sunday.

2. Cases of urgent necessity, in which delay would be detrimental to the Public Service, are to be considered as cases of exception, and all such cases will be immediately reported to the Military Board for their special orders, and for the information of the Government. The Officer in charge of the work will act on his own discretion, where delay in waiting for the sanction of the Board would be attended with injurious consequences

3. The cessation of work on the Sunday shall be an understood condition in all future contracts for Public Works, whether an express provision to that effect be inserted in the deed of contract or not. No claim therefore of addition to the amount of the contract on account of the suspension of labor on Sundays shall be admitted in reference to any engagements executed subsequently to the date of this notification.

4. An order to this effect has been enforced since January 1843 by the Bombay Government, and the Governor General has much satisfaction in extending the rule which it enjoins to the other Presidencies subordinate to the Government of India.

2. When it may happen that a Horse exceeding the age of six years, has been selected as a Charger from the Remount, the deduction of ten per cent. per annum, from his price when admitted into the ranks, is to be calculated from the date of selection, in place of that of attaining the age of six years.

Circular No. 978. *War Office*, 17*th November*, 1846.

The Officer Commanding
Regiment of

Sir,—The arrangements for the settlement with Soldiers on their discharge from the Army, and the allowances made to them on such occasion, having been under consideration, I have the honor to signify to you Her Majesty's pleasure, that in every case of the discharge of a Soldier in Great Britain or Ireland, whether with or without Pension or Gratuity; except when he is discharged by purchase, or for bad conduct, the following rules shall be observed from and after the 1st January 1847, instead of those hitherto applicable, viz.

108,040 / 4

Rule 1. The discharged Soldier, whatsoever shall have been his rank, or the rate of his Pay, at the time of his discharge, shall receive an allowance of one Shilling a day for twenty days from the date of his discharge; and, if he shall have necessarily attended at Kilmainham, for the completion there of his discharge, this allowance shall be extended to twenty-five days; and in case the Soldier shall been entitled to a higher rate of Pension than one Shilling a day, he shall receive the difference between the allowance of one Shilling and his rate of Pension for the twenty or twenty-five days respectively.

Rule 2. He shall also be provided at the public expense, with a conveyance to his home or intended place of residence, if not more distant than the place of his original enlistment, by Steam Vessel or Railway, as far as either shall be available, and least expensive; and when not available, by such other suitable means, as shall be found at a cost not exceeding Railway fare.

Rule 3. If any part of the distance shall be necessarily travelled on foot and the Pension of the discharged Soldier shall not exceed one Shilling a day, he shall receive for every complete ten miles, and the proportion over, if not less than five miles, of such part of the distance, an allowance of six Pence, or, if his Pension exceed one Shilling, and be less than one Shilling and six Pence a day, the difference between those rates. But no allowance for distance travelled on foot shall be issued to a discharged Soldier, whose Pension amounts to one Shilling and six Pence a day.

Rule 4. The stoppage to be made from the discharged Soldier for Rations, when actually supplied to him on board any Steam, or other Vessel, in proceeding to his home or intended place of residence, shall be six Pence a day.

Rule 5. For the discharged Soldier's Wife and Children, conveyance at the public expense shall also be provided for the same distance, and in the same manner as for himself, as stated in Rule No. 2. And for such distance as shall be necessarily travelled on foot, as adverted to in Rule No. 3, an allowance of three half-pence a mile shall be issued for the Wife, and one Penny a mile for each Child not above fourteen years of age.

Rule 6. If the discharged Soldier with his Wife and Children shall be unavoidably detained at any Port waiting for a passage by Steam or other Vessel to proceed to his home or intended place of residence, an allowance of ten Pence a day for the period of such detention, except for the day of arrival, and that of embarkation, shall be issued for the Wife, and six Pence a day for each Child not above fourteen years of age. And when Rations in kind at the public expense shall not be supplied, on such passage, an allowance of six Pence a day for the probable period of the passage shall be issued for the Wife, and three Pence a day for each Child not above fourteen years of age.

I have to add, that appropriate Forms for charging these allowances will be supplied from this office upon requisition in the usual course.

I have the honor to be,
Sir,
Your most obdt. Servant,

No. 116.

PORT OF AKYAB, COAST OF ARRACAN.

The trade of the Port of Akyab having rapidly increased the attention of Mariners is now recalled to the existence of the Light on Faqeer's Point at its entrance, and to the following Sailing Directions for entering the Harbour, by Captain Paterson, published 1844. In these the Light above referred to, which was not at that time quite completed, was described as being erected on "Mosque Point," but this designation is now altered to "Faqeer's Point," which is understood to be that by which it is best known, and which is that applied to it by the Commissioner of the Province.

By order of the Officiating Superintendent of Marine,

JAS. SUTHERLAND, *Secretary.*

Fort William,
Marine Superintendent's Office,
The 9th January 1847.

Sailing Directions for the Port of Akyab, in the Arracan River.

Ships sailing for Akyab during the South West Monsoon should steer for the South end of Western Bolongo, in Lat. 19° 50′ N. Long. 93° 3′ E., then standing along the Coast to the Northward and Westward about five or six miles off shore, until the Light is sighted on the Great Savage, at the entrance of the Arracan River, then steer so as to bring it to bear N. by East or N. N. E., and if they intend to run in during the night, with either of these bearings, they will cross the bar in the best water, in three fathoms low water spring tides.

After deepening across it, the course should be altered to N. by W. or even N. N. W., according to the state of the Tide and Sea at the time to avoid the Western Rocks (above water) bearing from the Light S. W. ½ S., distant nearly half a mile; the Flood Tide sets in on these Rocks.

When the Light bears East in six to nine fathoms on the edge of the flat to the Westward, the course must be altered to N. N. E. and N. E. by N., having brought the Light to bear S. E. by S. ½ S., the Ship will be inside of Passage Rock, which is five to seven feet above water, and bears from the Savage Light N. W. ½ N., distant a quarter of a mile, and should then steer N. E. Easterly, to avoid the Reef projecting from Faqeer's Point a mile in extent to the South; some of the Rocks are above water at half ebb. There is a Red Buoy placed on the Southern entrance in about nine fathoms, which with attention may be seen in a clear night without the Moon, and after bringing Faqeer's Point to bear N. W. by N. to N. W. the Ship should anchor.

On Faqeer's Point a small Light House is nearly finished, the Light of which will be a deep red, and will be seen about six miles or three miles beyond the bar, as a leading mark to clear the Western Rocks, keeping it a little open to the Westward of the Savage Light when steering in or out, also to point out when the Ship is inside of the Reef off Faqeer's Point. With this Light bearing N. W. by N. to N. W. is good Anchorage, having excellent holding ground, and perfectly sheltered from the Sea.

A stranger should not attempt to run in at night, particularly in the rains, except at high or low water, as the ebb tide runs very rapidly in strong eddies off the Passage Rock, over the dangerous flat to the Westward, and the flood in strong eddies upon the Rocks.

During the N. E. Monsoon Ships bound to Akyab, from the Northward, should endeavour to make the Table Land of the Western Bolongo in Lat. 20° 1′ N., then steering due East they will avoid the Oyster Reef in Lat. 20° 5′ N., Long. 92° 40′ East, which is distant from the Savage Light fifteen miles due West. This course is recommended, as although in favourable weather the Savage Light is seen outside the Reef in 16 to 17 fathoms water, the depth suddenly decreases, and the probability of hazy or rainy weather would prevent the Light being seen, and steering boldly in to sight it, to the Northward of Lat. 20° 1′, would endanger the safety of the Vessel, by suddenly falling upon the Oyster Rock or Reef before sighting the Light House.

I would not advise strangers on any occasion to make use of the channel inside of the Oyster Rock or Reef.

JAMES PATERSON,
Comdr. H. Co.'s Ship Amherst.

Secretary.

3d.—The Sale shall commence at the hour of 11 A. M, and shall not be continued after the hour of 5 P. M; but if at that hour any of the lots advertized for Sale shall remain unsold, the Sale may at the discretion of the Board of Customs, Salt and Opium, be resumed on the next day following (not being Sunday or a public Holiday) at the hour of 11 A. M., and so on until the whole of the remaining lots are disposed of; or, if the quantity of 2,405 Chests shall not be sold on the day advertized, the Board may dispose of the Lots which remain on hand at a future Sale.

4th.—Each Lot to contain Five Chests.

5th.—A deposit in a Promissory Note for 25 per Cent. even money of the amount for which each lot is knocked down shall be made by the purchaser in the Sale Room, and before the lot is Registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the purchasers at this Office, by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'Clock of the afternoon of Wednesday, the 27th of January 1847; *or on the other hand*, failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid, shall have been delivered in, shall be re-sold at such time or times, and under such conditions of re-sale as the Board of Customs, Salt and Opium, shall see fit, and all losses and expences whatsoever attending such re-sale, shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6th.—The Promissory Notes taken on the day of Sale, under the last mentioned Condition, if remaining unredeemed on the said 27th January 1847, will be placed in the hands of the Attorney to the Hon'ble Company for realization in such manner as to him shall seem fit.

M. of Tuesday the 9th of February 1847, and in case any lots of such Opium shall not be so paid for, and adjusted, then the cash deposit of 25 per Cent. even money of the amount for which each lot is knocked down, or any Public Securities that may have been deposited on account of such lots or chests, shall be forfeited, and the Opium be disposed of on account of Government at such time and in such manner as the Board of Customs, Salt and Opium, shall think fit, and the first purchaser shall be required to make good any loss or difference of price between that obtained at the re-sale, and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9th.—Purchasers taking out Certificates or Orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase, which they may desire to be included in each Certificate or Order, and it is to be clearly understood, that the Certificates or Orders so taken out shall be considered final and not afterwards changeable for other Certificates or Orders authorizing the delivery of single lots, or of a different number of lots or chests, whether more or less than the number of lots or chests originally required to be included in each Certificate or Order.

10th.—No Sub-Treasurer's Receipt, or Deposit of Public Securities, under the Fifth of the present Conditions, will be received in this Office, except from the party recorded as the purchaser in the Sale Book, or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such purchaser, and the Securities so deposited will be returned when clearance has been made by the said purchaser or his order.

11th.—The Officer Superintending the Sale on the part of the Board of Customs, Salt and Opium, is empowered to reject at his discretion the bid of any individual, unless such individual shall, on demand, tender at the time, a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent. even money of the amount so bid.

12th.—With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified that the Officer of Government Superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first bonâ fide bidder for a lot, after it has been offered for Sale in the mode here described, shall be held and declared to be the purchaser of the said lot, and the Officer of Government Superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper; provided always, that no lot shall be sold below the minimum price of 400 Rupees, specified in the 2d Clause of these Conditions.

13th.—The purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of twenty-five lots, and for the lots so purchased, the purchaser shall deposit for each lot 25 per Cent. even money of the amount bid by him for the first lot, and pay the same price per chest as that for which he purchased his first lot; provided always, that there remain a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14th.—In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the accounts thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

15th.—The following Papers, together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen

previously to that date, by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 1—Certificate of the Opium now advertized for Sale.

No. 2—Report of the Examination of such Opium.

16th.—The Public are hereby informed, that in providing the investment of the Behar and Benares Opium for the years 1845-46, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the Drug when packed at Behar and Benares, and a statement of the average weight of six chests from each dispatch at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium, and further that four chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the purchasers on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th.—Any further information respecting weight or quality of the Opium advertised for sale, that may be desired by parties connected with the Trade will, as heretofore, be furnished to them on application at the Office of the Board of Customs, Salt and Opium; but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the drug, which may be preferred in reference to chests after the sale and delivery of the Opium for shipment.

18th.—The Public are hereby informed, that in *addition to the quantity above mentioned*, the following quantities more or less of Behar and Benares Opium of 1845-46, will be brought to sale in the present season on or about the dates specified below:

GOVERNMENT TEA PLANTATIONS IN ASSAM.

In consequence of the operations of the Government Experimental Tea Culture in Assam being about to be brought to a close, as notified in the Government Gazette No. 26, of the 1st April 1846, Tenders will be received at this Office for the purchase of the undermentioned Government Tea Barrees, together with Buildings, Manufacturing Implements, Tools, Stores, &c., attached thereto.

These Barrees have abundance of land fit for the growth of the Tea Plant in the vicinity, and admit of being greatly extended; they are situated within about 16 miles of the Sudder Station of the District, Dibroo Ghur, where there is a small temporary Bungalow belonging to the Concern. A good Road is now in progress through Muttuck, which will pass within a few hundred yards of the Dinjoy Barree, and this Road will be completed in the course of next cold season: the accompanying Sketch* will show the relative position of the Barrees.

To persons desirous of engaging in the Cultivation of Sugar Cane, in conjunction with that of the Tea Plant, these Barrees would be found particularly advantageous, as there is much fine fresh land in the vicinity of Dinjoy and Chubwa, well suited for the growth of the Cane, and which may be rented, to the extent required, from time to time, for cultivation: the present rent of such land, when actually taken up, being only 8 annas per poora.

With the Establishment at present attached to the Barrees, the purchaser would have to make his own arrangements; the Members, generally, are well acquainted with the process of the preparation of the Tea. in all its branches, and, if well superintended, would be equal to the duties of a greatly extended concern.

No. 116.

PORT OF AKYAB, COAST OF ARRACAN.

The trade of the Port of Akyab having rapidly increased the attention of Mariners is now recalled to the existence of the Light on Faqeer's Point at its entrance, and to the following Sailing Directions for entering the Harbour, by Captain Paterson, published 1844. In these the Light above referred to, which was not at that time quite completed, was described as being erected on "Mosque Point," but this designation is now altered to "Faqeer's Point," which is understood to be that by which it is best known, and which is that applied to it by the Commissioner of the Province.

By order of the Officiating Superintendent of Marine,

JAS. SUTHERLAND, *Secretary.*

Fort William,
Marine Superintendent's Office,
The 9th January 1847.

Sailing Directions for the Port of Akyab, in the Arracan River.

Ships sailing for Akyab during the South West Monsoon should steer for the South end of Western Bolongo, in Lat. 19° 50′ N. Long. 93° 3′ E., then standing along the Coast to the Northward and Westward about five or six miles off shore, until the Light is sighted on the Great Savage, at the entrance of the Arracan River, then steer

so as to bring it to bear N. by East or N. N. E., and if they intend to run in during the night, with either of these bearings, they will cross the bar in the best water, in three fathoms low water spring tides.

After deepening across it, the course should be altered to N. by W. or even N. N. W., according to the state of the Tide and Sea at the time to avoid the Western Rocks (above water) bearing from the Light S. W. ½ S., distant nearly half a mile; the Flood Tide sets in on these Rocks.

When the Light bears East in six to nine fathoms on the edge of the flat to the Westward, the course must be altered to N. N. E. and N. E. by N., having brought the Light to bear S. E. by S. ½ S., the Ship will be inside of Passage Rock, which is five to seven feet above water, and bears from the Savage Light N. W. ½ N., distant a quarter of a mile, and should then steer N. E. Easterly, to avoid the Reef projecting from Faqeer's Point a mile in extent to the South; some of the Rocks are above water at half ebb. There is a Red Buoy placed on the Southern entrance in about nine fathoms, which with attention may be seen in a clear night without the Moon, and after bringing Faqeer's Point to bear N. W. by N. to N. W. the Ship should anchor.

On Faqeer's Point a small Light House is nearly finished, the Light of which will be a deep red, and will be seen about six miles or three miles beyond the bar, as a leading mark to clear the Western Rocks, keeping it a little open to the Westward of the Savage Light when steering in or out, also to point out when the Ship is inside of the Reef off Faqeer's Point. With this Light bearing N. W. by N. to N. W. is good Anchorage, having excellent holding ground, and perfectly sheltered from the Sea.

A stranger should not attempt to run in at night, particularly in the rains, except at high or low water, as the ebb tide runs very rapidly in strong eddies off the Passage Rock, over the dangerous flat to the Westward, and the flood in strong eddies upon the Rocks.

During the N. E. Monsoon Ships bound to Akyab, from the Northward, should endeavour to make the Table Land of the Western Bolongo in Lat. 20° 1′ N., then steering due East they will avoid the Oyster Reef in Lat. 20° 5′ N., Long. 92° 40′ East, which is distant from the Savage Light fifteen miles due West. This course is recommended, as although in favourable weather the Savage Light is seen outside the Reef in 16 to 17 fathoms water, the depth suddenly decreases, and the probability of hazy or rainy weather would prevent the Light being seen, and steering boldly in to sight it, to the Northward of Lat. 20° 1′, would endanger the safety of the Vessel, by suddenly falling upon the Oyster Rock or Reef before sighting the Light House.

I would not advise strangers on any occasion to make use of the channel inside of the Oyster Rock or Reef.

JAMES PATERSON,
Comdr. H. Co.'s Ship Amherst.

GOVERNMENT TEA PLANTATIONS IN ASSAM.

In consequence of the operations of the Government Experimental Tea Culture in Assam being about to be brought to a close, as notified in the Government Gazette No. 26, of the 1st April 1846, Tenders will be received at this Office for the purchase of the undermentioned Government Tea Barrees, together with Buildings, Manufacturing Implements, Tools, Stores, &c., attached thereto.

These Barrees have abundance of land fit for the growth of the Tea Plant in the vicinity, and admit of being greatly extended; they are situated within about 16 miles of the Sudder Station of the District, Dibroo Ghur, where there is a small temporary Bungalow belonging to the Concern. A good Road is now in progress through Muttuck, which will pass within a few hundred yards of the Dinjoy Barree, and this Road will be completed in the course of next cold season: the accompanying Sketch* will show the relative position of the Barrees.

To persons desirous of engaging in the Cultivation of Sugar Cane, in conjunction with that of the Tea Plant, these Barrees would be found particularly advantageous, as there is much fine fresh land in the vicinity of Dinjoy and Chubwa, well suited for the growth of the Cane, and which may be rented, to the extent required, from time to time, for cultivation: the present rent of such land, when actually taken up, being only 8 annas per poora.

With the Establishment at present attached to the Barrees, the purchaser would have to make his own arrangements; the Members, generally, are well acquainted with the process of the preparation of the Tea, in all its branches, and, if well superintended, would be equal to the duties of a greatly extended concern.

No. 272 of 1847.

Lieutenant Governor's Camp, Revenue Department, the 18th January, 1847.

Notification.—The following paras. of a letter from the Hon'ble the Court of Directors, No. 11, dated the 22d September 1846, relating to the Cultivation and Manufacture of Tea in the North Western Provinces, are published for general information:

2. "We received by the "Minerva," a small Box and two Canisters of Tea, the produce of the

Government Tea Nursery, at Kalaghir, in the Deyrah Dhoon, alluded to in your letter of the 22d November (No. 12,) 1845.

3. "These samples have been submitted to the inspection of qualified persons in this country, and by the Reports of Messrs. Thompson and Son, W. Hunt, and Messrs. Ewart, which we now transmit, you will perceive that the Tea is pronounced to be equal to China Tea, of a superior Class, possessing the flavor of the Orange Pekoe, but more than the usual strength of that Tea, in other respects resembling that imported as Ning Yong. You will take measures for giving publicity to these Reports.

4. "Comparing this Tea, with the samples formerly received, the Reports on which were forwarded with our despatch of the 28th February 1844, (No. 1,) the present specimens exhibit a marked improvement, the only defect pointed out being a "slight peculiarity of smell," or "deficiency of fragrance, probably arising from some defect in the firing."

5. "These specimens are very creditable to the efforts of the Superintendent, Dr. Jameson, and his Establishment.

6. "The latest Report of Dr. Jameson shows the quantity of land under Tea Cultivation in the Districts of Kumaon and Gurhwal, including the Dhoon, to be 176 Acres, and the total number of plants 3,22,579. The plant is stated to be thriving in different localities, extending over 4 degrees of latitude and 3 of longitude, and that 100,000 Acres are available in the Dhoon only, for purposes of Tea Cultivation.

7. "We observe that at a sale which took place at Almorah, 173 seers of this Tea produced from 4 to 5 Rupees per seer, and Dr. Jameson is of opinion that the produce of 6,000 Acres of land would yield a surplus of Rupees 2,30,266 per annum, making in this calculation suitable allowance for a considerable reduction in the sale price, on the supply being increased to that extent, and sold in Calcutta; it is stated however that the demand for the article in the Hill provinces would be very extensive. The only obstacle to the general use of the Kumaon Tea, by the middling and better classes in those localities being the high price at which it has hitherto sold.

Estimate for 6,000 *Acres.*	Rs.
Establishment, ...	87,000
Manufacturing and packing 6,000 Maunds, ...	6,234
Land and River Carriage of do. to Calcutta,	11,300
Contingencies, ...	7,200
Rent at 3 Rs. per Acre, ...	18,000
Total, ...	1,29,734
Value of 6,000 Maunds, at 1-8 per Seer, ...	3,60,000

8. "We feel a deep interest in this subject, and attach great importance to the success of a project from which considerable advantages would arise to the Agricultural Community of these Districts, who would, it is stated, readily undertake the cultivation of the plant if encouraged to do so."

Report on the Tea manufactured in the Deyrah Doon, received per "Minerva," June 1846.

Appearance of the Tea.—Well made, as well as China Tea, and similar to the blackish, mixed curled Tetsong description.

Smell.—As China Tea, but deficient in fragrance, arising probably from some defect in the firing.

Color of the infusion.—Bright and good.

Taste.—Rich, good and strong.

Expanded Leaf.—As the finer Tea from China.

Aroma.—As good China Tea.

From this, and examinations of former samples, I am quite satisfied that the Tea-shrub in Kumaon is not only identical with the China plant, and as capable of being made into as fine a description of Tea, but also that the climate and soil in Kumaon is as suited to the favorable growth of the Shrub as the finest of the China localities.

Sd. Wm. Andrews Hunt.

8th June, 1846.

The leaf is well made, curled, of the Ankoi Pekoe class, mixed black and brown, and closely resembles that class of China Tea.

The flavor is very strong, and would therefore be serviceable for mixing, but it is "coarse burnt," that all richness of flavor is destroyed.

Sd. Wm. Thomson & Sons.

38, *Mincing Lane*, 6*th June*, 1846.

The sample of Tea marked as manufactured in the Deyrah Dhoon, August 1845, in leaf somewhat resembles the Tea imported from China as Ning Young, with something of the character both of Oolong and Orange Pekoe. In flavor it most resembles the better descriptions of Orange Pekoe, having with the brisk burnt flavor of that description, more than its usual strength.

There is however in this sample a slight peculiarity of smell and flavor, which is rather objectionable, but it probably arises from some accidental cause to which this sample may have been exposed, either in curing or subsequently.

We consider it a good, useful description of Tea.

EDUCATION NOTICE.

AN Examination will be held early in April 1847, in the College of Fort William, for the purpose of filling up existing vacancies in the Secondary or Military Class of the Medical College. All candidates will be expected to possess an adequate knowledge of the Hindoostanee language, to enable them to read and write it in the Persian or Devanagri character.

2. All Interpreters of Regiments and Battalions will be requested through the Military Department, not to grant certificates of qualification to any candidate under the age of fifteen and above that of twenty years: and likewise to reject all who may not pass the prescribed ordeal with a sufficient degree of fluency and facility. Much disappointment, expense and inconvenience have already been experienced by lads from distant stations being furnished with certificates, who were found on examination quite unqualified for admission, and it is with a view to prevent the recurrence of this that the above measure has been adopted.

3. Candidates for admission will be required to present themselves before the Secretary to the Medical College, at least three days prior to the day of examination, in order that a proper descriptive roll may be prepared, for transmission to the examiners of the College of Fort William.

4. The preference in selection, attainments being equal, will be given to those who have already been attached to, or served in civil or regimental hospitals.

5. No candidate will be allowed to present himself for examination who cannot produce a written testimonial of his conduct and character, or afford satisfactory evidence as to who and what he may be. A few individuals of decidedly bad character have upon recent occasions managed to obtain admittance, it is supposed by producing false papers; the strictest care and scrutiny will, therefore, be exercised in examining the credentials of all future candidates.

6. All pupils must, as a condition of their appointment, reside within the college premises at all times, and never be absent from morning and evening muster without special leave.

7. All students in the Military Class are amenable to the Articles of War, and regularly enlisted as Soldiers.

8. No candidate will be admitted to the school who is physically unfit for the duties of a soldier.

By order of the Hon'ble the President and Council of Education,

FRED. J. MOUAT, M. D.,
Secretary.

The following Act is passed by the Hon'ble the President of the Council of India in Council on the 30th January 1847, with the assent of the Right Hon'ble the Governor General of India, which has been read and recorded.

Ordered, that the Act be promulgated for general information.

ACT No. I OF 1847.

An Act for the establishment and maintenance of Boundary Marks in the North Western Provinces of Bengal.

Whereas it is desirable with a view to the better definition and security of landed property, the prevention of encroachments and disputes, and the identification of lands assessed to, or exempted from, the Public Revenue, that provision should be made for the establishment and maintenance of

permanent marks to distinguish the boundaries of Fields or Estates:

I. It is hereby enacted, that it shall be lawful within the Territories subject to the Government of the North Western Provinces of Bengal, for Collectors of Land Revenue, or persons exercising the powers of Collector, or such Revenue Officers as the Lieutenant Governor may entrust with that authority, to fix the boundaries of Fields or Estates, and to require that marks be formed and maintained by the owners or occupants on the boundaries, of such materials and in such number and manner as may appear to such Officers sufficient for distinguishing the limits of those Fields or Estates whenever they may be of opinion that such demarkation is necessary for the prevention or adjustment of disputes.

II. And it is hereby enacted, that notices shall be served on the persons owning or occupying the conterminous Fields or Estates requiring them to form or repair the said boundary marks within ten days from the date of the notice, and in the event of these persons not being found in the Village that the said requisition shall be posted at the Village Chowree or Chopal, or other conspicuous place in the Village, which shall be held to be a sufficient service, notwithstanding it may afterwards appear that the owners or occupants were not correctly named or designated in the notice.

III. And it is hereby enacted, that in default of the owners or occupants of the Fields or Estates complying with the requisition, the said Revenue Officers shall give directions for the erection and repair of such boundary marks, the cost of which shall be equitably apportioned on the Fields or Estates which they serve to distinguish, and shall be charged to the persons possessing a right of ownership or occupancy in such Fields or Estates, and shall be realized in the same manner as arrears of land revenue.

IV. And it is hereby enacted, that any person who may be convicted of wilfully erasing, removing or injuring such boundary marks, shall be liable to a fine not exceeding Fifty Rupees for each mark so erased, removed or injured; one half of which fine may be awarded on conviction to the informer, and the other half shall be chargeable with the cost of restoring the mark; whenever it may not be possible to detect the person who erased, removed or injured the boundary marks as aforesaid, the marks shall be re-erected or repaired at the charge of one or both parties, as the Collector or other Officer authorized to make the demarkation may consider just and equitable.

V. And it is hereby enacted, that disputed boundaries shall be fixed by Revenue Officers under the powers and in the manner prescribed in Regulations VII. 1822 and IX. of 1833, and shall be similarly open to appeal

VI. And it is hereby enacted, that Magistrates are prohibited from taking cognizance under Act IV. of 1840 of boundary disputes of the nature for which provision is here made, but whenever they have reason to apprehend any breach of the peace in consequence of a disputed boundary, they shall certify the circumstances to the Collector of Land Revenue, who shall be bound immediately to mark off the boundary in the mode here indicated, and to uphold the possession of the parties according to the demarkation.

GOVERNMENT TEA PLANTATIONS IN ASSAM.

In consequence of the operations of the Government Experimental Tea Culture in Assam being about to be brought to a close, as notified in the Government Gazette No 26, of the 1st April 1846, Tenders will be received at this Office for the purchase of the undermentioned Government Tea Barrees, together with Buildings, Manufacturing Implements, Tools, Stores, &c., attached thereto.

These Barrees have abundance of land fit for the growth of the Tea Plant in the vicinity, and admit of being greatly extended; they are situated within about 16 miles of the Sudder Station of the District, Dibroo Ghur, where there is a small temporary Bungalow belonging to the Concern. A good Road is now in progress through Muttuck, which will pass within a few hundred yards of the Dinjoy Barree, and this Road will be completed in the course of next cold season: the accompanying Sketch* will show the relative position of the Barrees.

To persons desirous of engaging in the Cultivation of Sugar Cane, in conjunction with that of the Tea Plant, these Barrees would be found particularly advantageous, as there is much fine fresh land in the vicinity of Dinjoy and Chubwa, well suited for the growth of the Cane, and which may be rented, to the extent required, from time to time, for cultivation: the present rent of such land, when actually taken up, being only 8 annas per poora.

With the Establishment at present attached to the Barrees, the purchaser would have to make his own arrangements; the Members, generally, are well acquainted with the process of the preparation of the Tea, in all its branches, and, if well superintended, would be equal to the duties of a greatly extended concern.

The following Act is passed by the Hon'ble the President of the Council of India in Council on the 30th January 1847, with the assent of the Right Hon'ble the Governor General of India, which has been read and recorded.

Ordered, that the Act be promulgated for general information.

ACT No. I OF 1847.

An Act for the establishment and maintenance of Boundary Marks in the North Western Provinces of Bengal.

Whereas it is desirable with a view to the better definition and security of landed property, the prevention of encroachments and disputes, and the identification of lands assessed to, or exempted from, the Public Revenue, that provision should be made for the establishment and maintenance of permanent marks to distinguish the boundaries of Fields or Estates:

I. It is hereby enacted, that it shall be lawful within the Territories subject to the Government of the North Western Provinces of Bengal, for Collectors of Land Revenue, or persons exercising the powers of Collector, or such Revenue Officers as the Lieutenant Governor may entrust with that authority, to fix the boundaries of Fields or Estates, and to require that marks be formed and maintained by the owners or occupants on the boundaries, of such materials and in such number and manner as may appear to such Officers sufficient for distinguishing the limits of those Fields or Estates whenever they may be of opinion that such demarkation is necessary for the prevention or adjustment of disputes.

II. And it is hereby enacted, that notices shall be served on the persons owning or occupying the conterminous Fields or Estates requiring them to form or repair the said boundary marks within ten days from the date of the notice, and in the event of these persons not being found in the Village that the said requisition shall be posted at the Village Chowree or Chopal, or other conspicuous place in the Village, which shall be held to be a sufficient service, notwithstanding it may afterwards appear that the owners or occupants were not correctly named or designated in the notice.

III. And it is hereby enacted, that in default of the owners or occupants of the Fields or Estates complying with the requisition, the said Revenue Officers shall give directions for the erection and repair of such boundary marks, the cost of which shall be equitably apportioned on the Fields or Estates which they serve to distinguish, and shall be charged to the persons possessing a right of ownership or occupancy in such Fields or Estates, and shall be realized in the same manner as arrears of land revenue.

IV. And it is hereby enacted, that any person who may be convicted of wilfully erasing, removing or injuring such boundary marks, shall be liable to a fine not exceeding Fifty Rupees for each mark so erased, removed or injured; one half of which fine may be awarded on conviction to the informer, and the other half shall be chargeable with the cost of restoring the mark; whenever it may not be possible to detect the person who erased, removed or injured the boundary marks as aforesaid, the marks shall be re-erected or repaired at the charge of one or both parties, as the Collector or other Officer authorized to make the demarkation may consider just and equitable.

V. And it is hereby enacted, that disputed boundaries shall be fixed by Revenue Officers under the powers and in the manner prescribed in Regulations VII. 1822 and IX. of 1833, and shall be similarly open to appeal

VI. And it is hereby enacted, that Magistrates are prohibited from taking cognizance under Act IV. of 1840 of boundary disputes of the nature for which provision is here made, but whenever they have reason to apprehend any breach of the peace in consequence of a disputed boundary, they shall certify the circumstances to the Collector of Land Revenue, who shall be bound immediately to mark off the boundary in the mode here indicated, and to uphold the possession of the parties according to the demarkation.

Brevet Colonel Robert Blackall, of the 38th Regiment Light Infantry, is permitted to proceed to the Cape of Good Hope, on Medical Certificate, and to be absent from Bengal on that account for two years.

No. 57 *of* 1847.—The Hon'ble the President of the Council of India in Council having had under consideration the expediency of substituting Woollen Cloth Trowsers for the Leather Breeches now in use with the Horse Artillery and Light Cavalry, is pleased to direct, that the present stoppages from the men of the Native Horse Artillery and Cavalry, on the above account, shall continue till the 1st April 1848, there being a sufficient number of Leather Pantaloons in Store for a further triennial supply, and that thenceforward the following arrangements shall have effect:

In lieu of the biennial supply of Leather Breeches from the Off-Reckoning Fund and the triennial supply from the Leather Breeches Fund, Overalls are to be prepared in the Agencies on the usual Indents, or Figured Statements, and issued biennially with the Jackets to the European Non-Commissioned Officers, Privates, &c., of Horse Artillery and the Staff Serjeants of the Native Cavalry at the expense of the Off-Reckoning Fund. To Native Mounted Corps, that is to say, to all from whom stoppages are now made on account of the Leather Breeches Fund, Overalls will be supplied at the cost of the State, the charges to Government on such account being recovered by a revised monthly deduction of 6 Annas from each of the Subadars, 4 Annas from each of the Jemadars, and 3 Annas from each of the Non-Commissioned Officers, Troopers, &c.

As under the present system the Off-Reckoning Fund will continue to be credited with Rupees (6) Six per Annum for each of the European Non-Commissioned Officers and Privates of Horse Artillery, and for each of the Staff Serjeants of Native Cavalry, those men are deemed entitled by His Honor in Council to a more durable article than the Overalls now issued in exchange for the more expensive Leather Pantaloons, and will accordingly be furnished by the Off-Reckoning Fund with Woollen Trowsers, equal in quality to those worn by Her Majesty's Cavalry.

The first issue of Woollen Overalls in lieu of Leather Breeches, will be made to all men borne on the strength of the Mounted Corps and entitled to Coats for 1847, on the 1st January 1848—all others entitled to Coats for 1848 will receive them on the 1st January 1849.

Any amount of stoppages that may have been made since the last issue from men of the Native Mounted Corps, deceased, discharged, or invalided, will be drawn for by Commanding Officers in Bills, to be submitted with the necessary vouchers for the sanction of the Clothing Board, and the Overalls of such Casualties to be retained in store as the property of Government, and disposed of under the orders of the Clothing Board; Bounty Overalls when necessary being issued, on the usual Indent and Nominal Roll, to the Recruits entertained in their room. The Overalls of Deserters are to be appropriated for Recruits.

Compensation will be granted from the Off-Reckoning Fund under the existing Rules at the prescribed rates, viz. Rupees (5-8-3) Five, and Eight Annas and Three Pie per annum, or Rupees (11-0-6) Eleven and Six Pie, for the biennial period to the European Soldiers of Horse Artillery and the Staff Serjeants of Native Cavalry.

The accounts of the Leather Breeches Fund will be finally closed on the 1st April 1848, and the balance standing at its debit charged to the State.

All existing General Orders, regarding the Establishment of the Leather Breeches Fund, and the issue of Leather Breeches are hereby cancelled from the 1st of April 1848.

Fort William, Home Department, Legislative, the 30th January, 1847.

The following Act is passed by the Hon'ble the President of the Council of India in Council on the 30th January 1847, with the assent of the

Right Hon'ble the Governor General of India, which has been read and recorded.

Ordered, that the Act be promulgated for general information.

ACT No. I OF 1847.

An Act for the establishment and maintenance of Boundary Marks in the North Western Provinces of Bengal.

Whereas it is desirable with a view to the better definition and security of landed property, the prevention of encroachments and disputes, and the identification of lands assessed to, or exempted from, the Public Revenue, that provision should be made for the establishment and maintenance of permanent marks to distinguish the boundaries of Fields or Estates:

I. It is hereby enacted, that it shall be lawful within the Territories subject to the Government of the North Western Provinces of Bengal, for Collectors of Land Revenue, or persons exercising the powers of Collector, or such Revenue Officers as the Lieutenant Governor may entrust with that authority, to fix the boundaries of Fields or Estates, and to require that marks be formed and maintained by the owners or occupants on the boundaries, of such materials and in such number and manner as may appear to such Officers sufficient for distinguishing the limits of those Fields or Estates whenever they may be of opinion that such demarkation is necessary for the prevention or adjustment of disputes.

II. And it is hereby enacted, that notices shall be served on the persons owning or occupying the conterminous Fields or Estates requiring them to form or repair the said boundary marks within ten days from the date of the notice, and in the event of these persons not being found in the Village that the said requisition shall be posted at the Village Chowree or Chopal, or other conspicuous place in the Village, which shall be held to be a sufficient service, notwithstanding it may afterwards appear that the owners or occupants were not correctly named or designated in the notice.

III. And it is hereby enacted, that in default of the owners or occupants of the Fields or Estates complying with the requisition, the said Revenue Officers shall give directions for the erection and repair of such boundary marks, the cost of which shall be equitably apportioned on the Fields or Estates which they serve to distinguish, and shall be charged to the persons possessing a right of ownership or occupancy in such Fields or Estates, and shall be realized in the same manner as arrears of land revenue.

IV. And it is hereby enacted, that any person who may be convicted of wilfully erasing, removing or injuring such boundary marks, shall be liable to a fine not exceeding Fifty Rupees for each mark so erased, removed or injured; one half of which fine may be awarded on conviction to the informer, and the other half shall be chargeable with the cost of restoring the mark; whenever it may not be possible to detect the person who erased, removed or injured the boundary marks as aforesaid, the marks shall be re-erected or repaired at the charge of one or both parties, as the Collector or other Officer authorized to make the demarkation may consider just and equitable.

V. And it is hereby enacted, that disputed boundaries shall be fixed by Revenue Officers under the powers and in the manner prescribed in Regulations VII. 1822 and IX. of 1833, and shall be similarly open to appeal

VI. And it is hereby enacted, that Magistrates are prohibited from taking cognizance under Act IV. of 1840 of boundary disputes of the nature for which provision is here made, but whenever they have reason to apprehend any breach of the peace in consequence of a disputed boundary, they shall certify the circumstances to the Collector of Land Revenue, who shall be bound immediately to mark off the boundary in the mode here indicated, and to uphold the possession of the parties according to the demarkation.

No. 3.

Fort William, Financial Department, the 29th January, 1847.

Resolution.—The President in Council observes that under a rigid construction of the provisions of the Rules for regulating leave of absence to the Uncovenanted Service, an incumbent in the receipt of a personal allowance in addition to the fixed salary of his appointment would forfeit during any absence on authorized leave the moiety of his consolidated allowances, while on the other hand the party officiating for him would be entitled to claim as deputation allowance the half of the fixed salary of the appointment only, thus leaving the moiety of the personal allowance to revert to the Government.

But the President in Council has no desire to take advantage of this strict action of the rules to the prejudice of deserving persons in the receipt of their due reward for meritorious services, especially where the grant is of so personal a nature as not to be claimable in the shape of pension. On the contrary he is anxious to give the fullest effect to honorary allowances earned by approved service in the employment of Government, and he is accordingly pleased to resolve that personal allowances be exempted from deduction under the operation of the Absentee Rules; and parties in the receipt of personal allowances, whilst absent on authorized leave, will accordingly be entitled to continue to draw the whole of such personal allowance in addition to the proportion of ordinary salary claimable by them under the general provisions of the Rules.

By order of the Honorable the President of the Council of India in Council.

J. A. DORIN, *Secy. to the Govt. of India.*

Fort William, Financial Department, 5th October, 1846.

Produce of Behar Agency, ...	Chests	1,690
Ditto of Benares ditto, ...	„	715
Total Chests,...		2,405

CONDITIONS OF SALE

1st.—The Opium will be sold for Exportation by Sea only, and no Certificate will be granted except to cover such Export.

2d.—The Opium will be ordinarily offered for Sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price: Except under the circumstances for which provision is made by Clause the 12th of the Conditions of Sale.

3d.—The Sale shall commence at the hour of 11 A M, and shall not be continued after the hour of 5 P. M; but if at that hour any of the lots advertized for Sale shall remain unsold, the Sale may at the discretion of the Board of Customs, Salt and Opium, be resumed on the next day following (not being Sunday or a public Holiday) at the hour of 11 A. M., and so on until the whole of the remaining lots are disposed of; or, if the quantity of 2,405 Chests shall not be sold on the day advertized, the Board may dispose of the Lots which remain on hand at a future Sale.

4th.—Each Lot to contain Five Chests.

5th.—A deposit in a Promissory Note for 25 per Cent. even money of the amount for which each lot is knocked down shall be made by the purchaser in the Sale Room, and before the lot is Registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the purchasers at this Office, by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'Clock of the afternoon of Wednesday, the 24th of February 1847; or on the other hand, failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid, shall have been delivered in, shall be re-sold at such time or times, and under such conditions of re-sale as the Board of Customs, Salt and Opium, shall see fit, and all losses and expences whatsoever attending such re-sale, shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6th.—The Promissory Notes taken on the day of Sale, under the last mentioned Condition, if remaining unredeemed on the said 24th February 1847, will be placed in the hands of the Attorney to the Hon'ble Company for realization in such manner as to him shall seem fit.

7th.—No Tender of Money, Sub-Treasurer's Receipts or Public Securities, on account of Opium, upon which the prescribed deposit may not have been made before 4 o'Clock of the 24th February 1847, will be afterwards accepted.

8th.—The Opium now advertised for Sale shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt

will be accepted in payment after 4 P. M. of Tuesday the 9th of March 1847, and in case any lots of such Opium shall not be so paid for, and adjusted, then the cash deposit of 25 per Cent. even money of the amount for which each lot is knocked down, or any Public Securities that may have been deposited on account of such lots or chests, shall be forfeited, and the Opium be disposed of on account of Government at such time and in such manner as the Board of Customs, Salt and Opium, shall think fit, and the first purchaser shall be required to make good any loss or difference of price between that obtained at the re-sale, and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9th.—Purchasers taking out Certificates or Orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase, which they may desire to be included in each Certificate or Order, and it is to be clearly understood, that the Certificates or Orders so taken out shall be considered final and not afterwards changeable for other Certificates or Orders authorizing the delivery of single lots, or of a different number of lots or chests, whether more or less than the number of lots or chests originally required to be included in each Certificate or Order.

10th.—No Sub-Treasurer's Receipts, or Deposit of Public Securities, under the Fifth of the present Conditions, will be received in this Office, except from the party recorded as the purchaser in the Sale Book, or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such purchaser, and the Securities so deposited will be returned when clearance has been made by the said purchaser or his order.

11th.—The Officer Superintending the Sale on the part of the Board of Customs, Salt and Opium, is empowered to reject at his discretion the bid of any individual, unless such individual shall, on demand, tender at the time, a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent. even money of the amount so bid.

12th.—With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified that the Officer of Government Superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first bonâ fide bidder for a lot, after it has been offered for Sale in the mode here described, shall be held and declared to be the purchaser of the said lot, and the Officer of Government Superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper; provided always, that no lot shall be sold below the minimum price of 400 Rupees, specified in the 2d Clause of these Conditions.

13th.—The purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of twenty-five lots, and for the lots so purchased, the purchaser shall deposit for each lot 25 per Cent. even money of the amount bid by him for the first lot, and pay the same price per chest as that for which he purchased his first lot; provided always, that there remain a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14th.—In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

15th.—The following Papers, together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date, by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 1—Certificate of the Opium now advertized for Sale.

No. 2—Report of the Examination of such Opium.

16th.—The Public are hereby informed, that in providing the investment of the Behar and Benares Opium for the years 1845-46, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the Drug when packed at Behar and Benares, and a statement of the average weight of six chests from each dispatch at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium, and further that four chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the purchasers on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th.—Any further information respecting weight or quality of the Opium advertised for sale, that may be desired by parties connected with the Trade will, as heretofore, be furnished to them on application at the Office of the Board of Customs, Salt and Opium; but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the drug, which may be preferred in reference to chests after the sale and delivery of the Opium for shipment.

18th.—The Public are hereby informed, that in addition to the quantity above mentioned, the following quantities more or less of Behar and Benares Opium of 1845-46, will be brought to sale in the present season on or about the dates specified below:

EDUCATION NOTICE.

AN Examination will be held early in April 1847, in the College of Fort William, for the purpose of filling up existing vacancies in the Secondary or Military Class of the Medical College. All candidates will be expected to possess an adequate knowledge of the Hindoostanee language, to enable them to read and write it in the Persian or Devanagri character.

2. All Interpreters of Regiments and Battalions will be requested through the Military Department, not to grant certificates of qualification to any candidate under the age of fifteen and above that of twenty years: and likewise to reject all who may not pass the prescribed ordeal with a sufficient degree of fluency and facility. Much disappointment, expense and inconvenience have already been experienced by lads from distant stations being furnished with certificates, who were

found on examination quite unqualified for admission, and it is with a view to prevent the recurrence of this that the above measure has been adopted.

3. Candidates for admission will be required to present themselves before the Secretary to the Medical College, at least three days prior to the day of examination, in order that a proper descriptive roll may be prepared, for transmission to the examiners of the College of Fort William.

4. The preference in selection, attainments being equal, will be given to those who have already been attached to, or served in civil or regimental hospitals.

5. No candidate will be allowed to present himself for examination who cannot produce a written testimonial of his conduct and character, or afford satisfactory evidence as to who and what he may be. A few individuals of decidedly bad character have upon recent occasions managed to obtain admittance, it is supposed by producing false papers; the strictest care and scrutiny will, therefore, be exercised in examining the credentials of all future candidates.

6. All pupils must, as a condition of their appointment, reside within the college premises at all times, and never be absent from morning and evening muster without special leave.

7. All students in the Military Class are amenable to the Articles of War, and regularly enlisted as Soldiers.

8. No candidate will be admitted to the school who is physically unfit for the duties of a soldier.

By order of the Hon'ble the President and Council of Education,

FRED. J. MOUAT, M. D.,
Secretary.

GOVERNMENT TEA PLANTATIONS IN ASSAM.

In consequence of the operations of the Government Experimental Tea Culture in Assam being about to be brought to a close, as notified in the Government Gazette No. 26, of the 1st April 1846, Tenders will be received at this Office for the purchase of the undermentioned Government Tea Barrees, together with Buildings, Manufacturing Implements, Tools, Stores, &c., attached thereto.

These Barrees have abundance of land fit for the growth of the Tea Plant in the vicinity, and admit of being greatly extended; they are situated within about 16 miles of the Sudder Station of the District, Dibroo Ghur, where there is a small temporary Bungalow belonging to the Concern. A good Road is now in progress through Muttuck, which will pass within a few hundred yards of the Dinjoy Barree, and this Road will be completed in the course of next cold season: the accompanying Sketch* will show the relative position of the Barrees.

To persons desirous of engaging in the Cultivation of Sugar Cane, in conjunction with that of the Tea Plant, these Barrees would be found particularly advantageous, as there is much fine fresh land in the vicinity of Dinjoy and Chubwa, well suited for the growth of the Cane, and which may be rented, to the extent required, from time to time, for cultivation: the present rent of such land, when actually taken up, being only 8 annas per poora.

With the Establishment at present attached to the Barrees, the purchaser would have to make his own arrangements; the Members, generally, are well acquainted with the process of the preparation of the Tea, in all its branches, and, if well superintended, would be equal to the duties of a greatly extended concern.

2d.—The Opium will be ordinarily offered for Sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price: Except under the circumstances for which provision is made by Clause the 12th of the Conditions of Sale.

3d.—The Sale shall commence at the hour of 11 A. M., and shall not be continued after the hour of 5 P. M; but if at that hour any of the lots advertized for Sale shall remain unsold, the Sale may at the discretion of the Board of Customs, Salt and Opium, be resumed on the next day following (not being Sunday or a public Holiday) at the hour of 11 A. M., and so on until the whole of the remaining lots are disposed of; or, if the quantity of 2,405 Chests shall not be sold on the day advertized, the Board may dispose of the Lots which remain on hand at a future Sale.

4th.—Each Lot to contain Five Chests.

5th.—A deposit in a Promissory Note for 25 per Cent. even money of the amount for which each lot is knocked down shall be made by the purchaser in the Sale Room, and before the lot is Registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the purchasers at this Office, by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'Clock of the afternoon of Wednesday, the 24th of February 1847; or on the other hand, failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid, shall have been delivered in, shall be re-sold at such time or times, and under such conditions of re-sale as the Board of Customs, Salt and Opium, shall see fit, and all losses and expences whatsoever attending such re-sale, shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6th.—The Promissory Notes taken on the day of Sale, under the last mentioned Condition, if remaining unredeemed on the said 24th February 1847, will be placed in the hands of the Attorney to the Hon'ble Company for realization in such manner as to him shall seem fit.

10th.—No Sub-Treasurer's Receipts, or Deposit of Public Securities, under the Fifth of the present Conditions, will be received in this Office, except from the party recorded as the purchaser in the Sale Book, or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such purchaser, and the Securities so deposited will be returned when clearance has been made by the said purchaser or his order.

11th.—The Officer Superintending the Sale on the part of the Board of Customs, Salt and Opium, is empowered to reject at his discretion the bid of any individual, unless such individual shall, on demand, tender at the time, a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent. even money of the amount so bid.

12th.—With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified that the Officer of Government Superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first bonâ fide bidder for a lot, after it has been offered for Sale in the mode here described, shall be held and declared to be the purchaser of the said lot, and the Officer of Government Superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper; provided always, that no lot shall be sold below the minimum price of 400 Rupees, specified in the 2d Clause of these Conditions.

13th.—The purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of twenty-five lots, and for the lots so purchased, the purchaser shall deposit for each lot 25 per Cent. even money of the amount bid by him for the first lot, and pay the same price per chest as that for which he purchased his first lot; provided always, that there remain a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14th.—In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

15th.—The following Papers, together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date, by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 1—Certificate of the Opium now advertized for Sale.

No. 2—Report of the Examination of such Opium.

16th.—The Public are hereby informed, that in providing the investment of the Behar and Benares Opium for the years 1845-46, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the Drug when packed at Behar and Benares, and a statement of the average weight of six chests from each dispatch at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium, and further that four chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the purchasers on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th.—Any further information respecting weight or quality of the Opium advertised for sale, that may be desired by parties connected with the Trade will, as heretofore, be furnished to them on application at the Office of the Board of Customs, Salt and Opium; but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the drug, which may be preferred in reference to chests after the sale and delivery of the Opium for shipment.

18th.—The Public are hereby informed, that in addition to the quantity above mentioned, the following quantities more or less of Behar and Benares Opium of 1845-46, will be brought to sale in the present season on or about the dates specified below:

Produce of Behar Agency, ...	Chests	1,690
Ditto of Benares ditto,.....	„	715
Total Chests,...		2,405

CONDITIONS OF SALE

1st.—The Opium will be sold for Exportation by Sea only, and no Certificate will be granted except to cover such Export.

2d.—The Opium will be ordinarily offered for Sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price: Except under the circumstances for which provision is made by Clause the 12th of the Conditions of Sale.

3d.—The Sale shall commence at the hour of 11 A. M., and shall not be continued after the hour of 5 P. M; but if at that hour any of the lots advertized for Sale shall remain unsold, the Sale may at the discretion of the Board of Customs, Salt and Opium, be resumed on the next day following (not being Sunday or a public Holiday) at the hour of 11 A. M., and so on until the whole of the remaining lots are disposed of; or, if the quantity of 2,405 Chests shall not be sold on the day advertized, the Board may dispose of the Lots which remain on hand at a future Sale.

4th.—Each Lot to contain Five Chests.

5th.—A deposit in a Promissory Note for 25 per Cent. even money of the amount for which each lot is knocked down shall be made by the purchaser in the Sale Room, and before the lot is Registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the purchasers at this Office, by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'Clock of the afternoon of Wednesday, the 24th of February 1847; or on the other hand, failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid, shall have been delivered in, shall be re-sold at such time or times, and under such conditions of re-sale as the Board of Customs, Salt and Opium, shall see fit, and all losses and expences whatsoever attending such re-sale, shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6th.—The Promissory Notes taken on the day of Sale, under the last mentioned Condition, if remaining unredeemed on the said 24th February 1847, will be placed in the hands of the Attorney to the Hon'ble Company for realization in such manner as to him shall seem fit.

7th.—No Tender of Money, Sub-Treasurer's Receipts or Public Securities, on account of Opium, upon which the prescribed deposit may not have been made before 4 o'Clock of the 24th February 1847, will be afterwards accepted.

8th.—The Opium now advertised for Sale shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt

will be accepted in payment after 4 P. M. of Tuesday the 9th of March 1847, and in case any ots of such Opium shall not be so paid for, and adjusted, then the cash deposit of 25 per Cent. even money of the amount for which each lot is knocked down, or any Public Securities that may have been deposited on account of such lots or chests, shall be forfeited, and the Opium be disposed of on account of Government at such time and in such manner as the Board of Customs, Salt and Opium, shall think fit, and the first purchaser shall be required to make good any loss or difference of price between that obtained at the re-sale, and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9th.—Purchasers taking out Certificates or Orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase, which they may desire to be included in each Certificate or Order, and it is to be clearly understood, that the Certificates or Orders so taken out shall be considered final and not afterwards changeable for other Certificates or Orders authorizing the delivery of single lots, or of a different number of lots or chests, whether more or less than the number of lots or chests originally required to be included in each Certificate or Order.

10th.—No Sub-Treasurer's Receipts, or Deposit of Public Securities, under the Fifth of the present Conditions, will be received in this Office, except from the party recorded as the purchaser in the Sale Book, or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such purchaser, and the Securities so deposited will be returned when clearance has been made by the said purchaser or his order.

11th.—The Officer Superintending the Sale on the part of the Board of Customs, Salt and Opium, is empowered to reject at his discretion the bid of any individual, unless such individual shall, on demand, tender at the time, a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent. even money of the amount so bid.

12th.—With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified that the Officer of Government Superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first bonâ fide bidder for a lot, after it has been offered for Sale in the mode here described, shall be held and declared to be the purchaser of the said lot, and the Officer of Government Superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper; provided always, that no lot shall be sold below the minimum price of 400 Rupees, specified in the 2d Clause of these Conditions.

13th.—The purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of twenty-five lots, and for the lots so purchased, the purchaser shall deposit for each lot 25 per Cent. even money of the amount bid by him for the first lot, and pay the same price per chest as that for which he purchased his first lot; provided always, that there remain a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14th.—In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

15th.—The following Papers, together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date, by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 1—Certificate of the Opium now advertized for Sale.

No. 2—Report of the Examination of such Opium.

16th.—The Public are hereby informed, that in providing the investment of the Behar and Benares Opium for the years 1845-46, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the Drug when packed at Behar and Benares, and a statement of the average weight of six chests from each dispatch at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium, and further that four chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the purchasers on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th.—Any further information respecting weight or quality of the Opium advertised for sale, that may be desired by parties connected with the Trade will, as heretofore, be furnished to them on application at the Office of the Board of Customs, Salt and Opium; but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the drug, which may be preferred in reference to chests after the sale and delivery of the Opium for shipment.

18th.—The Public are hereby informed, that in addition to the quantity above mentioned, the following quantities more or less of Behar and Benares Opium of 1845-46, will be brought to sale in the present season on or about the dates specified below:

GOVERNMENT TEA PLANTATIONS IN ASSAM.

In consequence of the operations of the Government Experimental Tea Culture in Assam being about to be brought to a close, as notified in the Government Gazette No. 26, of the 1st April 1846, Tenders will be received at this Office for the purchase of the undermentioned Government Tea Barrees, together with Buildings, Manufacturing Implements, Tools, Stores, &c., attached thereto.

These Barrees have abundance of land fit for the growth of the Tea Plant in the vicinity, and admit of being greatly extended; they are situated within about 16 miles of the Sudder Station of the District, Dibroo Ghur, where there is a small temporary Bungalow belonging to the Concern. A good Road is now in progress through Muttuck, which will pass within a few hundred yards of the Dinjoy Barree, and this Road will be completed in the course of next cold season: the accompanying Sketch* will show the relative position of the Barrees.

To persons desirous of engaging in the Cultivation of Sugar Cane, in conjunction with that of the Tea Plant, these Barrees would be found particularly advantageous, as there is much fine fresh land in the vicinity of Dinjoy and Chubwa, well suited for the growth of the Cane, and which may be rented, to the extent required, from time to time, for cultivation: the present rent of such land, when actually taken up, being only 8 annas per poora.

With the Establishment at present attached to the Barrees, the purchaser would have to make his own arrangements; the Members, generally, are well acquainted with the process of the preparation of the Tea, in all its branches, and, if well superintended, would be equal to the duties of a greatly extended concern.

NOTIFICATIONS.—W. Ford, Esquire, is appointed to officiate as Deputy Commissioner 1st Class, Cis Sutlej States, from the 29th December, until further orders.

No. 282.

On the assumption by the British Government of possession of the confiscated Territories on the left bank of the Sutlege, and of the transferred districts on the right bank of that River heretofore in the occupation of the Government of Lahore, all Transit and Town Duties were abolished throughout those Territories.

Subsequently the Town Duties heretofore levied in some of our own Towns on the Frontier were remitted, and measures were taken for the simultaneous abolition of Transit Duties in such of the Protected Sikh States, as had, by their conduct in the operations of 1845-46, rendered themselves liable to penal consequences.

Those of the Protected Chiefs who had by their good conduct entitled themselves to the consideration of the British Government, were invited by the Governor General to relinquish their Transit Duties, receiving from the British Government in money or by grants of land, a fair equivalent for their average collections.

At the head of these Chiefs is Maharaja Nurendra Sing Muhindra Bahadoor, the Chief of Patteeala. This Chief immediately responded to the communication of the wishes of the Governor General made to him by the Political Agent, by totally abolishing throughout his districts the levy of Transit and Town Duties of every description, and in the most liberal and honorable terms declined to receive from the British Government an equivalent for what His Highness himself designates a measure for the public good, and calculated to promote the interests of his own subjects in common with those of the surrounding States.

The Governor General has much gratification in publishing annexed to this Notification, the correspondence which has passed with the Political Agent in this question, so highly creditable to the character of Maharaja Nurendra Sing Muhindra Bahadoor.

The Governor General hereby announces that the levy of Transit Duties has been abolished throughout all the Territories, Hill and Plain, within the great Customs line described in the Notification by the Hon'ble the Lieutenant Governor, dated 28th October 1846.

No. 18 of 1847.

From Major F. Mackeson, C. B.,
Commr. and Supdt. Cis Sutlej Territories,
To F. Currie, Esquire,
Secy. to the Govt. of India, with the
Govr. General.

SIR,—I have the honor to forward a Khureeta with abstract translation in English, from the Maharaja of Puttiala, to the address of His Lordship the Governor General of India, to the effect that it having been intimated to H. H. by me that it was the wish of His Lordship the Governor General that he should abolish all Transit Duties throughout his Territories, on the understanding that in consideration of his recent and former services and attachment to the British Government he was to receive an equivalent in lieu thereof, he had on receipt of the intimation from me given his consent at once to the measure, and ordered all his Customs posts to be removed.

That His Highness cannot sufficiently express his gratitude for this intended liberality on the part of the British Government, at the same time as he has long enjoyed great benefits from the friendship and protection of the British Government, and hopes for still greater benefits from a continuance and increase of its favor, he declines to receive any return in money or territory for his Customs Duties, which he has of his own free will relinquished without equivalent.

I have, &c.,
(Sd.) F. MACKESON,
Commr. and Superintdt.

Commr. and Supdt's. Office,
Camp Puttiala,
5th January, 1847.

Translation of a Khurreeta from the Maharaja of Puttiala to the Right Hon'ble Viscount Hardinge, G. C. B., Governor General of India, dated 5th February 1847.

After Compliments.—Since the establishment of the British Authority in this Country, my predecessors and myself have ever heartily endeavoured to evince our sincere attachment and devotion towards the British Government, consi-

dering that upon our loyalty our present and future prosperity solely depended.

The Customs and Duties in the British Territories have been abolished for the public benefit under your Lordship's orders. Major Mackeson, Commissioner and Superintendent of the Cis Sutlej Territories, has now addressed me a kind Letter, intimating the abolition of the Duties—and expressing a wish that I should also abolish the levy of Transit Duties in my Territories, and further stating that your Lordship highly approves of my services hitherto to the British Government, and is desirous of assigning to me an amount equivalent to the Duties hitherto levied in my State.

I feel very thankful for your Lordship's generous intention to confer upon me so great a favor. I have now to inform your Lordship that I have, of my own free will and without loss of time, abolished all the Customs and Transit Duties in my State.

As I look up to your Lordship as the source of my welfare and prosperity, I do not consider that it would be becoming in me to receive a Money or Territorial equivalent for the Duties thus relinquished by me.

It is enough for me to know that the course I have pursued will ensure me your Lordship's approbation, in which my happiness and prosperity consists.

I trust your Lordship will consider me as one of your sincerely attached Dependants, and that you will continue to honor me from time to time with communications of your health and prosperity.

No. 58.

From the Secretary to the Government of India, with the Governor General,

To Major F. Mackeson, C. B., Commissioner and Superintendent Cis Sutlej States.

Dated Camp Puttiala, 5th February 1847.

Sir,

Foreign Deptt. I am directed to acknowledge the receipt of your Despatch dated this day, transmitting a Khurreetah to the address of the Right Hon'ble the Governor General from the Maharajah of Puttiala, intimating that His Highness has abolished the Customs and Transit Duties heretofore levied within his Territories, and that His Highness does not wish to receive an equivalent either in Money or in Land from the British Government.

2. I am desired to forward to you for presentation to the Maharajah the accompanying Khurreetah, abstract translation of which is enclosed—in which the Governor General has expressed to His Highness his high sense of the wise and liberal conduct evinced by him on this occasion.

3. The Governor General has, I am desired to state, in order to mark his approbation of the course which has been followed by the Maharajah, determined to confer upon His Highness in perpetuity an additional portion of the confiscated Lahore Territory to the value of 10,000 Rupees per annum—to increase his Salute to 17 Guns, and the number of the Trays of his Khillut from 21, the number His Highness has hitherto received on occasions of his presentation to the Governor General, to 41.

4. You are requested to lose no fitting opportunity of applauding the Maharajah's conduct to the other Protected Chiefs in your jurisdiction, and recommending them to intimate His Highness in his fidelity and liberal policy.

5. You will inform the Maharajah that this instance of His Highness' liberality will be notified for general information in the Gazette in English and in Oordoo.

I have, &c.,

(Signed) F. Currie,

Secy. to the Govt. of India, with the Governor General.

Camp Puttiala,
The 5th February 1847.

Translation of a Khurreeta from the Right Hon'ble the Governor General to the Maharaja of Patialah, dated 5th February, 1847.

The announcement contained in your Highness' friendly letter that you have abolished all Customs and Transit Duties hitherto levied within your Highness' dominions, and that your Highness desires that this measure should be considered as a voluntary relinquishment on your part of a part of your Revenues for the public benefit—for which your Highness wishes to receive no equivalent from the British Government—has been to me a source of sincere gratification.

I have hitherto always considered your Highness as the faithful and attached friend of the British Government, and it has been my endeavour to prove to your Highness by substantial marks of my approbation, how much I esteem the friendly feelings evinced by you, it is therefore peculiarly gratifying to me to have this additional proof of your Highness' sincere desire on all occasions to merit the approbation and esteem of the British Government.

I rejoice to see your Highness standing forward among your cotemporaries as a wise and liberal ruler—the first among the Princes of Hindoostan—to follow the example of the British Government by sacrificing a present and apparent gain for future permanent good, for the welfare of your Highness' subjects, and for the advancement of the interests of commerce.

It is my intention to make known by a public Notification in the Calcutta Gazette, your Highness' enlightened conduct by which you have proved yourself to possess the qualifications of a wise and beneficent ruler, in order that the Princes and Chiefs of Hindoostan may be incited to follow your Highness' example.

It is no small honour to be proclaimed to one's cotemporaries, and handed down to posterity as the first of the age who has been wise and farseeing enough to reject what has been always considered a highly prized right, and to stand forth as the Assertor of a more enlarged and liberal policy.

It is however my intention to mark more substantially the high sense entertained by the British Government of your Highness' conduct on this occasion, and besides having directed lands to a certain extent to be made over to your Highness in perpetuity, I have determined to exalt your rank among cotemporary Princes, by adding to those ceremonies by which the British Governvernment marks its recognition of the rank and dignity of the Princes of India.

It is my earnest wish that your Highness may long live to extend to your subjects the blessing of good Government, and to your cotemporaries the advantage of your generous example. I feel

confident that however long your life may be spared you will steadily persevere in that liberal course of policy which in your youth and in the commencement of your rule, you have had the wisdom to adopt.

I am confident that my successors in this Government will continue to regard your Highness with that esteem and respect which I myself entertain for you, and that you and your successors will be ever maintained in that position of dignity and honour in which your own friendly and attached conduct in time of disturbances on the Frontier, and your enlightened policy in time of peace, have placed the Raj you preside over among the Principalities of India.

(Signed) HARDINGE.

No. 322.

Camp Neesung, Foreign Department, the 12th February, 1847.

In reference to the Notification dated 5th February, No. 282, the Governor General has much satisfaction in publishing the annexed correspondence between Rajah Suroop Sing, the Rajah of Jheend, and himself, relative to the abolition by that Chief of the Transit Duties and Customs within his Territory.

Translation of a letter from the Rajah of Jheend to the Right Hon'ble the Governor General.

After Compliments.—A short time ago, I received a letter from Major Mackeson, dated 15th January, requesting me to abolish the Transit Duties in my Territory, and to receive an equivalent in money in lieu thereof.

On receipt of the letter, considering the measure as advantageous to my present and future interests, and that it would obtain for me your Lordship's approbation, I at once ordered the discontinuance of all Transit Duties levied throughout my Territory. Of a truth the voice of the whole population of this country, both rich and poor, is raised in praise of this beneficent measure of your Lordship's Government, and in prayer for your Lordship's continued prosperity. More especially is it the wish of me, your sincere well-wisher, that the Ruler of the Universe may long preserve you to rule over regions extending from East to West with this spirit of justice and liberality, and that the shadow of your protection may continue to be extended over me. As I, like my ancestors before me, have been long known for my firm attachment to the British Government, and have long enjoyed the benefits of its protection and favor, I hope that I may be excused from taking any equivalent for the Transit Duties that I have voluntarily relinquished. The satisfaction of meeting your Lordship's wishes and of obtaining your approbation is the sole object of my desire, and is esteemed by me as the greatest benefit I can receive either now or hereafter.

Translation of a letter from the Right Hon'ble the Governor General to the Rajah of Jheend.

After Compliments.—I have received your friendly letter, and understood its contents. It affords me much satisfaction to convey to you the expression of the sincere gratification with which I have learnt that you have abolished all the Customs and Transit Duties hitherto levied within your Territory.

The determination which you have thus adopted in a wise and generous spirit, shews that you have the real welfare of your people at heart, and

that you are willing to make present sacrifices for the object of advancing their interests and those of Trade.

The Commissioner will communicate to you the marks of my approbation which I have determined to confer upon you. It is my intention to notify in the Gazette your liberal and patriotic conduct as an incitement to other Chiefs to follow your example.

Produce of Behar Agency, ...	Chests	1,690
Ditto of Benares ditto, ...	„	715
Total Chests,...		2,405

CONDITIONS OF SALE.

1st.—The Opium will be sold for Exportation by Sea only, and no Certificate will be granted except to cover such Export.

2d —The Opium will be ordinarily offered for Sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price: Except under the circumstances for which provision is made by Clause the 12th of the Conditions of Sale.

3d.—The Sale shall commence at the hour of 11 A M, and shall not be continued after the hour of 5 P. M; but if at that hour any of the lots advertized for Sale shall remain unsold, the Sale may at the discretion of the Board of Customs, Salt and Opium, be resumed on the next day following (not being Sunday or a public Holiday) at the hour of 11 A. M., and so on until the whole of the remaining lots are disposed of; or, if the quantity of 2,405 Chests shall not be sold on the day advertized, the Board may dispose of the Lots which remain on hand at a future Sale.

4th.—Each Lot to contain Five Chests.

5th —A deposit in a Promissory Note for 25 per Cent. even money of the amount for which each lot is knocked down shall be made by the purchaser in the Sale Room, and before the lot is Registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the purchasers at this Office, by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'Clock of the afternoon of Wednesday, the 24th of February 1847; or on the other hand, failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid, shall have been delivered in, shall be re-sold at such time or times, and under such conditions of re-sale as the Board of Customs, Salt and Opium, shall see fit, and all losses and expences whatsoever attending such re-sale, shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6th.—The Promissory Notes taken on the day of Sale, under the last mentioned Condition, if remaining unredeemed on the said 24th February 1847, will be placed in the hands of the Attorney to the Hon'ble Company for realization in such manner as to him shall seem fit.

7th.—No Tender of Money, Sub-Treasurer's Receipts or Public Securities, on account of Opium, upon which the prescribed deposit may not have been made before 4 o'Clock of the 24th February 1847, will be afterwards accepted.

8th.—The Opium now advertised for Sale shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt

will be accepted in payment after 4 P. M. of Tuesday the 9th of March 1847, and in case any ots of such Opium shall not be so paid for, and adjusted, then the cash deposit of 25 per Cent. even money of the amount for which each lot is knocked down, or any Public Securities that may have been deposited on account of such lots or chests, shall be forfeited, and the Opium be disposed of on account of Government at such time and in such manner as the Board of Customs, Salt and Opium, shall think fit, and the first purchaser shall be required to make good any loss or difference of price between that obtained at the re-sale, and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9th.—Purchasers taking out Certificates or Orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase, which they may desire to be included in each Certificate or Order, and it is to be clearly understood, that the Certificates or Orders so taken out shall be considered final and not afterwards changeable for other Certificates or Orders authorizing the delivery of single lots, or of a different number of lots or chests, whether more or less than the number of lots or chests originally required to be included in each Certificate or Order.

10th.—No Sub-Treasurer's Receipts, or Deposit of Public Securities, under the Fifth of the present Conditions, will be received in this Office, except from the party recorded as the purchaser in the Sale Book, or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such purchaser, and the Securities so deposited will be returned when clearance has been made by the said purchaser or his order.

11th.—The Officer Superintending the Sale on the part of the Board of Customs, Salt and Opium, is empowered to reject at his discretion the bid of any individual, unless such individual shall, on demand, tender at the time, a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent. even money of the amount so bid.

12th.—With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified that the Officer of Government Superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first bonâ fide bidder for a lot, after it has been offered for Sale in the mode here described, shall be held and declared to be the purchaser of the said lot, and the Officer of Government Superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper; provided always, that no lot shall be sold below the minimum price of 400 Rupees, specified in the 2d Clause of these Conditions.

13th.—The purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of twenty-five lots, and for the lots so purchased, the purchaser shall deposit for each lot 25 per Cent. even money of the amount bid by him for the first lot, and pay the same price per chest as that for which he purchased his first lot; provided always, that there remain a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14th.—In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

15th.—The following Papers, together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date, by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 1—Certificate of the Opium now advertized for Sale.

No. 2—Report of the Examination of such Opium.

16th.—The Public are hereby informed, that in providing the investment of the Behar and Benares Opium for the years 1845-46, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the Drug when packed at Behar and Benares, and a statement of the average weight of six chests from each dispatch at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium, and further that four chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the purchasers on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th.—Any further information respecting weight or quality of the Opium advertised for sale, that may be desired by parties connected with the Trade will, as heretofore, be furnished to them on application at the Office of the Board of Customs, Salt and Opium; but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the drug, which may be preferred in reference to chests after the sale and delivery of the Opium for shipment.

EDUCATION NOTICE.

AN Examination will be held early in April 1847, in the College of Fort William, for the purpose of filling up existing vacancies in the Secondary or Military Class of the Medical College. All candidates will be expected to possess an adequate knowledge of the Hindoostanee language, to enable them to read and write it in the Persian or Devanagri character.

2. All Interpreters of Regiments and Battalions will be requested through the Military Department, not to grant certificates of qualification to any candidate under the age of fifteen and above that of twenty years: and likewise to reject all who may not pass the prescribed ordeal with a sufficient degree of fluency and facility. Much disappointment, expense and inconvenience have already been experienced by lads from distant stations being furnished with certificates, who were found on examination quite unqualified for admission, and it is with a view to prevent the recurrence of this that the above measure has been adopted.

3. Candidates for admission will be required to present themselves before the Secretary to the Medical College, at least three days prior to the day of examination, in order that a proper descriptive roll may be prepared, for transmission to the examiners of the College of Fort William.

4. The preference in selection, attainments being equal, will be given to those who have already been attached to, or served in civil or regimental hospitals.

5. No candidate will be allowed to present himself for examination who cannot produce a written testimonial of his conduct and character, or afford satisfactory evidence as to who and what he may be. A few individuals of decidedly bad character have upon recent occasions managed to obtain admittance, it is supposed by producing false papers; the strictest care and scrutiny will, therefore, be exercised in examining the credentials of all future candidates.

6. All pupils must, as a condition of their appointment, reside within the college premises at all times, and never be absent from morning and evening muster without special leave.

7. All students in the Military Class are amenable to the Articles of War, and regularly enlisted as Soldiers.

8. No candidate will be admitted to the school who is physically unfit for the duties of a soldier.

By order of the Hon'ble the President and Council of Education,

FRED. J. MOUAT, M. D.,
Secretary.

Fort William, January 26, 1847.

NOTICE is hereby given, that Sealed Tenders of Contract, superscribed on the Envelope, "Tenders for the supply of Rum," will be received by the Joint Deputy Commissary General, Fort William, on or before the 15th day of March, for the annual supply at the Presidency, of from thirty to forty thousand Imperial Gallons of Rum, as may be required by the Commissariat during the term of one, two, or three years, as may be accepted from the 1st day of May 1847.

The Rum to be manufactured after the European method, and to be delivered on the terms of the contract, at the Commissariat Stores in Fort William, free of all other charges whatever, in quantities of 7,500 or 10,000 Gallons at a time, in the months of February, May, August, and November of each year. The first delivery to be made in August 1847. Casks will be found by the Commissariat.

The Rum to be pure and merchantable, made from Sugar Cane Molasses only, and at the time of delivery of the age at the least of three months, to be equal in quality, strength and proof to what commonly called London proof, such quality proof or strength to be ascertained and decided upon by the Joint Deputy Commissary General, the Commissariat Officer in charge at Fort William, or by such other persons as may be duly authorized in manner to be hereafter agreed upon.

The Tenders to be accompanied by a written document, signed by two persons of credibility and competency, acknowledging themselves, if the terms be accepted, willing to become responsible by Deed, for the due performance of the Contractor's engagements. The value or cost of the Rum delivered into the Commissariat Stores will be paid for, on the same being surveyed and approved.

* *Extract from Letter from the Hon'ble the Court of Directors to the Government of Fort Saint George, dated 20th November 1845, No.* 103.

59. It may in consequence be necessary that you should issue an explanatory General Order specifying in clear and distinct terms that by the constitution of their Offices Pay Masters are primarily and eventually responsible to Government for every payment which they make, that every charge in their accounts, not authorized by regulations or special orders will, accordingly, be retrenched, as against the Pay Master who disbursed it; that nevertheless, except in cases where a contrary course may be determined upon, the assistance of Government will be given in the recovery of the amount from the Drawing or Receiving Officer, but that if, from whatever cause the recovery by, or on behalf of the Pay Master is found impracticable, or is likely to be delayed for a protracted period the recovery of the amount on behalf of Government shall be at once enforced from the Pay Master who disbursed it.

EDUCATION NOTICE.

AN Examination will be held early in April 1847, in the College of Fort William, for the purpose of filling up existing vacancies in the Secondary or Military Class of the Medical College. All candidates will be expected to possess an adequate knowledge of the Hindoostanee language, to enable them to read and write it in the Persian or Devanagri character.

2. All Interpreters of Regiments and Battalions will be requested through the Military Department, not to grant certificates of qualification to any candidate under the age of fifteen and above that of twenty years: and likewise to reject all who may not pass the prescribed ordeal with a sufficient degree of fluency and facility. Much disappointment, expense and inconvenience have already been experienced by lads from distant stations being furnished with certificates, who were found on examination quite unqualified for admission, and it is with a view to prevent the recurrence of this that the above measure has been adopted.

3. Candidates for admission will be required to present themselves before the Secretary to the Medical College, at least three days prior to the day of examination, in order that a proper descriptive roll may be prepared, for transmission to the examiners of the College of Fort William.

4. The preference in selection, attainments being equal, will be given to those who have already been attached to, or served in civil or regimental hospitals.

5. No candidate will be allowed to present himself for examination who cannot produce a written testimonial of his conduct and character, or afford satisfactory evidence as to who and what he may be. A few individuals of decidedly bad character have upon recent occasions managed to obtain admittance, it is supposed by producing false papers; the strictest care and scrutiny will, therefore, be exercised in examining the credentials of all future candidates.

6. All pupils must, as a condition of their appointment, reside within the college premises at all times, and never be absent from morning and evening muster without special leave.

7. All students in the Military Class are amenable to the Articles of War, and regularly enlisted as Soldiers.

GOVERNMENT TEA PLANTATIONS IN ASSAM.

In consequence of the operations of the Government Experimental Tea Culture in Assam being about to be brought to a close, as notified in the Government Gazette No. 26, of the 1st April 1846, Tenders will be received at this Office for the purchase of the undermentioned Government Tea Barrees, together with Buildings, Manufacturing Implements, Tools, Stores, &c., attached thereto.

These Barrees have abundance of land fit for the growth of the Tea Plant in the vicinity, and admit of being greatly extended; they are situated within about 16 miles of the Sudder Station of the District, Dibroo Ghur, where there is a small temporary Bungalow belonging to the Concern. A good Road is now in progress through Muttuck, which will pass within a few hundred yards of the Dinjoy Barree, and this Road will be completed in the course of next cold season: the accompanying Sketch* will show the relative position of the Barrees.

To persons desirous of engaging in the Cultivation of Sugar Cane, in conjunction with that of the Tea Plant, these Barrees would be found particularly advantageous, as there is much fine fresh land in the vicinity of Dinjoy and Chubwa, well suited for the growth of the Cane, and which may be rented, to the extent required, from time to time, for cultivation: the present rent of such land, when actually taken up, being only 8 annas per poora.

With the Establishment at present attached to the Barrees, the purchaser would have to make his own arrangements; the Members, generally, are well acquainted with the process of the preparation of the Tea, in all its branches, and, if well superintended, would be equal to the duties of a greatly extended concern.

Council of Education, March 3d, 1847.

EDUCATION NOTICE.

AN Examination will be held early in April 1847, in the College of Fort William, for the purpose of filling up existing vacancies in the Secondary or Military Class of the Medical College. All candidates will be expected to possess an adequate knowledge of the Hindoostanee language, to enable them to read and write it in the Persian or Devanagri character.

2. All Interpreters of Regiments and Battalions will be requested through the Military Department, not to grant certificates of qualification to any candidate under the age of fifteen and above that of twenty years: and likewise to reject all who may not pass the prescribed ordeal with a sufficient degree of fluency and facility. Much disappointment, expense and inconvenience have already been experienced by lads from distant stations being furnished with certificates, who were found on examination quite unqualified for admission, and it is with a view to prevent the recurrence of this that the above measure has been adopted.

3. Candidates for admission will be required to present themselves before the Secretary to the Medical College, at least three days prior to the day of examination, in order that a proper descriptive roll may be prepared, for transmission to the examiners of the College of Fort William.

4. The preference in selection, attainments being equal, will be given to those who have already been attached to, or served in civil or regimental hospitals.

5. No candidate will be allowed to present himself for examination who cannot produce a written testimonial of his conduct and character, or afford satisfactory evidence as to who and what he may be. A few individuals of decidedly bad character have upon recent occasions managed to obtain admittance, it is supposed by producing false papers; the strictest care and scrutiny will, therefore, be exercised in examining the credentials of all future candidates.

6. All pupils must, as a condition of their appointment, reside within the college premises at all times, and never be absent from morning and evening muster without special leave.

7. All students in the Military Class are amenable to the Articles of War, and regularly enlisted as Soldiers.

8. No candidate will be admitted to the school who is physically unfit for the duties of a soldier.

By order of the Hon'ble the President and Council of Education,

FRED. J. MOUAT, M. D.,
Secretary.

Fort William, January 26, 1847.

NOTIFICATION.—The following arrangements in regard to the submission of Indents for Stationery, having been approved by the Hon'ble the Deputy Governor, are to be observed in future.

1st. All public Officers stationed above Allahabad, who may be entitled to receive supplies of Stationery from the public Stores, are requested to send their Annual Indents to the Stationery Office, on the 1st July of each year, and those below that station on the 1st of October, so as to admit of the supplies reaching their destination by the commencement of the succeeding year.

2d. The Indents should shew the Balance in hand at those dates respectively.

GOVERNMENT TEA PLANTATIONS IN ASSAM.

In consequence of the operations of the Government Experimental Tea Culture in Assam being about to be brought to a close, as notified in the Government Gazette No. 26, of the 1st April 1846, Tenders will be received at this Office for the purchase of the undermentioned Government Tea Barrees, together with Buildings, Manufacturing Implements, Tools, Stores, &c., attached thereto.

These Barrees have abundance of land fit for the growth of the Tea Plant in the vicinity, and admit of being greatly extended; they are situated within about 16 miles of the Sudder Station of the District, Dibroo Ghur, where there is a small temporary Bungalow belonging to the Concern. A good Road is now in progress through Muttuck, which will pass within a few hundred yards of the Dinjoy Barree, and this Road will be completed in the course of next cold season: the accompanying Sketch* will show the relative position of the Barrees.

To persons desirous of engaging in the Cultivation of Sugar Cane, in conjunction with that of the Tea Plant, these Barrees would be found particularly advantageous, as there is much fine fresh land in the vicinity of Dinjoy and Chubwa, well suited for the growth of the Cane, and which may be rented, to the extent required, from time to time, for cultivation: the present rent of such land, when actually taken up, being only 8 annas per poora.

With the Establishment at present attached to the Barrees, the purchaser would have to make his own arrangements; the Members, generally, are well acquainted with the process of the preparation of the Tea, in all its branches, and, if well superintended, would be equal to the duties of a greatly extended concern.

Produce of Behar Agency, ...	Chests	1,690
Ditto of Benares ditto,.....	„	715
Total Chests,...		2,405

CONDITIONS OF SALE.

1st.—The Opium will be sold for Exportation by Sea only, and no Certificate will be granted except to cover such Export.

2d.—The Opium will be ordinarily offered for Sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price:

except under the circumstances for which provision is made by Clause the 12th of the Conditions of Sale.

3d.—The Sale shall commence at the hour of 11 A. M, and shall not be continued after the hour of 5 P. M; but if at that hour any of the lots advertized for Sale shall remain unsold, the Sale may at the discretion of the Board of Customs, Salt and Opium, be resumed on the next day following (not being Sunday or a public Holiday) at the hour of 11 A. M., and so on until the whole of the remaining lots are disposed of; or, if the quantity of 2,405 Chests shall not be sold on the day advertized, the Board may dispose of the Lots which remain on hand at a future Sale.

4th.—Each Lot to contain Five Chests.

5th.—A deposit in a Promissory Note for 25 per Cent. even money of the amount for which each lot is knocked down shall be made by the purchaser in the Sale Room, and before the lot is Registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the Purchasers at this Office, by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'Clock of the afternoon of Wednesday, the 24th of March 1847; or on the other hand, failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid, shall have been delivered in, shall be re-sold at such time or times, and under such conditions of re-sale as the Board of Customs, Salt and Opium, shall see fit, and all losses and expences whatsoever attending such re-sale, shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6th.—The Promissory Notes taken on the day of Sale, under the last mentioned Condition, if remaining unredeemed on the said 24th March 1847, will be placed in the hands of the Attorney to the Hon'ble Company for realization in such manner as to him shall seem fit.

7th.—No Tender of Money, Sub-Treasurer's Receipts or Public Securities, on account of Opium, upon which the prescribed deposit may not have been made before 4 o'Clock of the 24th March 1847, will be afterwards accepted.

8th.—The Opium now advertised for Sale shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Tuesday the 6th of April 1847, and in case any lots of such Opium shall not be so paid for, and adjusted, then the cash deposit of 25 per Cent. even money of the amount for which each lot is knocked down, or any Public Securities that may have been deposited on account of such lots or chests, shall be forfeited, and the Opium be disposed of on account of Government at such time and in such manner as the Board of Customs, Salt and Opium, shall think fit, and the first Purchaser shall be required to make good any loss or difference of price between that obtained at the re-sale, and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9th.—Purchasers taking out Certificates or Orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase, which they may desire to be included in each Certificate or Order, and it is to be clearly understood, that the Certificates or Orders so taken out shall be considered final and not afterwards changeable for other Certificates or Orders authorizing the delivery of single lots, or of a different number of lots or chests, whether more or less than the number of lots or chests originally required to be included in each Certificate or Order.

10th.—No Sub-Treasurer's Receipts, or Deposit of Public Securities, under the fifth of the present Conditions, will be received in this Office, except from the party recorded as the Purchaser in the Sale Book, or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such Purchaser, and the Securities so deposited will be returned when clearance has been made by the said Purchaser or his order.

11th.—The Officer Superintending the Sale on the part of the Board of Customs, Salt and Opium, is empowered to reject at his discretion the bid of any individual, unless such individual shall, on demand, tender at the time, a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent. even money of the amount so bid.

12th.—With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified that the Officer of Government Superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first bonâ fide bidder for a lot, after it has been offered for Sale in the mode here described, shall be held and declared to be the Purchaser of the said lot, and the Officer of Government Superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper; provided always, that no lot shall be sold below the minimum price of 400 Rupees, specified in the 2d Clause of these Conditions.

13th.—The Purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of twenty-five lots, and for the lots so purchased, the Purchaser shall deposit for each lot 25 per Cent. even money of the amount bid by him for the first lot, and pay the same price per chest as that for which he purchased his first lot; provided always, that there remain a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14th.—In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

15th.—The following Papers, together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date, by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 1—Certificate of the Opium now advertized for Sale.

No. 2—Report of the Examination of such Opium.

16th.—The Public are hereby informed, that in providing the investment of the Behar and Benares Opium for the years 1845-46, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the Drug when packed at Behar and Benares, and a statement of the average weight of six chests from each dispatch at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium, and further that four chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the Purchasers on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th.—Any further information respecting weight or quality of the Opium advertised for sale, that may be desired by parties connected with the Trade will, as heretofore, be furnished to them on application at the Office of the Board of Customs, Salt and Opium; but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the drug, which may be preferred in reference to chests after the sale and delivery of the Opium for shipment.

18th.—The Public are hereby informed, that in addition to the quantity above mentioned, the following quantities more or less of Behar and Benares Opium of 1845-46, will be brought to sale in the present season on or about the dates specified below:

purchaser in the Sale Room, and before the lot is Registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the Purchasers at this Office, by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'Clock of the afternoon of Wednesday, the 24th of March 1847; or on the other hand, failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid, shall have been delivered in, shall be re-sold at such time or times, and under such conditions of re-sale as the Board of Customs, Salt and Opium, shall see fit, and all losses and expences whatsoever attending such re-sale, shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6th.—The Promissory Notes taken on the day of Sale, under the last mentioned Condition, if remaining unredeemed on the said 24th March 1847, will be placed in the hands of the Attorney to the Hon'ble Company for realization in such manner as to him shall seem fit.

7th.—No Tender of Money, Sub-Treasurer's Receipts or Public Securities, on account of Opium, upon which the prescribed deposit may not have been made before 4 o'Clock of the 24th March 1847, will be afterwards accepted.

8th.—The Opium now advertised for Sale shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Tuesday the 6th of April 1847, and in case any lots of such Opium shall not be so paid for, and adjusted, then the cash deposit of 25 per Cent. even money of the amount for which each lot is knocked down, or any Public Securities that may have been deposited on account of such lots or chests, shall be forfeited, and the Opium be disposed of on account of Government at such time and in such manner as the Board of Customs, Salt and Opium, shall think fit, and the first Purchaser shall be required to make good any loss or difference of price between that obtained at the re-sale, and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9th.—Purchasers taking out Certificates or Orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase, which they may desire to be included in each Certificate or Order, and it is to be clearly understood, that the Certificates or Orders so taken out shall be considered final and not afterwards changeable for other Certificates or Orders authorizing the delivery of single lots, or of a different number of lots or chests, whether more or less than the number of lots or chests originally required to be included in each Certificate or Order.

10th.—No Sub-Treasurer's Receipts, or Deposit of Public Securities, under the fifth of the present Conditions, will be received in this Office, except from the party recorded as the Purchaser in the Sale Book, or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such Purchaser, and the Securities so deposited will be returned when clearance has been made by the said Purchaser or his order.

11th.—The Officer Superintending the Sale on the part of the Board of Customs, Salt and Opium, is empowered to reject at his discretion the bid of any individual, unless such individual shall, on demand, tender at the time, a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent. even money of the amount so bid.

12th.—With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified that the Officer of Government Superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first bonâ fide bidder for a lot, after it has been offered for Sale in the mode here described, shall be held and declared to be the Purchaser of the said lot, and the Officer of Government Superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper; provided always, that no lot shall be sold below the minimum price of 400 Rupees, specified in the 2d Clause of these Conditions.

13th.—The Purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of twenty-five lots, and for the lots so purchased, the Purchaser shall deposit for each lot 25 per Cent. even money of the amount bid by him for the first lot, and pay the same price per chest as that for which he purchased his first lot; provided always, that there remain a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14th.—In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

15th.—The following Papers, together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date, by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 1—Certificate of the Opium now advertized for Sale.

No. 2—Report of the Examination of such Opium.

16th.—The Public are hereby informed, that in providing the investment of the Behar and Benares Opium for the years 1845-46, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the Drug when packed at Behar and Benares, and a statement of the average weight of six chests from each dispatch at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium, and further that four chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the Purchasers on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th.—Any further information respecting weight or quality of the Opium advertised for sale, that

may be desired by parties connected with the Trade will, as heretofore, be furnished to them on application at the Office of the Board of Customs, Salt and Opium; but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the drug, which may be preferred in reference to chests after the sale and delivery of the Opium for shipment.

18th.—The Public are hereby informed, that in addition to the quantity above mentioned, the following quantities more or less of Behar and Benares Opium of 1845-46, will be brought to sale in the present season on or about the dates specified below:

In the absence of these documents, owners should depute a person to be present at the opening of their Packages.

The Collector has nothing to do with the landing of Packages from Ships, nor with forwarding them to their owners or destinations.

EDUCATION NOTICE.

AN Examination will be held early in April 1847, in the College of Fort William, for the purpose of filling up existing vacancies in the Secondary or Military Class of the Medical College. All candidates will be expected to possess an adequate knowledge of the Hindoostanee language, to enable them to read and write it in the Persian or Devanagri character.

2. All Interpreters of Regiments and Battalions will be requested through the Military Department, not to grant certificates of qualification to any candidate under the age of fifteen and above that of twenty years: and likewise to reject all who may not pass the prescribed ordeal with a sufficient degree of fluency and facility. Much disappointment, expense and inconvenience have already been experienced by lads from distant stations being furnished with certificates, who were found on examination quite unqualified for admission, and it is with a view to prevent the recurrence of this that the above measure has been adopted.

3. Candidates for admission will be required to present themselves before the Secretary to the Medical College, at least three days prior to the day of examination, in order that a proper descriptive roll may be prepared, for transmission to the examiners of the College of Fort William.

4. The preference in selection, attainments being equal, will be given to those who have already been attached to, or served in civil or regimental hospitals.

5. No candidate will be allowed to present himself for examination who cannot produce a written testimonial of his conduct and character, or afford satisfactory evidence as to who and what he may be. A few individuals of decidedly bad character have upon recent occasions managed to obtain admittance, it is supposed by producing false papers; the strictest care and scrutiny will, therefore, be exercised in examining the credentials of all future candidates.

6. All pupils must, as a condition of their appointment, reside within the college premises at all times, and never be absent from morning and evening muster without special leave.

7. All students in the Military Class are amenable to the Articles of War, and regularly enlisted as Soldiers.

8. No candidate will be admitted to the school who is physically unfit for the duties of a soldier.

By order of the Hon'ble the President and Council of Education,

FRED. J. MOUAT, M. D.,
Secretary.

Fort William, January 26, 1847.

EDUCATION.—A temporary vacancy having occurred in the Professorship of Mathematics and Natural Philosophy in the Hindu College, all candidates for the office are requested to send in as early as possible their applications, accompanied with certificates and testimonials, to the Secretary Council of Education, from whom all particulars connected with the vacancy in question, may be learned on personal application.

(By order,)
F. J. MOUAT, M. D.,
Secy. Council of Education.

Council of Education, March 3*d*, 1847.

EDUCATION NOTICE.—The next Meeting of the Committee appointed for examination of Candidates for promotion and employment in the Education Department, will be held in the Hindoo College, on Saturday, the 3d of April 1847, at 10 A. M.

M., and so on until the whole of the remaining lots are disposed of; or, if the quantity of 2,405 Chests shall not be sold on the day advertized, the Board may dispose of the Lots which remain on hand at a future Sale.

4th.—Each Lot to contain Five Chests.

5th.—A deposit in a Promissory Note for 25 per Cent. even money of the amount for which each lot is knocked down shall be made by the purchaser in the Sale Room, and before the lot is Registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the Purchasers at this Office, by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'Clock of the afternoon of Wednesday, the 24th of March 1847; or on the other hand, failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid, shall have been delivered in, shall be re-sold at such time or times, and under such conditions of re-sale as the Board of Customs, Salt and Opium, shall see fit, and all losses and expences whatsoever attending such re-sale, shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6th.—The Promissory Notes taken on the day of Sale, under the last mentioned Condition, if remaining unredeemed on the said 24th March 1847, will be placed in the hands of the Attorney to the Hon'ble Company for realization in such manner as to him shall seem fit.

7th.—No Tender of Money, Sub-Treasurer's Receipts or Public Securities, on account of Opium, upon which the prescribed deposit may not have been made before 4 o'Clock of the 24th March 1847, will be afterwards accepted.

8th.—The Opium now advertised for Sale shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Tuesday the 6th of April 1847, and in case any lots of such Opium shall not be so paid for, and adjusted, then the cash deposit of 25 per Cent. even money of the amount for which each lot is knocked down, or any Public Securities that may have been deposited on account of such lots or chests, shall be forfeited, and the Opium be disposed of on account of Government at such time and in such manner as the Board of Customs, Salt and Opium, shall think fit, and the first Purchaser shall be required to make good any loss or difference of price between that obtained at the re-sale, and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9th.—Purchasers taking out Certificates or Orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase, which they may desire to be included in each Certificate or Order, and it is to be clearly understood, that the Certificates or Orders so taken out shall be considered final and not afterwards changeable for other Certificates or Orders authorizing the delivery of single lots, or of a different number of lots or chests, whether more or less than the number of lots or chests originally required to be included in each Certificate or Order.

10th.—No Sub-Treasurer's Receipts, or Deposit of Public Securities, under the fifth of the present Conditions, will be received in this Office, except from the party recorded as the Purchaser in the Sale Book, or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such Purchaser, and the Securities so deposited will be returned when clearance has been made by the said Purchaser or his order.

11th.—The Officer Superintending the Sale on the part of the Board of Customs, Salt and Opium, is empowered to reject at his discretion the bid of any individual, unless such individual shall, on demand, tender at the time, a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent. even money of the amount so bid.

12th.—With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified that the Officer of Government Superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first bonâ fide bidder for a lot, after it has been offered for Sale in the mode here described, shall be held and declared to be the Purchaser of the said lot, and the Officer of Government Superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper; provided always, that no lot shall be sold below the minimum price of 400 Rupees, specified in the 2d Clause of these Conditions.

13th.—The Purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of twenty-five lots, and for the lots so purchased, the Purchaser shall deposit for each lot 25 per Cent. even money of the amount bid by him for the first lot, and pay the same price per chest as that for which he purchased his first lot; provided always, that there remain a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14th.—In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

15th.—The following Papers, together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date, by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 1—Certificate of the Opium now advertized for Sale.

No. 2—Report of the Examination of such Opium.

16th.—The Public are hereby informed, that in providing the investment of the Behar and Benares Opium for the years 1845-46, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the Drug when packed at Behar and Benares, and a statement of the average weight of six chests from each dispatch at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium, and further that four chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the Purchasers on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th.—Any further information respecting weight or quality of the Opium advertised for sale, that may be desired by parties connected with the Trade will, as heretofore, be furnished to them on application at the Office of the Board of Customs, Salt and Opium; but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the drug, which may be preferred in reference to chests after the sale and delivery of the Opium for shipment.

18th.—The Public are hereby informed, that in addition to the quantity above mentioned, the following quantities more or less of Behar and Benares Opium of 1845-46, will be brought to sale in the present season on or about the dates specified below:

GOVERNMENT TEA PLANTATIONS IN ASSAM.

In consequence of the operations of the Government Experimental Tea Culture in Assam being about to be brought to a close, as notified in the Government Gazette No. 26, of the 1st April 1846, Tenders will be received at this Office for the purchase of the undermentioned Government Tea Barrees, together with Buildings, Manufacturing Implements, Tools, Stores, &c., attached thereto.

These Barrees have abundance of land fit for the growth of the Tea Plant in the vicinity, and admit of being greatly extended; they are situated within about 16 miles of the Sudder Station of the District, Dibroo Ghur, where there is a small temporary Bungalow belonging to the Concern. A good Road is now in progress through Muttuck, which will pass within a few hundred yards of the Dinjoy Barree, and this Road will be completed in the course of next cold season: the accompanying Sketch* will show the relative position of the Barrees.

To persons desirous of engaging in the Cultivation of Sugar Cane, in conjunction with that of the Tea Plant, these Barrees would be found particularly advantageous, as there is much fine fresh land in the vicinity of Dinjoy and Chubwa, well suited for the growth of the Cane, and which may be rented, to the extent required, from time to time, for cultivation: the present rent of such land, when actually taken up, being only 8 annas per poora.

With the Establishment at present attached to the Barrees, the purchaser would have to make his own arrangements; the Members, generally, are well acquainted with the process of the preparation of the Tea. in all its branches, and, if well superintended, would be equal to the duties of a greatly extended concern.

G. A. BUSHBY, *Secy. to the Govt. of India.*

Fort William, Home Department, Legislative, the 13th March 1847.

The following Draft of a proposed Act was read in Council for the first time on the 13th of March 1847.

ACT No. —— OF 1847:

An Act for the encouragement of learning in the Territories subject to the Government of the East India Company, by defining and providing for the enforcement of the right called Copyright therein.

Whereas doubts may exist whether the right called Copyright can be enforced by the Common Law of England in those parts of the Territories subject to the Government of the East India Company into which the Common Law of England has been introduced:

And whereas doubts may exist whether the said right can be enforced by virtue of the principles of equity and good conscience in the other parts of the Territories subject to the Government of the East India Company:

And whereas for the encouragement of learning it is desirable that the existence of the said right should be placed beyond doubt, and that the said right should be made capable of easy enforcement in every part of the said Territories:

And whereas it is doubtful whether the Act of Parliament 5 and 6 Victoria C. 45, entitled "*an Act to amend the Law of Copyright*," although such Act extend to every part of the British Dominions, has made appropriate and sufficient provision for the enforcement in every part of the said Territories subject to the Government of the East India Company of the said right by proprietors thereof: and whether the said Act of Parliament has made provision for the enforcement of the said right by or against any persons not being subject to the jurisdiction of the Courts established by Her Majesty's Charter.

I. It is therefore hereby enacted, that the Copyright in every book published in the life time of its author within the said Territories after the passing of the Act of Parliament 3 and 4 Wm. 4 C. 85, entitled "*an Act for effecting an arrangement with the East India Company and for the better government of His Majesty's Indian Territories till the 30th day of April* 1854," shall endure for the natural life of such author, and for the further term of seven years commencing at the time of his death and shall be the property of such Author and his Assigns: Provided always, that if the said term of seven years shall expire before the end of forty-two years from the publication of such book, the Copyright shall in that case endure for such period of forty-two years; and that the Copyright in every book which shall be published after the death of its Author shall endure for the term of forty-two years from the first publication thereof and shall be the property of the proprietor of the Author's manuscript from which such book shall be first published, and his Assigns.

II. And whereas it is expedient to provide against the suppression of books of importance to the public: It is enacted that it shall be lawful for the Governor General in Council on complaint made to them that the proprietor of the Copyright

in any book published after the passing of this Act within the said Territories, has after the death of its Author refused to republish or to allow the republication of the same, and that by reason of such refusal such book may be withheld from the public, to grant a licence to such complainant to publish such book in such manner and subject to such conditions as they may think fit, and it shall be lawful for such complainant to publish such book according to such licence.

III. And it is hereby enacted, that a Book of Registry wherein may be registered as hereinafter enacted the proprietorship in the Copyright of books and assignments thereof, and licences affecting such Copyright, shall be kept in the office of the Secretary to the Government of India for the Home Department, and shall at all convenient times be open to the inspection of any person on payment of for every entry which shall be searched for or inspected in the said book, and that such Officer shall whenever thereunto reasonably required, give a copy of any entry in such book certified under his hand, to any person requiring the same on payment to him of the sum of ,and such copies so certified shall be received in evidence in all Courts and in all summary proceedings, and shall he *prima facie* proof of the proprietorship or assignment of Copyright or licence as therein expressed, but subject to be rebutted by other evidence.

IV. And it is enacted, that if any person shall wilfully make or cause to be made any false entry in the Registry Book aforesaid, or shall wilfully produce, or cause to be tendered in evidence any paper falsely purporting to be a copy of any entry in the said book, he shall be guilty of an indictable misdemeanour, and shall be punished accordingly.

V. And it is enacted, that after the passing of this Act it shall be lawful for the proprietor of Copyright in any book published, after the passing of the said Act of Parliament 3 and 4 Wm. 4 C. 85 to make entry in the Registry Book of the title of such book, the time of the first publication, and the name and place of abode of the publisher thereof, and the name and place of abode of the proprietor of the Copyright of the said book, or of any portion of such Copyright in the form in that behalf given in the Schedule to this Act annexed upon payment of the sum of
to
and that it shall be lawful for every such registered proprietor to assign his interest or any portion of his interest therein, by making entry in the said Book of Registry of such assignment, and of the name and place of abode of the Assignee thereof in the form given in that behalf in the said Schedule on payment of the like sum ; and such assignment so entered shall be effectual in Law to all intents and purposes whatsoever without being subject to any stamp or duty, and shall be of the same force and effect as if such assignment had been made by Deed.

VI. And it is enacted, that if any person shall deem himself aggrieved by any entry made under colour of this Act in the said Book of Registry, it shall be lawful for such person to apply by motion to the Supreme Court of Calcutta in term time, or to apply by Summons to any Judge of such Court in vacation for an order that such entry may be expunged or varied, and that upon any such application by motion or Summons to the said Court, or to a Judge as aforesaid, such Court or Judge shall make such order for expunging, varying or confirming such entry either with or without costs, as to such Court or Judge shall seem just, and the said Secretary shall on the production to him of any such order for expunging or varying any such entry, expunge or vary the same according to the requisitions of such order.

VII. And it is enacted, that if any person shall after the passing of this Act print or cause to be printed either for sale or exportation, any book in which there shall be subsisting Copyright without the consent in writing of the proprietor thereof, or shall have in his possession for sale or hire any such book so unlawfully printed without such consent as aforesaid, such offender if he shall have so offended within the local limits of any of the Courts of Judicature established by Her Majesty's Charter, shall be liable to a special action on the case in such Court, and if he shall have so offended in any other part of the Territories subject to the Government of the East India Company to a suit in the Zillah Court within the jurisdiction of which he shall have so offended, which shall and may be prosecuted in the same manner in which any other action of damages may be brought and prosecuted there, and if he shall so offend in any such last mentioned part of the Territories subject to the Government of the East India Company in which there is no Zillah Court, to a suit in the highest local Court exercising original Civil jurisdiction in such part of the said Territories.

VIII. And it is hereby enacted, that after the passing of this Act in any suit or action brought in any of the Courts of Judicature established by Her Majesty's Charter under the provisions of this Act, against any person for printing any such book for sale, hire or exportation, or for selling, publishing or exposing to sale or hire, or causing to be sold, published or exposed to sale or hire, or for having in his possession for sale or hire any such book so unlawfully printed, the defendant on pleading thereto shall give to the plaintiff a notice in writing of any objections on which he means to rely on the trial of such action, and if the nature of his defence be that the plaintiff in such action was not the author or first publisher of the book in which he shall by such action claim Copyright, or is not the proprietor of the Copyright therein, or that some other person than the plaintiff was the author or first publisher of such book, or is the proprietor of the Copyright therein, then the defendant shall specify in such notice the name of the person who he alleges to have been the author or first publisher of such book, or the proprietor of the Copyright therein, together with the title of such book, and the time when and the place where such book was first published, otherwise the defendant in such action shall not at the trial or hearing of such action be allowed to give any evidence that the plaintiff in such action was not the author or first publisher of the book in which he claims such Copyright as aforesaid, or that he was not the proprietor of the Copyright therein, and at such trial, or hearing no other objection shall be allowed to be made on behalf of such defendant than the objections stated in such notice, or that any other person was the author or first publisher of such book, or the proprietor of the Copyright therein than the person specified in such notice, or give in evidence in support of his defence any other book than one substantially corresponding in title, time and place of publication with the title, time and place specified in such notice.

IX. And it is hereby enacted, that after the passing of this Act in any such suit or action as last aforesaid brought in any Zillah Court or other local Court as aforesaid the defendant shall state in his answer all the matters which by the last preceding section the defendant in any suit or action brought in any of the Courts of Judicature established by Her Majesty's Charter is required to give notice of in writing.

X. Produce of Behar Agency, ...	Chests	1,690
Ditto of Benares ditto,.....	„	715
Total Chests,...		2,405

CONDITIONS OF SALE.

1st.—The Opium will be sold for Exportation by Sea only, and no Certificate will be granted except to cover such Export.

2d —The Opium will be ordinarily offered for Sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price; except under the circumstances for which provision is made by Clause the 12th of the Conditions of Sale.

3d.—The Sale shall commence at the hour of 11 A. M, and shall not be continued after the hour of 5 P. M; but if at that hour any of the lots advertized for Sale shall remain unsold, the Sale may at the discretion of the Board of Customs, Salt and Opium, be resumed on the next day following (not being Sunday or a public Holiday) at the hour of 11 A. M., and so on until the whole of the remaining lots are disposed of; or, if the quantity of 2,405 Chests shall not be sold on the day advertized, the Board may dispose of the Lots which remain on hand at a future Sale.

4th.—Each Lot to contain Five Chests.

5th.—A deposit in a Promissory Note for 25 per Cent. even money of the amount for which each lot is knocked down shall be made by the purchaser in the Sale Room, and before the lot is Registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the Purchasers at this Office, by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'Clock of the afternoon of Wednesday, the 24th of March 1847; or on the other hand, failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid, shall have been delivered in, shall be re-sold at such time or times, and under such conditions of re-sale as the Board of Customs, Salt and Opium, shall see fit, and all losses and expences whatsoever attending such re-sale, shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6th.—The Promissory Notes taken on the day of Sale, under the last mentioned Condition, if remaining unredeemed on the said 24th March 1847, will be placed in the hands of the Attorney to the Hon'ble Company for realization in such manner as to him shall seem fit.

7th.—No Tender of Money, Sub-Treasurer's Receipts or Public Securities, on account of Opium, upon which the prescribed deposit may not have been made before 4 o'Clock of the 24th March 1847, will be afterwards accepted.

8th.—The Opium now advertised for Sale shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Tuesday the 6th of April 1847, and in case any lots of such Opium shall not be so paid for, and adjusted, then the cash deposit of 25 per Cent. even money of the amount for which each lot is knocked down, or any Public Securities that may have been deposited on account of such lots or chests, shall be forfeited, and the Opium be disposed of on account of Government at such time and in such manner as the Board of Customs, Salt and Opium, shall think fit, and the first Purchaser shall be required to make good any loss or difference of price between that obtained at the re-sale, and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9th —Purchasers taking out Certificates or Orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase, which they may desire to be included in each Certificate or Order, and it is to be clearly understood, that the Certificates or Orders so taken out shall be considered final and not afterwards changeable for other Certificates or Orders authorizing the delivery of single lots, or of a different number of lots or chests, whether more or less than the number of lots or chests originally required to be included in each Certificate or Order.

10th.—No Sub-Treasurer's Receipts, or Deposit of Public Securities, under the fifth of the present Conditions, will be received in this Office, except from the party recorded as the Purchaser in the Sale Book, or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such Purchaser, and the Securities so deposited will be returned when clearance has been made by the said Purchaser or his order.

11th.—The Officer Superintending the Sale on the part of the Board of Customs, Salt and Opium, is empowered to reject at his discretion the bid of any individual, unless such individual shall, on demand, tender at the time, a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent. even money of the amount so bid.

12th.—With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified that the Officer of Government Superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first bonâ fide bidder for a lot, after it has been offered for Sale in the mode here described, shall be held and declared to be the Purchaser of the said lot, and the Officer of Government Superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper; provided always, that no lot shall be sold below the minimum price of 400 Rupees, specified in the 2d Clause of these Conditions.

13th.—The Purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of twenty-five lots, and for the lots so purchased, the Purchaser shall deposit for each lot 25 per Cent. even money of the amount bid by him for the first lot, and pay the same price per chest as that for which he purchased his first lot; provided always, that there remain a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14th.—In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

15th.—The following Papers, together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date, by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 1—Certificate of the Opium now advertized for Sale.

No. 2—Report of the Examination of such Opium.

16th.—The Public are hereby informed, that in providing the investment of the Behar and Benares Opium for the years 1845-46, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the Drug when packed at Behar and Benares, and a statement of the average weight of six chests from each dispatch at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium, and further that four chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the Purchasers on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th.—Any further information respecting weight or quality of the Opium advertised for sale, that may be desired by parties connected with the Trade will, as heretofore, be furnished to them on application at the Office of the Board of Customs, Salt and Opium; but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the drug, which may be preferred in reference to chests after the sale and delivery of the Opium for shipment.

18th.—The Public are hereby informed, that in addition to the quantity above mentioned, the following quantities more or less of Behar and Benares Opium of 1845-46, will be brought to sale in the present season on or about the dates specified below:

EDUCATION NOTICE.

AN Examination will be held early in April 1847, in the College of Fort William, for the purpose of filling up existing vacancies in the Secondary or Military Class of the Medical College. All candidates will be expected to possess an adequate knowledge of the Hindoostanee language, to enable them to read and write it in the Persian or Devanagri character.

2. All Interpreters of Regiments and Battalions will be requested through the Military Department, not to grant certificates of qualification to any candidate under the age of fifteen and above that of twenty years: and likewise to reject all who may not pass the prescribed ordeal with a sufficient degree of fluency and facility. Much disappointment, expense and inconvenience have already been experienced by lads from distant stations being furnished with certificates, who were found on examination quite unqualified for admission, and it is with a view to prevent the recurrence of this that the above measure has been adopted.

3. Candidates for admission will be required to present themselves before the Secretary to the Medical College, at least three days prior to the day of examination, in order that a proper descriptive roll may be prepared, for transmission to the examiners of the College of Fort William.

4. The preference in selection, attainments being equal, will be given to those who have already been attached to, or served in civil or regimental hospitals.

5. No candidate will be allowed to present himself for examination who cannot produce a written testimonial of his conduct and character, or afford satisfactory evidence as to who and what he may be. A few individuals of decidedly bad character have upon recent occasions managed to obtain admittance, it is supposed by producing false papers; the strictest care and scrutiny will, therefore, be exercised in examining the credentials of all future candidates.

6. All pupils must, as a condition of their appointment, reside within the college premises at all times, and never be absent from morning and evening muster without special leave.

7. All students in the Military Class are amenable to the Articles of War, and regularly enlisted as Soldiers.

8. No candidate will be admitted to the school who is physically unfit for the duties of a soldier.

By order of the Hon'ble the President and Council of Education,

FRED. J. MOUAT, M. D., *Secretary.*

"The Secretary's fourth quinquennial Report on the operation of the Fund and its state as on the 30th April 1845, was considered.

"It appearing from Statement A. that the surplus of the Unappropriated Fund, on 30th April 1842, amounted to 31,82,147, according to which the existing Rules adopted in that year allowed a Bonus to the Retirers of 1842-43 and subsequently, as well as an annual deduction from the Hon'ble Court's Donation, to the extent of the interest accruing from the surplus, which surplus has become diminished by the 30th April 1845 to Rs 21,87,530,—and it appearing to the Managers that the Bonus cannot be continued unless it be the intention of the Hon'ble Court of Directors to keep up that surplus in the Capital of the Fund to the sum it stood at in 1842, viz. Rs. 31,82,147, regarding it as the amount of the 31 Reserved Annuities which had lapsed to the Fund, and as provided in the Court's orders of date 27th May 1835, and Rule 35 of 1836 framed in accordance therewith, "added to the *fixed Balance* of the Fund," and should accordingly therein appear as a permanent surplus—

SATURDAY, MARCH 20, 1847.

FORT WILLIAM,
HOME DEPARTMENT,
LEGISLATIVE,
THE 13TH MARCH, 1847.

The following Draft of a proposed Act was read in Council for the first time on the 13th of March, 1847.

ACT No. —— of 1847.

An Act for establishing a Court of Subordinate Civil Jurisdiction in the City of Calcutta.

Whereas the jurisdiction of the Court of Requests for the Recovery of Small Debts in and for the Settlement of Fort William in Bengal, is limited to suits brought for the recovery of Debts not exceeding 400 Sicca Rupees, and whereas it is not expedient that the jurisdiction of the said Court of Requests should be extended:

And whereas it is inconvenient to the people to be obliged to resort to Her Majesty's Supreme Court of Judicature in all suits for debt exceeding 400 Sicca Rupees, and in all other suits and actions whatsoever:

And whereas for remedy of the said inconvenience it is expedient to establish a new Court with jurisdiction over the subject matters of actions at Law, and with power to make decrees upon such subject matters according to Equity and Good Conscience following the Law:

I. It is hereby enacted, that from and after the day of
the Court of Requests for the Recovery of Small Debts in and for the Settlement of Fort William in Bengal shall be abolished, except so far as regards suits pending therein at the time of passing this Act, which shall be proceeded in and determined as if this Act had not been passed, and that on the said day a Court for the exercise of original Civil jurisdiction in the City of Calcutta shall be established, and shall be called the Subordinate Civil Court for the City of Calcutta.

II. And it is enacted, that the said Subordinate Civil Court shall consist of as many Commissioners as to the Governor of Bengal shall from time to time seem meet, and that each of the Commissioners sitting separately shall exercise all the jurisdiction and powers herein conferred upon the said Subordinate Civil Court, except the power of making Rules under Section XXV. of this Act. Provided always, that at least one of the said Commissioners shall be a Barrister of not less than five years standing.

III. And it is enacted, that one of the Commissioners being a Barrister of five years standing, shall be the Chief Commissioner.

IV. And it is enacted, that each of the Commissioners shall receive such Salary as to the Governor General in Council shall seem meet, respect being had to the qualifications of each.

V. And it is enacted, that it shall be lawful for the Governor of Bengal to appoint such and so many Ministerial Officers as to him shall seem necessary for the efficient performance of the business of the said Court, and that each of the said Officers shall receive such Salary as to the Governor General in Council shall seem meet.

VI. And it is enacted, that the said Subordinate Civil Court shall have jurisdiction over all causes of Action, for which an Action may be maintained on the Plea Side of the said Supreme Court, where the debt, damages, or value of the property for which such Action may be brought does not exceed the following amounts, that is to say, where the Action is brought, to recover any property for which an Action of Ejectment may be maintained in the said Supreme Court, the amount of Two Hundred Company's Rupees per annum, where the Action is brought for any malicious arrest, maliciously holding to Bail or for any other malicious prosecution, or for any Libel or Slander, or for any Assault, Battery, or false imprisonment, the amount of Three Hundred Company's Rupees, and in all other Actions the amount of One Thousand Company's Rupees.

VII. And it is enacted, that the jurisdiction of the said Subordinate Civil Court shall also extend to the recovery of the unliquidated Balance of a Partnership Account, to the extent of Five Hundred Company's Rupees if the Plaintiff shall be content to limit his claim to the recovery of that amount.

VIII. And it is enacted, that the jurisdiction of the said Subordinate Civil Court shall also extend to the recovery, against any Executor or Administrator or other Representative of any deceased testate, or intestate person of any demand not exceeding the amount of Five Hundred Company's Rupees for any distributive share of any property under an intestacy, or of any legacy, or residue or share of a residue, under a Will, if the plaintiff shall be content to limit his claim to the recovery of that amount in respect of such share or residue or legacy, provided always, that the said Court by this Act established shall not have jurisdiction over any such demand for such share, residue or legacy if any suit shall at the time of preferring such demand be pending in the said Supreme Court for the Administration of the Estate, out of which such share, residue or legacy is demandable.

IX. And it is enacted, that it shall not be lawful for any plaintiff to divide any cause of action into two or more suits for the purpose of bringing the same within the jurisdiction of the said Subordinate Civil Court; but any plaintiff having cause of action for debt or damages above the value recoverable under this Act may abandon the excess, and thereupon such plaintiff shall on proving his case have a decree for an amount not exceeding such value, and such decree shall be in full discharge of all demands in respect of such cause of action.

X. And it is enacted, that the jurisdiction of the said Subordinate Civil Court shall, as regards the persons to be subject thereto, extend to all persons inhabiting or seeking a livelihood within the City of Calcutta.

XI. And it is enacted, that the said Court shall on all purely legal demands for which an Action at Law is maintainable, decide according to the Law to be administered in the Supreme Court, in the like cases between the like parties, provided that the defendant may in any Action for such legal demand allege and establish an equitable defence, and thereupon the said Court shall by its decree give the defendants the benefit of such defence to the same extent and upon the same principles of Equity as would be applied in the like case by the said Supreme Court on its Equity side, provided that such defence shall not involve a cross demand to an extent exceeding the sum of One Thousand Company's Rupees.

XII. And it is enacted, that the said Subordinate Civil Court shall exercise all the powers which are exercised by Her Majesty's Supreme Court of Judicature in the issuing of process, and summoning and compelling the attendance of witnesses and the administering of oaths or solemn declarations and for punishing contempts, and all other powers which are exercised by the said Supreme Court for trial and determination and execution in Actions at Law, and that the said Subordinate Civil Court shall have and use an Official Seal.

XIII. And whereas it is conducive to the good administration of Justice that the respectable part of the public should be associated therein: It is hereby enacted, that the Governor General in Council may, by Proclamation, order that every or any Commissioner of the said Subordinate Civil Court shall, in all suits, or in any particular class of suits, and in all proceedings therein or in any particular proceeding therein, sit with one or more Jurors, and may in the said Proclamation lay down rules for the selection, summoning and compelling attendance of the said Jurors, and for enforcing the performance of their duty by such Jurors.

XIV. Provided always and it is hereby enacted, that the verdict of such Juror or Jurors shall be only for the information of the Conscience of the Court.

XV. And it is enacted, that the manner of commencing a suit in the said Subordinate Civil Court shall be as follows:

1. Each of the Commissioners of the said Subordinate Civil Court shall sit at stated hours for the purpose of receiving plaints.

2. Every plaintiff bringing a suit in the said Subordinate Civil Court shall, except as hereinafter excepted, appear in person before one of the Commissioners, and shall, orally or in writing, lay before such Commissioner the facts which constitute his claim.

3. The excepted cases in which the plaintiff shall be excused from appearing in person for the purpose of making the statement of facts mentioned in the last Clause, are the same as the excepted cases specified in Clause 15 of this Section, but the plaintiff shall in all cases be permitted to make the statement of facts, by an Agent provided he deposit in Court the sum of Fifty Company's Rupees.

4. The sum so deposited shall be held as a security for any sum or such part thereof as it will cover, which may be, or which may become due to the defendant, or to the Government, in respect of the matter of the suit, or in respect of the mode of conducting it: if nothing shall so be, or become due, the sum shall be repaid to the plaintiff.

5. If the plaintiff lays the facts before the Commissioner orally, the facts whether stated of his own accord or elicited by examination shall be reduced into form and written down by the Commissioner or by an Officer of the Court under his direction, and shall constitute the plaint.

6. If the plaintiff lays the facts before the Commissioner in writing, the written statement shall be corrected in form by the Commissioner, or by an Officer of the Court under his direction, if it requires such correction, and in substance if it in any respect disagrees with the statement of facts elicited by the examination of the plaintiff; subject to such correction the written statement shall constitute the plaint.

7. When the statement of facts constituting the plaint has been made, the Commissioner, if he is of opinion that the defendant or the matter of the suit is not within the jurisdiction of the Subordinate Civil Court, shall make a decree accordingly.

8. If the Commissioner is of opinion that the defendant and the matter of the suit are within the jurisdiction of the Subordinate Civil Court, he shall direct a writ of summons to be issued to the defendant.

9. The writ of summons shall contain a copy of the plaint, and an order to the defendant to appear before the Court on a specified day, and to bring with him any documents which he may have in his possession, of which the plaintiff, with the consent of the Commissioner, demands inspection, or which he the defendant may think conducive to his defence, and a list of such witnesses as he supposes may be necessary for his defence.

10. If the plaintiff satisfies the Commissioner that the defendant is likely to withdraw himself from the jurisdiction of the Subordinate Civil Court, the Commissioner may direct a warrant of arrest against the defendant to be issued together with the writ of summons.

11. If the defendant is arrested on the warrant he shall be brought with all convenient speed before the Commissioner, who may discharge him from custody if he gives sufficient security for his appearance, or if he deposits a sum which the Commissioner considers under all the circumstances of the case sufficient, or if he satisfies the Commissioner that he does not intend to withdraw himself from the jurisdiction.

12. On every day in which any of the Commissioner shall sit for the purpose of receiving plaints, all the plaints received shall be laid before the Chief Commissioner, who will distribute them among all the Commissioners, including himself.

13. In distributing the plaints the Chief Commissioner will endeavonr to give to all the Commissioners a share of business which will occupy an equal portion of the time of each, and to give to each Commissioner those kinds of suits which he thinks each best qualified to decide.

14. Every plaintiff and defendant in the said Subordinate Civil Court shall appear except as hereinafter excepted in person, on the day specified in the writ of summons, and on every other day fixed for the appearance by the Commissioner.

15. A plaintiff or defendant may be excused from appearing in person,

If ill.

If absent from Calcutta.

If engaged in the Public Service.

If exempted on account of rank by the Regulations from appearing in the Courts of the East India Company.

If of advanced age.

If of the female sex.

If there is a co-plaintiff who appears in person.

If there is a co-defendant defending jointly who appears in person.

If not personally cognizant of the matter in dispute.

16. But in all these cases the Commissioner may refuse to hold the party excused from appearing in person if he is not satisfied that the excuse is made in good faith and that the matter of the excuse exists in a sufficient degree to justify him in admitting it.

17. Whenever an Agent has been admitted in place of a party, such Agent shall be permitted to do all that the party might have done had he appeared, and shall be liable to be examined and cross examined in the same manner.

18. And the Commissioner may if he thinks fit order that the party excused shall be examined in any way in which a witness may be examined.

19. When the Commissioner has refused to hold any party excused he may order the Agent who makes the excuse to summon the party on whose behalf it is made on a specified day, and adjourn the proceedings to that day, or he may make a decree against such party after examining his Agent.

XVI. And it is hereby enacted, that as soon as the plaintiff and defendant are together before the Commissioner to whom the suit has been assigned, he shall proceed to take the pleadings and settle the demurrers and issues of fact.

XVII. And it is hereby enacted, that the manner of pleading shall be as follows.

1. The defendant in answer to questions put by the Commissioner shall confess or deny each of the material allegations contained in the plaint, and shall state any matter whereby he proposes to avoid the plaintiff's right to a decree arising out of such allegations contained in the plaint, as he has confessed.

2. The defendant may demur if he thinks the plaint states a case insufficient to entitle the plaintiff to a decree.

3. The defendant shall not be precluded from demurring to any matter in the plaint because he has pleaded to it, nor shall he be precluded from pleading to any matter in the plaint because he has demurred to it.

4. The defendant shall not be precluded from denying as many of the allegations in the plaint as he does not know to be true.

5. The defendant shall not be precluded from avoiding the plaintiff's right to a decree arising out of any allegations in the plaint which the defendant has confessed by the statement of as many matters as he believes to be true.

6. The Commissioner in framing the pleadings from the statements of the parties will take care that pleas shall be kept distinct from demurrers, and that no plea shall be double.

7. The Commissioner will also take care that the pleadings shall not be argumentative and shall state matters of fact only and not evidence of matters of fact, and shall in other respects be such as to lead directly to distinct issues of law or fact, and that each issue shall have as much particularity as conveniently may be.

8. All the above rules of pleading shall be applied, as far as they are capable of such application to the subsequent stages of the pleadings.

9. The Commissioner may examine the parties and permit them to cross examine each other through himself for the purpose of framing the pleadings from their statements, which statements may also be used as evidence at any hearing for the decision of the cause, and the Commissioner may likewise examine the parties and permit them to cross examine each other through himself at any hearing for the purpose of using their statements as evidence for the decision of the cause.

10. If any demurrer results from the pleadings which the Commissioner thinks fit for argument, he will after consultation with the parties fix a day for the argument on it.

11. If any issue of fact results from the pleadings upon which it is necessary to hear evidence the Commissioner will make a note of the names of the witnesses on both sides, and of the facts which each of them is expected to prove, and the documents which each of them is expected to produce, and will grant such subpœnas and subpœnas duces tecum as appear to him to be necessary for the purpose of justice, and will also direct each party to produce any document in his possession the production of which appears to the Commissioner necessary for the purposes of justice, and will after consultation with the parties, fix a day for the taking of evidence.

XVIII. And it is hereby enacted, that if any Commissioner, not being a Barrister, perceives while he is receiving a plaint, or while he is framing the pleadings, or in any subsequent stage, that the suit is one which in his opinion ought not to proceed before a Commissioner who is not a Barrister he may hand over the suit to the Chief Commissioner and direct the parties to go before the said Chief Commissioner who shall proceed with the suit, or direct any other Commissioner who is a Barrister, to proceed with the suit.

XIX. And it is hereby enacted, that if it shall appear to the Commissioner at any stage of the suit, that justice cannot be done unless some person not a party to the suit be made a party thereto the Commissioner may summon such person to appear, and may make a decree which shall be binding upon such person, making such order regarding the costs as shall be agreeable to justice.

XX. And it is hereby enacted, that if in the course of a suit the parties shall disagree as to the balance of an account, the Commissioner may direct that the account be referred to an Arbitrator nominated by the parties, or in default of such nomination to an Officer of the Court, and such Arbitrator or Officer will report the amount due on either side, subject to any exceptions which the Commissioner will hear and decide.

XXI. And it is hereby enacted, that in all suits for the breach of a contract which may be brought in the said Subordinate Civil Court if it shall be made to appear to the Commissioner that the contract may be performed without prejudice to the plaintiff, and that the defendant is able to perform it the Commissioner may direct a specific performance of the contract, and enforce it by attachment.

XXII. And it is hereby enacted, that the Commissioner in his decree shall order how much of the amount of any fees which may have been paid or be payable to any Attorney or Barrister, shall be reckoned as costs between party and party, and what other expences incurred by the parties in prosecuting or defending the suit shall be reckoned as costs between party and party, and shall order in his decree which party shall pay cost to the other, and to what amount: provided that no fees which may have been paid or be payable to any Attorney or Barrister shall be reckoned as costs between party and party unless the Commissioner shall be satisfied that the assistance of such Attorney or Barrister was reasonably required.

XXIII. And whereas it is expedient that inconsiderate litigation should be discouraged, and that those who sue or defend inconsiderately should contribute towards the expences of the Judicial Establishment:—It is hereby enacted, that in every suit in the said Subordinate Civil Court the party or parties against whom the decree is made shall, if plaintiff or plaintiffs pay a fee equal to one twentieth of the value claimed in the plaint, and if defendant or defendants a fee equal to one twentieth of the value decreed.

XXIV. Provided that the Commissioner may remit such fee if he shall be satisfied that the party or parties against whom the decree is made, had reasonable ground for suing or defending.

XXV. And whereas it is expedient that parties to suits who prevaricate or wilfully make false statements should be punished:—It is hereby enacted, that whenever the Commissioner is satisfied

that any party to a suit in the said Subordinate Civil Court has by himself or his Agent prevaricated or wilfully made a false statement, he may in his decree impose upon such party a fine not exceeding 200 Rs., and in default of payment may order such party to be imprisoned for a period not exceeding.

XXVI. And it is hereby enacted, that the amount of the fees and fines aforesaid shall be paid monthly into the Treasury.

XXVII. And it is enacted, that the said Commissioners, or the majority of them, may from time to time make such Rules for the Regulation of the proceedings of the said Subordinate Civil Court as to them may seem meet, and as are not inconsistent with any thing in this Act contained; which Rules shall be in force from their date, and shall continue in force unless they shall be disallowed by the Governor General in Council within the space of three months from their date; provided that such Rules shall be laid before the Governor General in Council within the space of one month from their date.

XXVIII. And it is enacted, that the Sheriff of Calcutta shall execute the process of the said Subordinate Civil Court, and shall, in respect to the execution of such process, be subject to the authority of the said Subordinate Civil Court, and shall for his trouble in executing such process receive from the Public Treasury such remuneration as to the Governor General in Council shall seem meet.

XXIX. Provided that such remuneration shall be proportioned to the quantity of labour imposed upon the said Sheriff in each month in the execution of the said process.

XXX. And it is enacted, that any suitor in the said Subordinate Civil Court who shall feel himself aggrieved by any decree thereof, may move the Supreme Court for a Rule to shew cause why the decree should not be altered or reversed, or for a Rule to shew cause why the said Subordinate Civil Court should not reconsider its decree, or for a Rule to shew cause why there should not be a new trial of the whole or any part of the facts on which its decree is founded.

XXXI. And it is enacted, that the said Supreme Court shall at its discretion grant or refuse any such Rule.

XXXII. Provided always and it is hereby enacted, that the Supreme Court shall not make absolute any such Rule if the decree of the Subordinate Civil Court be consistent with the Justice, Conscience and Equity of the case: that is to say the Supreme Court shall be governed in its decision upon any motion to make any such Rule absolute by the principles by which an English Court of Law would be governed in its decision upon a motion to make absolute a Rule for a new trial when there has been no misdirection in point of Law by the Judge before whom the cause was tried.

XXXIII. And it is enacted, that any person deeming himself aggrieved by any commitment to prison or fine by the said Subordinate Civil Court may appeal from such commitment or fine to the said Supreme Court who shall thereupon make such order as justice may require.

XXXIV. And it is enacted, that any one of the Judges of the said Supreme Court may, when occasion shall so require, sit apart from the other Judges or Judge, as the case may be, of the same Court for the despatch of the business to be performed by the said Court under this Act at the same time when the other Judge or Judges, as the case may be, of the said Court, shall be sitting for the despatch of business in the said Supreme Court, and that all proceedings whatsoever so had by and before such Judge, so sitting apart for the purpose aforesaid, shall be good, valid and effectual in the Law to all intents and purposes, as fully as if the proceedings were had before all the Judges of the said Court.

XXXV. And it is enacted, that the Judges of the Supreme Court, or the majority of them, may from time to time make such Rules for the Regulation of the proceedings on appeals and motions before them as to them may seem meet and as are not inconsistent with any thing in this Act contained; which Rules shall be in force from their date and shall continue in force unless they shall be disallowed by the Governor General in Council within the space of three months from their date; provided that such Rules shall be laid before the Governor General in Council within the space of one month from their date.

XXXVI. And whereas, although the several provisions hereinbefore contained for the constitution of the said Subordinate Civil Court are all copied, more or less exactly, from the provisions for the constitution of the several sorts of Courts used in the Administration of English Law and Equity, yet the combination of the said several provisions in one Court is new and experimental; and it might happen that suitors accustomed to the Administration of Justice by Civil Action at Law in Her Majesty's Supreme Court, might feel aggrieved if they were deprived thereof, It is hereby declared and enacted, that nothing in this Act contained shall be construed to affect the jurisdiction now exercised by the said Supreme Court in Civil Actions at Law in the cases falling within the jurisdiction of the said Subordinate Civil Court.

Ordered, that the Draft now read be published for general information.

Ordered, that the said Draft be reconsidered at the first meeting of the Legislative Council of India after the 13th day of November next.

G. A. BUSHBY,

Secy. to the Govt. of India.

FORT WILLIAM,

HOME DEPARTMENT,

LEGISLATIVE.

THE 13TH MARCH, 1847.

The following Draft of a proposed Act was read in Council for the first time on the 13th of March 1847.

ACT No. —— OF 1847.

An Act for the Improvement of the Administration of Justice in the Supreme Court of Judicature at Fort William in Bengal.

I. Whereas by the Charter establishing the said Court, it is provided that in case the party summoned by the summons or precept in nature of a summons which the said Court is thereby empowered to award shall not appear upon the return of such summons or precept as aforesaid according to the exigence thereof, the said Court is further authorized and empowered to award and issue a writ or warrant directed to the Sheriff of Calcutta, usually called a capias of contempt, commanding him to arrest and seize the body of such person so making default, and to have his said body at such time and place as shall be specified in the said writ for that purpose before the said Court to answer the plaint; and whereas by the Rules and Orders on the plea side of the said Court under the "Title of proceedings against a party in custody," it is provided that where any plaint shall be filed against any person who shall be in custody at the time of filing the same and shall have had four days notice thereof, or being arrested shall be committed for want of bail and shall not have filed an appearance the plaintiff may file an appearance with the Prothonotory for such defendant; and whereas it is desirable to abolish the power of imprisonment upon mesne process in all cases not hereinafter provided for, upon any process issued on the plea side of the said Court, and to substitut the following provisions for the said power of arrest and of entering an appearance for the defendant—It is enacted, that no capias of contempt shall be issued on the plea side of the said Court for the purpose of compelling or procuring an appearance to the plaint, but that if it shall appear to the satisfaction of the said Court upon the return of the writ of summons, and on affidavit or solemn affirmation of the identity of the party that the defendant against whom such plaint has been filed, or any one or more of several defendants has or have been duly summoned, and that no appearance has been entered for such defendant or defendants within the time prescribed for entering the same, then the said Court shall order that the said suit shall be proceeded with exparte against such defendant or defendants not appearing as aforesaid, and the said suit shall thereupon be proceeded with against such defendant or defendants not appearing as aforesaid in like manner as by the said Charter, and the Rules, Orders and Practice of the said Court is required in the case of an exparte suit after the issuing of a sequestration after a return of non est inventus to a writ of capias or summons.

II. And it is enacted, that every writ of summons which shall be issued from the said Court shall express that if the defendant shall not appear at the time mentioned in the said summons the suit will be proceeded with against him not appearing as aforesaid in his absence, and that the property of such defendant not appearing as aforesaid may be sequestered.

III. And it is enacted, that it shall be lawful for the said Court upon the application of the plaintiff in the case of such defaults of appearance as are hereinbefore mentioned upon proof of the demand by affidavit or solemn affirmation or otherwise to the satisfaction of the said Court, to award and issue a writ of sequestration against the property of such defendant which said writ shall have the like operation and effect, and be dealt with by and under the order of the said Court in like manner to all intents and purposes as is by the said Charter directed as to writs of sequestration except so far as the provisions of the said Charter as to such writs of sequestration are varied by this Act, and then in the case of such variations to be dealt with under the provisions of this Act and of the said Charter; and if judgment shall pass for the plaintiff in the said suit, the said Court is hereby authorized and empowered to award and issue a writ to the Sheriff or other Officer to whom the process of the Court may be directed, commanding him to sell or otherwise dispose of the said property according to the nature thereof so seized and sequestered, and to make satisfaction out of the same or out of the produce thereof according to the nature thereof to the plaintiff for the amount of the judgment so recovered with his costs, and to return the surplus, if any there be, after satisfying the said judgment and costs, and the expenses of the said sequestration, to the person or persons in whose possession the said property was seized, or otherwise to reserve it for the said defendant as occasion shall require; and if such property shall not be sufficient to produce after defraying the expenses of such sequestration the amount of the judgment and the said costs, the said Court is further empowered to award and issue such process of execution for the deficiency as is by the said Charter provided for levying money recovered by judgment and costs; and if judgment shall pass for the defendant against whom such sequestration shall have issued the said Court is authorized

and empowered to award, and order the costs of the said suit and the expense of the said sequestration incurred by such defendant, and all other damages occasioned thereby to be paid by the plaintiff to such defendant as aforesaid, or his or their Attorney, or the person or persons in whose possession the said property was seized or otherwise as the said Court shall order, and the same shall be levied by such process as in the said Charter is provided for levying costs.

IV. And whereas by the Law of England the practice of arrest upon mesne process has been abolished except in certain cases, and it is desirable to assimilate the practice of the said Supreme Court on the plea side thereof to the Law of England in this respect with a due allowance for differing circumstances—It is therefore enacted, that no person shall be arrested upon mesne process in any civil action, whether commenced before or after the time appointed for the commencement of this Act as hereinafter provided, under any writ issuing out of the said Court on its plea side except in the cases by this Act provided and allowed.

V. And it is enacted, that if a plaintiff in any action in which the defendant was liable to be arrested on mesne process under the law in force at the time appointed for the commencement of this Act shall by the affidavit or solemn affirmation of himself, or of any other person, shew to the satisfaction of the said Court or of a Judge thereof that such plaintiff has a cause of action against the defendant to the amount of Company's Rupees four hundred or upwards, or has sustained damage to that amount, or if he shall by like affidavit or affirmation to be filed as aforesaid verify to the satisfaction of the said Court a case of such enormous personal wrong as in the judgment of the said Court requires such security; and that there is probable cause for believing that the defendant against whom the application is made is about to go out of the jurisdiction of the said Court unless he be forthwith arrested, or that such defendant has made or is about to make any fraudulent disposition of his property with a view to defeat or delay his creditors in general, or the plaintiff in particular, or that such defendant has evaded the service of process in the said cause, it shall be lawful for the said Court, or any Judge thereof, by a special order, to direct that such defendant shall be held to bail for such sum as such Court or Judge shall think fit not exceeding the amount of the debt or damages, and thereupon it shall be lawful for such plaintiff to sue out a writ of capias against any such defendant so directed to be held to bail, which writ of capias shall bear date on the day on which the same shall be issued.

VI. And it is enacted, that the Sheriff or other Officer to whom any such writ shall be directed shall arrest the defendant thereupon, and such defendant shall when so arrested remain in custody till he shall have given a bail bond to the Sheriff, or shall have made deposit of the sum endorsed on such writ of capias, together with a sum for costs, including the execution of the said writ according to the practice of the said Court on its plea side for the time being, and all subsequent proceedings as to putting in and perfecting special bail, or of making deposit and payment of money into Court instead of putting in and perfecting special bail shall be according to the like practice of the said Court, or as near thereto, as the circumstances of the case will admit.

VII. And it is enacted, that any such special order may be made and the defendant arrested in pursuance thereof in any action whether commenced before or after the time appointed for the commencement of this Act at any time after the commencement of such action and before final judgment shall have been obtained therein, and that a defendant in custody upon any such arrest and not previously served with a copy of the writ of summons shall be lawfully served therewith.

VIII. And it is enacted, that it shall be lawful for any person arrested upon any such writ of capias to apply at any time after such arrest to the said Court, or any Judge thereof, for an order or rule on the plaintiff in such action to shew cause why the person arrested should not be discharged out of custody; and that it shall be lawful for such Court or Judge to make absolute or discharge such order or rule, and to direct the costs of the application to be paid by either party, to make such other order therein as to such Court or Judge shall seem fit, provided that any such order made by a Judge may be discharged or varied by the Court on application made thereto by either party dissatisfied with such order

IX. And it is enacted, that when any sequestration shall have issued in any action whether commenced before or after the time appointed for the commencement of this Act against any defendant, and the said defendant shall appear to the said action, it shall be lawful for the said Court, or any Judge thereof, to order that the said sequestration shall stand as a security for the debt and costs to be incurred in such action, or to order that the same be set aside on payment of the costs of such sequestration incurred by the plaintiff, and on the said defendants putting in and perfecting bail to the action, or on his making such deposit and payment in lieu of bail as by the practice of the said Court for the time being shall be required, and thereupon all subsequent proceedings as to the putting in and perfecting special bail, or of making deposit and payment of money into Court instead of putting in and perfecting special bail, and as to surrendering the defendant in discharge of bail, and taking the defendant for the

purpose of such surrender, and all other proceedings touching the premises shall be had according to the practice of the said Court on its plea side for the time being in like cases, or as near thereto as the circumstances of the case will admit.

X. And whereas it is desirable to amend the provisions in the said Charter contained as to the writs of Fieri Facias and Sequestration, and to extend the operation of such writs to be sued out after the time appointed for the commencement of this Act so as to embrace other property besides that which might before the time aforesaid have been seized, taken and sold under such writs respectively; and any writ of Venditioni Exponas issued to complete the execution thereof respectively, and to remove any doubts as to what property may be so seized, taken and sold—It is declared and enacted, that Money and Bank Notes, Notes issued for the payment of money by the East India Company, commonly called Company's Paper, Bills of Exchange, Promissory Notes, Bankers' Cheques, Money Bonds, Specialties for payment of money, or other securities for payment of money, whether such bonds, specialties or other securities be payable on a contingency or otherwise the property of the person against whom any such writ shall be issued whether in any action commenced before or after the time appointed for the commencement of this Act; and all other debts and claims for the payment of money whether the same shall be then due and payable, or to become due and payable at some future time or times, the property of the said person against whom such writ shall have issued shall and may be seized and taken under any such writ as aforesaid in such action as aforesaid; and when any Money or Bank Notes shall be so seized and taken the said Sheriff or other Officer to whom any such writ shall be directed shall and may under any such writ retain so much of such Money or Bank Notes as may be necessary to discharge his own claim for poundage, fees, or other costs, charges and expences of such execution, and shall and may pay or deliver to the party suing out such writ, so much of the said Money and Bank Notes as may be sufficient to discharge such execution, and when any other of the property aforesaid shall be seized and taken the said Sheriff or other Officer shall proceed in all respects in the execution of such process as to such property in like manner as is by the said Charter, and by the practice of the said Court directed and required as to debts seized under such process as aforesaid except where the said mode of procedure is varied by this Act, and from the time of such seizure all sums of money due or to become due on any of the said hereinbefore mentibned instruments so seized as aforesaid, or due or to become due in respect of any debts or claims whether seizable under the Charter, or under the provisions of this Act, and so seized as aforesaid, shall be paid and payable in such manner and form and no other as the said Supreme Court of Judicature at Fort William in Bengal, when the same shall be extended and returned into the said Court shall appoint, and such payment and no other shall form thenceforth be an absolute and effective discharge of the said sums of money and every of them respectively; and it shall not be lawful for the said Sheriff or other Officer to sell any of the said property hereinbefore mentioned, including therein debts seizable under the provisions of the said Charter so seized as aforesaid without the special order of the Court, and the said Sheriff or other Officer shall have power to sue in his own name to recover the money payable on such Notes, Bills of Exchange, Promissory Notes, Bankers' Cheques, Money Bonds, Specialties or other securities as aforesaid, and to recover the amount of such debts or claims as aforesaid, and the said Court shall have power to make such orders in the matters of such executions, and to make such alterations in the forms of the said writs as may be necessary to give effect to the provisions of this Act hereinbefore and hereinafter contained in respect of such executions, and to frame, if necessary, any new writ or writs for such purpose provided that no such Sheriff or other Officer shall be bound to sue any party liable upon any such Note, Bill of Exchange, Promissory Note, Cheque, Bond, Specialty, or other security, or liable in respect of such debt or claim as aforesaid unless the party suing out such execution shall enter into a Bond with two sufficient sureties for indemnifying him from all costs and expences to be incurred in the prosecution of such action, or to which he may become liable in consequence thereof, the expense of such Bond to be deducted out of any money to be recovered in such action. Provided always, that when such debt shall have been recovered in any action, or paid after action brought the surplus only of such debt over the taxed costs which the plaintiff may be liable to pay his own Attorney, and to the payment of which the opposite party in the cause shall not be liable, provided that the same have not been incurred unnecessarily and are not unreasonable in amount, shall be deemed and taken to be levied under such execution as aforesaid.

XI. And it is enacted, that all Houses, Lands or other real property held in trust for the person against whom such writs as aforesaid shall be issued at the time of the delivery thereof to such Sheriff or Officer as aforesaid, or any Equity of Redemption of the said party in such Houses, Lands or real property, as also all Lands, Houses or other real property over which such person shall at the time of the delivery of such writ to the Sheriff

or at any time afterwards have any disposing power which he might without the assent of any other person exercise for his own benefit shall and may be seized, taken and sold, mortgaged or delivered to be held by the execution creditor subject to an account as hereinafter mentioned, or shall be subject to have a Receiver appointed for the same, or be otherwise dealt with under any such writ to be sued out in any action whether commenced before or after the time appointed for the commencement of this Act according to the respective natures thereof under the provisions in this Act and in the said Charter, or in either of them contained as to any such executions in like manner, or as near thereto as may be, as if the interest of the said execution debtor therein were legal and not equitable.

XII. And it is enacted, that if any person against whom any such writ as aforesaid shall be issued out of the said Court in any action whether commenced before or after the time appointed for the commencement of this Act shall have any share of, or in any public Company within the reach of the process of the said Court, whether such Company be incorporated or not, standing in his name in his own right, or in the name of any person in trust for him, or shall be entitled to any sum of money in the said Court, or in the hands of any Receiver appointed by the said Court, it shall be lawful for the said Court, or any Judge thereof, on the application of the execution creditor to order that such shares or money, or such of them, or such part thereof as such Court or Judge shall think fit shall stand charged with the payment of the amount for which such execution shall have issued, together with the amount of the costs of obtaining such order; and such order as to any such shares as aforesaid shall entitle such creditor to all such remedies as he would have been entitled to if such charge had been made in his favour by the execution debtor in the mode most favourable to such creditor, provided that no proceedings shall be taken to have the benefit of such charge as to any such shares until after the expiration of six calendar months from the date of such order, and such order as to such money aforesaid shall entitle the said creditor to move to have the said money paid out of Court, or by such Receiver to him, and the said Court shall have power to make such order accordingly, provided always that no such order for payment shall be made without previous notice to all such parties as may have any charge upon or interest in such money as aforesaid.

XIII. And whereas by the said Charter, Houses, Lands and other real property of execution debtors may be sold under the said writs, and it is desirable to protect such debtors against any unnecessary sacrifice of their property by such sales, due regard being at the same time had to the rights of execution creditors—It is therefore enacted, that it shall be lawful for the said Court upon the application of any such debtor whether such execution shall have been sued out before or after the time appointed for the commencement of this Act if it shall be made to appear to the said Court that a sale of the Lands, Houses or other real property of such debtor would probably be attended with great and unnecessary loss to such debtor, and that the debt might be discharged by other means than a sale of the property to order the said Sheriff or other Officer not to proceed to a sale thereof and to appoint a Receiver of the said property, and to direct a competent sum to be raised by mortgage of the property for the satisfaction of the demand of the execution creditor, and of all poundage, costs, charges and expences of the said execution, or to direct that the same shall be paid out of the rents and profits of the said property; and the said Court shall have power instead of appointing such Receiver by its writ to be issued for that purpose to order the said Sheriff or other Officer to make and deliver execution unto such creditor with his assent, of the Lands, Houses and other real property of such debtor, which Lands, Houses and other real property of such debtor shall by force and virtue of such execution be held and enjoyed by the party to whom such execution shall be so made and delivered, subject to an account in the said Court out of which such execution shall have issued, which said account the said Court shall have power on application on its Equity side to order to be taken upon petition without any bill filed for that purpose, provided always that such party to whom such execution shall be made and delivered as aforesaid shall be liable to pay the Government revenue and other payments and charges in respect of the Ownership of such lands, Houses and other real property, to the extent of the rents and profits thereof in like manner as the party against whom such execution shall have issued would have been bound to make, perform and render in case such execution had not issued, and shall be charged in account only with the surplus of such rents and profits over and above such Government revenue, costs and charges which he shall have paid and shall be entitled to hold the said Lands, Houses and real property aforesaid until the said execution shall be satisfied, together with the amount of all such payments and all necessary costs incurred by him under the provisions aforesaid.

XIV. And it is enacted, that no execution creditor, who under the powers of this Act, or in the said Charter contained, shall be entitled under any such seizure as aforesaid to any charge on any property, or to any debt or security or sum as aforesaid, shall afterwards and

before the property so charged or secured shall have been converted into money or realized, and the proceeds thereof applied towards payment of the said debt cause the person of the execution debtor to be taken or charged in execution upon such judgment without the previous order of the said Court; and in case such creditor shall obtain such order and shall take or charge the person of such debtor in execution under the same upon such judgment, such creditor shall be deemed and taken to have relinquished all right and title to the benefit of such property, debt, security or sum as aforesaid.

XV. And it is further enacted, that the property of the party against whom any Fieri Facias or Sequestration shall be issued in any action whether commenced before or after the time appointed for the commencement of this Act, shall be held to be bound as against the said party and all others claiming by succession from him, or by means of any gift, grant, transfer or conveyance by him, or with his direction or consent otherwise than for any valuable consideration by the delivery of such writ or sequestration to the Sheriff for the purpose of executing the same, and that as well against any Assignee of any Insolvent Debtor, or any person claiming under such Assignee as against all other persons than those hereinbefore mentioned such property shall be bound only from the time of the seizure under the same; provided always that nothing herein contained shall be construed to give validity to any transfer or conveyance or delivery or other disposition of, or dealing with the said property which before and at the time appointed for the commencement of this Act would be held to be fraudulent and void against creditors.

XVI. And it is enacted, that if it shall appear either from the pleadings or particulars, or any copy of any instrument or writing annexed to the pleadings in any action in the said court, or upon the evidence that the form of action has been mis-conceived either as to the whole or part of the subject matter of such action, the Court shall have power at any stage of the cause before judgment to amend the proceedings either by amending the form of the plaint and other pleadings, or by striking out any count or counts or part thereof, or by causing the verdict to be vacated in part and entered up on any count or counts instead of generally, or otherwise, upon such terms as to costs or otherwise as to such Court shall seem just and fit, and if in any such case as aforesaid the said amendments cannot be made without a new trial by reason of the difficulty of apportioning the damages or otherwise, then it shall be lawful for the said Court at any time upon objection taken after verdict and before judgment to order a new trial to be had, and to cause such amendments to be made on the record and proceedings as to such Court shall seem just and fit; and provided always that if the said Court shall be of opinion in any such case as aforesaid that the defendant has been misled or otherwise prejudiced by the improper form of the action either as to the whole or any part thereof, and that a postponement of the trial or of the inquiry is necessary for the attainment of justice the said Court shall postpone the said trial or inquiry, and make such order and impose such terms on either party as to amendments or otherwise, and as to costs as under the particular circumstances of the case shall be just and fit.

XVII. And it is enacted, that if there be any misjoinder of counts in any action in the said Court, the Court shall have power at any time and at any stage of the cause to amend the proceedings either by striking out one or more counts, or parts thereof, or otherwise, upon such terms as to costs or otherwise as to such Court shall seem just and fit.

XVIII. And it is enacted, that if there be a misjoinder of different rights of action in any action in the said Court, and the said misjoinder shall be objected to the said Court shall have power at any stage of the cause before judgment to amend the proceedings either by striking out one or more counts or parts thereof, or otherwise, upon such terms as to costs or otherwise as to such Court shall seem just and fit.

XIX. And it is enacted, that every right of action for mesne porfits, or other damages to which a person dying after the time appointed for the commencement of this Act shall have been solely entitled at his death, for any unlawful possession of, or other trespass, injury or wrong in his life time to his lands and hereditaments, whether arising from commission or omission of any act or duty, shall survive to his Executors, Administrators or Representatives.

XX. And it is enacted, that if upon the trial of any action in the said Court, it shall appear upon evidence that too many persons are joined as defendants therein no objection shall be allowed at the said trial on the ground of variance or otherwise by reason of such misjoinder. Provided always, that the said Court shall upon such trial give its verdict for such defendant or defendants as shall not be proved to be liable to the demand of the plaintiffs in respect of the subject matter of such action; and provided always, that if any such misjoinder appear from the pleadings and particulars, or any copy of any instrument or writing annexed to the pleadings and be not demurred to, no motion in arrest of judgment shall be made on the ground of such misjoinder, and that if such misjoinder be demurred to, the Court shall have power as well before as after the argument of such demurrer to cause the record to be amended by expunging the name of such person as shall be improperly joined as defendant therein.

XXI. And it is enacted, that no plea in abatement of any action in the said Court shall be pleaded for any nonjoinder of any person as plaintiff or defendant in the said action, and that the objection shall be taken in any such action to such nonjoinder in this mode only, viz. by plea to be termed a plea of nonjoinder of parties, which plea shall be in the form of a plea in abatement for such nonjoinder except that it shall not pray judgment of the plaint and that the same may be quashed; and after any such plea shall be pleaded it shall be lawful for the said Court to amend the proceedings by the addition thereto of such person or persons as it may be proper to add thereto, and to make such order as to costs and otherwise as to the said Court shall seem just and fit, and no such action shall abate by reason of any such nonjoinder; and if the said defect appear from the pleadings, particulars or any copy of any instrument or writing annexed to the pleadings, it shall not be a ground of demurrer or of any motion to arrest the judgment in such action. Provided always, that to any such plea of nonjoinder of a defendant the plaintiff may reply that such person named therein has been discharged by bankruptcy and certificate, or by a final order under an Act for the Relief of Insolvent Debtors; and provided always, that if upon any such plea of nonjoinder of a defendant the plaintiff shall cause the proceedings to be amended by adding as defendant the person named in such plea, and such, defendant shall be discharged therefrom by the verdict or judgment of the Court upon the ground that he or they ought not to have been joined as a co-defendant the plaintiff shall be entitled to recover over such costs as he shall be liable to pay to such defendant for whom such verdict or judgment shall be given, from such other defendant so pleading the nonjoinder as aforesaid. Provided always, that any such defendant who shall have pleaded the nonjoinder of any other person as defendant in such action who shall have been added by the plaintiff as defendant in consequence of such plea shall be at liberty to produce proof for the purpose of establishing the liability of such defendant so added as aforesaid. Provided always, that nothing herein contained shall in any way affect the right of any defendant against whom a judgment has been given to recover contribution where an action for contribution is by law maintainable in any action to be brought in any Court against any party or parties so joined as defendant and discharged as aforesaid. Provided always also, that no right of set-off shall be prejudiced by any provision in this Act contained, and that it shall be competent for any defendant to plead a set-off in like manner if the party to whom such set-off is alleged to be due was the only defendant which plea of set-off shall aver that he is alone liable to the plaintiff's demand in that action.

XXII. And it is enacted, that an action at law shall be maintainable on the plea side of the said Court between one or more of several co-partners, joint contractors or joint owners, whether they be such as Executors, Administrators or Representatives, or otherwise, against his or their co-partners, joint contractors or joint owners for any demand of such a nature that the same between any parties would be the subject of an action at law, and that no such action shall be defeated by reason merely of the plaintiff and defendant, or any other person interested or concerned in such action being or having been members of the same partnership or such joint contractors or joint owners as aforesaid.

XXIII. And it is enacted, that the provisions in this Act contained as to such action between co-partners, co-contractors and joint owners as aforesaid are hereby extended to and shall include all causes of action arising between different bodies of persons who may be co-partners, co-contractors or joint owners inter se, though any such body may have some one or more of its members a common member or members of such different bodies, and in such cases such common member or members may be both plaintiff or plaintiffs, and defendant or defendants in the same suit.

XXIV. And it is enacted, that in any such action between co-partners, co-contractors and joint owners as aforesaid, the defendant may plead as a set-off any matter for which he could maintain an action at law against the plaintiff and which may be the subject matter of a set-off.

XXV. And it is enacted, that a demand in respect of any chose in action assignable in Equity and which is by this Act made assignable at law may be set-off in any action at law wherein a plea of set-off is allowed, provided that the same is of such a nature as to be the subject matter of a set-off, and in any action brought by a trustee, any sum due from or claim upon the cestin que trust to or by the defendant which is of such a nature as to be the subject matter of a set-off may be set-off against the demand of the plaintiff in such action; subject always to any lien of such plaintiff on the trust fund for his indemnity.

XVIX. And it is enacted, that in every action in the said Court wherein a set-off shall be pleaded if the defendant shall prove a larger sum to be due to him than the sum which the plaintiff shall prove to be due to him, then the Court shall have power to give a verdict for the defendant for the balance found due to him if it shall appear to the said Court that the same may with a due regard to justice be done. Provided

always, that every set-off under this Act shall be pleaded in all causes where it is now necessary to plead a set-off.

XXVII. And it is enacted, that all legal choses in action which are the subjects of an action at law, and which are or may be assignable in Equity shall be assignable at law for the same considerations and in the same manner as the same are assignable in Equity, and any assignee of any such chose in action may bring an action in his own name on the plea side of the Court in respect of any such matter or thing as aforesaid so assigned to him against the party originally liable thereon which said party so originally liable shall be sued in the like form as if the action were brought in the name of the original assignor, and in any such action it shall be sufficient for such assignee in alleging his title to sue to state that the title of the original assignor came to him by assignment without stating any intermediate assignments, and in any such action payment or other satisfaction to the original assignor any intermediate assignee whether before or after assignment to the plaintiff may be pleaded, which plea of payment or satisfaction as aforesaid if after assignment to the plaintiff shall contain an averment that the defendant had not notice at the time of such payment or satisfaction of the assignment to the plaintiff, and upon any issue joined upon a traverse of such notice, proof of any facts which would constitute notice in a Court of Equity of such assignment in the like case shall be deemed to be sufficient proof of such notice.

XXVIII. And it is enacted, that in all cases in which by reason of the loss of any instrument the party entitled, but for such loss to sue upon the same in an action at law would before the time appointed for the commencement of this Act have been forced to sue in a Court of Equity it shall be lawful to sue in the said Court in an action at law on the plea side thereof in like manner as if no such loss had occurred; and it shall be lawful for the said Court upon the application of the party sued upon such lost instrument to stay proceedings in such action till the plaintiff shall give security to indemnify the defendant against any claims upon such instrument in case the same shall be afterwards produced in like manner and to the same extent as a Court of Equity would direct in the like case. Provided always, that in any action upon such instrument the plaintiff shall describe the same in his plaint as lost.

XXIX. And it is enacted, that in any action in the said Court whether commenced before or after the time appointed for the commencement of this Act it shall be lawful for the said Court upon the motion of either party on the plea side thereof upon affidavit or solemn affirmation disclosing such facts and circumstances that in the opinion of the Court the party so applying would be entitled to a discovery in support of or with a view to establish a defence to the said action according to the principles upon which the said Court on its Equity side would act in giving discovery in the like cases, to grant a rule calling on the opposite party or parties, or any of them, to shew cause why such discovery should not be had and the proceedings stayed in the meantime, and the Court upon granting such rule shall if it think fit order the proceedings to be stayed, and upon the shewing cause against such rule, or if cause be not shewn against such Rule shall, if it shall think fit, make such order for the examination of the party or parties by interrogatories in writing to be exhibited by the party applying for such discovery and by examination vivâ voce at the trial or other previous stage of the cause, or by either of the modes aforesaid as it shall think fit, and the said Court shall have power to order from time to time such interrogatories to be amended and such further interrogatories to be added as it shall consider the justice of the case to require, and to make such order for production of documents as it might make in the like case of a bill had been filed for discovery in such action, and to impose such terms upon the party so applying for such discovery as to the said Court shall seem reasonable and just, and to make such order as to costs, and such other orders as may be necessary to enforce such discovery either by commitment for contempt or by ordering the matter of which discovery is sought to be taken pro confesso.

XXX. And it is enacted, that nothing in this Act contained whereby any jurisdiction is given to the said Court on the plea side thereof over matters which before the time appointed for the commencement of this Act were cognizable by the said Court on the Equity side thereof shall have the effect of ousting the said Court of its jurisdiction over such matters on the Equity side thereof, or shall deprive any party of his remedy on the Equity side of the Court in respect of such matters.

XXXI And it is enacted, that it shall be lawful for the said Court in any case in which a party shall be entitled to file a bill for an account on the Equity side thereof upon the petition of the party so entitled to the said Court on the Equity side thereof, supported by affidavit or solemn affirmation, and upon due notice thereof to such persons as would have been necessary parties in case such bill had been filed to direct such account to be taken, and such account shall be taken accordingly; and it shall be lawful for the Court in like manner to make such further orders in the matter of the said account as might be lawfully made in case such bill had been filed.

XXXII. And it is enacted, that in any case in which any party shall be entitled to file a bill of interpleader in the said Court on the Equity side thereof, it shall be lawful for the said Court upon the petition of the party so entitled as aforesaid, supported by affidavit or solemn affirmation, and upon due notice thereof to such persons as would have been necessary parties in case such bill had beed filed to make such orders in the matter of the said petition as the said Court might make if such bill had been filed.

XXXIII. And it is enacted, that it shall be lawful for the said Court in any case in which a party shall be entitled to file a bill on the Equity side thereof for the payment of a legacy, or any residue or share of a residue, or for any distribution of property under any right of succession, ab intestato or otherwise upon the petition of the party so entitled on the Equity side of the said Court, supported by affidavit or solemn affirmation, and due notice thereof to such persons as would have been necessary parties in case such bill had been filed to make such orders thereupon in like manner as if such bill had been filed.

XXXIV. And it is enacted, that in any case in which a party shall be entitled to file a bill on the Equity side of the said Court for the purpose of obtaining the construction of any instrument, it shall be lawful for the Court upon the petition of the party so entitled to the said Court on the Equity side thereof, supported by affidavit or solemn affirmation, and upon due notice to such persons as would have been necessary parties in case such bill had been filed, to declare the construction of such instrument notwithstanding that the said petition may involve other matters, and to make such further orders in the matter of the said petition as might be lawfully made in case a bill had been filed.

XXXV. And it is enacted, that it shall be lawful for the Court to make such orders for compelling appearance to such petitions as aforesaid, and in default of appearance upon such petitions as shall be necessary to give effect to the provisions in this Act contained as to such petitions, and that all orders made on such petitions shall be binding in like manner, and shall be enforced against such persons and in the same manner and by the like process as decrees or orders to the like effect would have been enforced in case a bill had been filed.

XXXVI. And it is enacted, that it shall be lawful for the said Court upon any suit in Equity for the specific performance of an agreement if the Court shall be of opinion that there ought not to be a specific performance to award damages for the non performance of the agreement in like manner as the Court might award damages in an action at law for the breach of the agreement; and in case the Court shall not be able to assess the same then to direct a reference to the Master, or an issue for ascertaining the amount of the same; and it shall also be lawful for the said Court to direct the re-payment of the purchase money, or so much thereof as shall have been paid, or of the deposit and of interest on the said purchase money or deposit.

XXXVII. And it is enacted, that in any Equity suit in the said Court when any answer shall have been reported insufficient, and no exceptions shall have been filed to such report or such exceptions shall have been overruled in the whole or in part, or not proceeded with, it shall be lawful for the Court, if it shall see fit, to direct the defendant to be examined upon interrogatories or viva voce in open Court, and to commit him till he shall have fully answered and shall have paid such costs as the Court shall award.

XXXVIII. Provided always, that the evidence of such witnesses shall be reduced into writing and signed by the said witnesses and filed of record in the said Court. Provided always, that nothing herein contained shall be construed to extend to prevent the use of affidavits or solemn affirmations where such affidavits or solemn affirmations are by the course and practice of the said Court now admissable in any interlocutory proceedings in any suit on the said several sides of the said Court, or upon any application for Probate or Letters of Administration, or ad colligendum bona, or for the appointment of a Curator, next friend, Guardian, Receiver, Trustee, or for the issuing or return of any commission, writ or other process of the said Court, or relating to the service or execution thereof, or upon any motion or petition, or summary application to the said Court on any of the said sides thereof respectively. Provided always, that nothing herein contained shall be construed to extend to any proceedings under any commission for the examination of witnesses, nor to abridge the power of the said Court to issue any such commission.

XLII. And it is enacted, that the Court shall have power to take the examination debene esse of any witnesses in open Court in any suit on the said several sides of the Court in like manner and subject to the same conditions, rules and provisions which apply to the examination of witnesses debene esse on the plea side of the said Court.

XLIII. XLIV. And whereas by the Charter establishing the said Supreme Court, the said Court is authorized and empowered to frame such rules of practice, and to make such standing orders for administration of justice and the due exercise of the Civil, Criminal, Admiralty, and Ecclesiastical Jurisdiction thereby created, and to do all such other things as shall be found necessary thereto so as the said Court shall from time to time transmit the same under the Seal thereof to Her Majesty, Her Heirs or Successors in Her or their Privy Council for the approbation, control, or alteration of Her Majesty, Her Heirs or Successors. And whereas by an Act passed at a Session of Parliament holden in the second and third years of the Reign of Her present Majesty, entitled "An Act to confirm certain "Rules and Orders of the Supreme Courts of "Judicature at Fort William and Madras, and "to empower the same Courts and the Supreme "Court of Judicature of Bombay, to make Rules "and Orders concerning Pleadings"—it was enacted amongst other things that the Supreme Court of Fort William should and might by any other Rules and Orders to be from time to time passed by such Court make such further alterations in the mode of pleading in the said Court, or in the mode of entering and transcribing, pleadings, judgments and other proceedings in actions at law or suits in Equity, or any Civil or Ecclesiastical causes, and such regulations as to the payment of costs and otherwise for carrying into effect any such alterations as to the said Court might seem expedient, subject to

And whereas it is desirable to prevent any doubts arising as to the power of the said Court to make such Rules and Orders and Regulations as may from time to time be necessary to give full effect to the provisions in this Act contained—It is enacted, that the said Court shall and may make from time to time such Rules, Orders, and Regulations as to the mode of procedure in the said Court as may be necessary to give full effect to all the provisions in this Act contained, and all such Rules, Orders, and Regulations shall be submitted for confirmation or disallowance to the Governor General of India in Council immediately upon the making of the same, and every such Rule, Order or Regulation shall to all intents and purposes have full effect after it shall have been confirmed by the said Governor General of India in Council, but any such Rule, Order, or Regulation when so confirmed shall be transmitted to Her Majesty, Her Heirs or Successors in Council, and shall be subject at any time to be altered or rescinded by Her said Majesty, Her Heirs or Successors in Council. Provided always, that no Rule, Order or Regulation to be made by virtue of this Act shall have the effect of depriving any person of the power of pleading the general issue, and giving the special matter in evidence in any case wherein he is now or hereafter shall be entitled to do so by virtue of any Statute or Act now or hereafter to be in force.

XLV. And it is enacted, that the word joint owners in this Act shall be construed to include all joint tenants, tenants in common, co-parceners or other joint proprietors, and the words plaintiff or defendant to include all the plaintiffs and defendants, or some of them, and whenever in describing any person or party, matter or thing the word importing the singular number or the masculine gender only is used in this Act the same shall be taken to include several persons or parties as well as one person or party and females as well as males, and several matters or things as well as one matter or thing respectively, and the term person or party shall be taken to include and shall be applied to a body corporate, unless in any of the before mentioned cases there be something in the subject or context repugnant to such construction.

FORT WILLIAM,
HOME DEPARTMENT,
LEGISLATIVE,
THE 13TH MARCH 1847.

The following Draft of a proposed Act was read in Council for the first time on the 13th of March 1847.

ACT No. —— OF 1847.

An Act for facilitating the execution of the Process of the Supreme Court of Judicature at Fort William in Bengal, and the taking of affidavits without the local limits of the jurisdiction of the said Court.

I. Whereas by the Charter of the Supreme Court of Judicature at Fort William in Bengal, the process of the Court, except in certain cases, is required to be addressed to and executed by the Sheriff of Calcutta, which in the case of parties resident without the local limits of the jurisdiction of the Court is often attended with unnecessary expense and other inconvenience. And whereas it is desirable to make provision for the execution of the process of the said Supreme Court without the local limits of its jurisdiction similar to those made for the execution of the process of the Courts of the Hon'ble the East India Company within the local limits of the jurisdiction of the said Supreme Court —It is enacted, that from and after the passing of this Act it shall be lawful for the said Supreme Court, notwithstanding the terms of the said Charter when any process of the said Court is to be executed against any person subject to the jurisdiction thereof, and not resident within the local limits thereof, or against any property without such limits to issue any process which the said Court is as may be empowered to issue, and to address the same to such person as it shall think fit, and to direct the execution thereof in the manner hereinafter provided, and that the same shall be executed accordingly, and that upon the same being executed and returned in the manner provided for by this Act it shall be lawful for the said Court to proceed thereupon in like manner as if the same had been executed according to the practice of the Court before the passing of this Act.

II. And it is enacted, that it shall be lawful for the said Supreme Court or for any Judge thereof by a letter of request addressed to any Court, Judge, Magistrate, or Justice of the Peace, without the local limits of the said Supreme Court, enclosing or accompanied by two duplicate originals of any such process as aforesaid to request that such process may be executed within the limits of the jurisdiction of such Court, Judge, Magistrate, or Justice of the Peace, pursuant to the directions therein contained, and that such letter and each of such duplicates shall be signed by one of the Judges of the said Supreme Court and sealed with the seal of the said Court, and the production thereof purporting to be so signed and sealed as aforesaid shall be sufficient evidence of the issuing of such process, and that the requisition thereof shall and may be performed by any person or persons for the time being, constituting such Court, or discharging the duties of such Judge, Magistrate, or Justice of the Peace.

III. And it is further enacted, that upon the production of such letter of request, together with such duplicates as aforesaid, any Judge of such Court, or such Judge, Magistrate, or Justice of the Peace shall, by endorsement upon one of such duplicates respectively under his hand, direct the said process to be executed pursuant to such directions as aforesaid by such person or persons as such Court, Judge, Magistrate, or Justice of the Peace shall appoint to execute the same, and shall deliver one of such duplicate to such person or persons so appointed to execute the same and that the same shall be executed accordingly ; and if the same shall require to be executed beyond the limits of the jurisdiction of the Court, Judge, Magistrate, or Justice of the Peace, to which or to whom such letter of request may be addressed, then such duplicate may be executed by any other Court, Judge, Magistrate, or Justice of the Peace, having jurisdiction over the subject matter of such process in like manner as the original process of the Court, Judge, Magistrate, or Justice of the Peace to which or to whom such letter of request may be addressed may be executed beyond the limits of the jurisdiction of such Court, Judge, Magistrate, or Justice of the Peace. Provided always, that when such process shall be executed by any Court, Judge, Magistrate, or Justice of the Peace to which or to whom the letter of request aforesaid was not addressed a Judge of such Court, or such Judge, Magistrate, or Justice of the Peace so executing the same shall certify in writing under his hand the execution of such process, and shall forward such certificate to the said Court, Judge, Magistrate, or Justice of the Peace to which or to whom such letter of request was addressed, of which said certificate purporting to be signed as aforesaid the production alone shall be sufficient evidence.

IV. And it is further enacted, that when such process shall have been executed in manner aforesaid, any Judge of such Court as such Judge, Magistrate, or Justice of the Peace as aforesaid to which or to whom such letter of request as aforesaid was addressed shall by endorsement upon the other of such duplicates under his hand certify the execution thereof, and shall deliver such duplicate so endorsed to the party or parties by whom the same was originally produced, or his or their agents, and the production of such duplicate so endorsed and appearing to be so signed as aforesaid shall be sufficient evidence of the execution of such process.

V. And it is enacted, that upon the delivery of such duplicates of any civil process as aforesaid, to such Court, Judge or Magistrate as aforesaid the said Court, Judge, or Magistrate shall cause the date of such delivery to be endorsed on such duplicates, and shall cause the said process to be executed in like manner or as near thereto as if the same had been issued from or by such Court, Judge or Magistrate as aforesaid at the time of the said delivery; and no distinction shall be made as to priority or otherwise between the execution of such process as aforesaid, or any other process of or by the said Court, Judge or Magistrate. But every process, whether original or otherwise, shall as between each other, be subject to the same rules touching the mode and order of execution as are now or may be from time to time established in respect of process originally issued by such Court, Judge or Magistrate.

VI. And it is further enacted, that where any process of the said Supreme Court for the appointment of a Receiver of any lands out of such local limits, or any other process of the said Supreme Court against such lands shall be issued for the purpose of being enforced or executed by any other Court, Judge or Magistrate, under the provisions of this Act, a copy of the judgment, decree or order of the said Supreme Court, by virtue of which such process issued, signed by one of the Judges, and under the seal of the Court, shall, if the said local Judge or Magistrate shall so require, be registered in the Court to which such process is forwarded to be executed, and that a copy of such judgment, order or decree shall be forwarded, sealed with the seal of the said Supreme Court for the purpose of such registry.

VII. And it is further enacted, that persons wilfully neglecting to execute such process, or obstructing the execution thereof, shall be liable to be punished in like manner and by the like Courts, Judges, Magistrates, or Justices of the Peace, as if such process had been issued originally by such Court, Judge, Magistrate, or Justice of the Peace, provided that nothing herein contained shall deprive the said Supreme Court of its power to punish such persons for a contempt, in case they shall not be otherwise punished.

VIII. And it is enacted, that no action or other proceeding shall be had or maintained against

any person or persons constituting such Court, or any such Judge, or Magistrate or Justice of the Peace, or any person or persons acting under his or their orders, for or in respect of any act, matter or thing bonâ fide done or omitted to be done in the execution or service of any such process though the authority given be not strictly pursued, and that it shall be lawful for the said Supreme Court upon application thereto to stay any such action or proceeding commenced in the said Court, and to order the party commencing or prosecuting the same to pay the costs thereof as between Solicitor and Clients.

IX. And it is enacted, that every Judge, Magistrate, or Assistant Judge or Magistrate of the Hon'ble the East India Company within the Presidency of Bengal and its dependencies, and every Justice of the Peace under any Commission of the Peace issued in the name of Her Majesty the Queen within the said Presidency and its dependencies, shall be by virtue of his office a Commissioner of the said Supreme Court for the purpose of taking affidavits or affirmations, and shall as such Commissioner be empowered to take any affidavit or affirmation of any person or persons to be used in any proceedings pending or intended to be instituted in the said Supreme Court, or the Insolvent Court, and to swear such party or parties, or to take his or their affirmation to the truth of such affidavit or affirmation respectively, and shall certify in writing upon such affidavit or affirmation that such affidavit or affirmation was made or taken before him, and shall sign such certificate and any exhibits annexed to such affidavit or affirmation, and the production of such affidavit or affirmation, and such certificate appearing to be so signed as aforesaid shall be sufficient proof of such affidavit or affirmation.

X. And it is enacted, that any person wilfully so swearing or affirming falsely shall be guilty of a misdemeanor, and upon conviction thereof shall be liable to be transported for a period not exceeding fourteen years, or imprisoned for any period not exceeding three years with or without hard labor, and any person forging or uttering any instrument purporting to be an affidavit or affirmation so made or affirmed as aforesaid shall be guilty of felony, and upon conviction thereof shall be liable to be transported for any period not exceeding fourteen years, or imprisoned for any period not exceeding three years with or without hard labor.

XI. And it is enacted, that any copy of any judgment, decree or order of the said Supreme Court which is by this Act required to be registered, and any process of the said Court to be executed by any other Court, or by any Judge, Magistrate, or Justice of the Peace, under the provisions of this Act, and any proceeding by any such Court, Judge, Magistrate, or Justice of the Peace thereupon may be transmitted by such Supreme Court to such other Court, Judge, Magistrate, or Justice of the Peace, or by such other Court, Judge, Magistrate, or Justice of the Peace to the said Supreme Court by dawk or by any private hand.

XII. And it is enacted, that the word process in this Act shall extend to and include all Criminal and Civil process of the said Supreme Court which require to be executed without the local limits of the jurisdiction of the said Court, and any order for the appointment of a Receiver of any lands whether the same be a distinct order or be contained in any decree or decretal order of the said Court, and any notice of any proceedings instituted or to be instituted in the said Court, or of any step to be taken or application made in or in respect of such proceedings; and the word lands shall extend to and include any immoveable property, and any word denoting the singular number or masculine gender shall extend to and include more persons, matters or things than one and females as well as males.

XIII. And it is enacted, that the said Court shall from time to time frame such forms of letters of request, and of any process of the said Court which is to be addressed and executed under the provisions of this Act as may be necessary to give full effect to the provisions hereinbefore contained.

Ordered, that the Draft now read be published for general information.

Ordered, that the said Draft be reconsidered at the first meeting of the Legislative Council of India after the 13th day of November next.

G. A. BUSHBY, *Secy. to the Govt. of India.*

Fort William, Home Department, Legislative, the 13th March 1847.

The following Draft of a proposed Act was read in Council for the first time on the 13th of March 1847.

ACT No. —— OF 1847:

An Act for the encouragement of learning in the Territories subject to the Government of the East India Company, by defining and providing for the enforcement of the right called Copyright therein.

Whereas doubts may exist whether the right called Copyright can be enforced by the Common Law of England in those parts of the Territories subject to the Government of the East India Company into which the Common Law of England has been introduced:

And whereas doubts may exist whether the said right can be enforced by virtue of the principles of equity and good conscience in the other parts of the Territories subject to the Government of the East India Company:

And whereas for the encouragement of learning it is desirable that the existence of the said right should be placed beyond doubt, and that the said right should be made capable of easy enforcement in every part of the said Territories:

And whereas it is doubtful whether the Act of Parliament 5 and 6 Victoria C. 45, entitled "*an Act to amend the Law of Copyright*," although such Act extend to every part of the British Dominions, has made appropriate and sufficient provision for the enforcement in every part of the said Territories subject to the Government of the East India Company of the said right by proprietors thereof: and whether the said Act of Parliament has made provision for the enforcement of the said right by or against any persons not being subject to the jurisdiction of the Courts established by Her Majesty's Charter.

I. It is therefore hereby enacted, that the Copyright in every book published in the life time of its author within the said Territories after the passing of the Act of Parliament 3 and 4 Wm. 4 C. 85, entitled "*an Act for effecting an arrangement with the East India Company and for the better government of His Majesty's Indian Territories till the 30th day of April* 1854," shall endure for the natural life of such author, and for the further term of seven years commencing at the time of his death and shall be the property of such Author and his Assigns: Provided always, that if the said term of seven years shall expire before the end of forty-two years from the publication of such book, the Copyright shall in that case endure for such period of forty-two years; and that the Copyright in every book which shall be published after the death of its Author shall endure for the term of forty-two years from the first publication thereof and shall be the property of the proprietor of the Author's manuscript from which such book shall be first published, and his Assigns.

II. And whereas it is expedient to provide against the suppression of books of importance to the public: It is enacted that it shall be lawful for the Governor General in Council on complaint made to them that the proprietor of the Copyright in any book published after the passing of this Act within the said Territories, has after the death of its Author refused to republish or to allow the republication of the same, and that by reason of such refusal such book may be withheld from the public, to grant a licence to such complainant to publish such book in such manner and subject to such conditions as they may think fit, and it shall be lawful for such complainant to publish such book according to such licence.

III. And it is hereby enacted, that a Book of Registry wherein may be registered as hereinafter enacted the proprietorship in the Copyright of books and assignments thereof, and licences affecting such Copyright, shall be kept in the office of the Secretary to the Government of India for the Home Department, and shall at all convenient times be open to the inspection of any person on payment of for every entry which shall be searched for or inspected in the said book, and that such Officer shall whenever thereunto reasonably required, give a copy of any entry in such book certified under his hand, to any person requiring the same on payment to him of the sum of , and such copies so certified shall be received in evidence in all Courts and in all summary proceedings, and shall be *prima facie* proof of the proprietorship or assignment of Copyright or licence as therein expressed, but subject to be rebutted by other evidence.

IV. And it is enacted, that if any person shall wilfully make or cause to be made any false entry in the Registry Book aforesaid, or shall wilfully produce, or cause to be tendered in evidence any paper falsely purporting to be a copy of any entry in the said book, he shall be guilty of an indictable misdemeanour, and shall be punished accordingly.

V. And it is enacted, that after the passing of this Act it shall be lawful for the proprietor of Copyright in any book published, after the passing of the said Act of Parliament 3 and 4 Wm. 4 C. 85 to make entry in the Registry Book of the title of such book, the time of the first publication, and the name and place of abode of the publisher thereof, and the name and place of abode of the proprietor of the Copyright of the said book, or of any portion of such Copyright in the form in that behalf given in the Schedule to this Act annexed upon payment of the sum of
to
and that it shall be lawful for every such registered proprietor to assign his interest or any portion of his interest therein, by making entry in the said Book of Registry of such assignment, and of the name and place of abode of the Assignee thereof in the form given in that behalf in the said Schedule on payment of the like sum; and such assignment so entered shall be effectual in Law to all intents and purposes whatsoever without being subject to any stamp or duty, and shall be of the same force and effect as if such assignment had been made by Deed.

VI. And it is enacted, that if any person shall deem himself aggrieved by any entry made under colour of this Act in the said Book of Registry, it shall be lawful for such person to apply by motion to the Supreme Court of Calcutta in term time, or to apply by Summons to any Judge of such Court in vacation for an order that such en-

try may be expunged or varied, and that upon any such application by motion or Summons to the said Court, or to a Judge as aforesaid, such Court or Judge shall make such order for expunging, varying or confirming such entry either with or without costs, as to such Court or Judge shall seem just, and the said Secretary shall on the production to him of any such order for expunging or varying any such entry, expunge or vary the same according to the requisitions of such order.

VII. And it is enacted, that if any person shall after the passing of this Act print or cause to be printed either for sale or exportation, any book in which there shall be subsisting Copyright without the consent in writing of the proprietor thereof, or shall have in his possession for sale or hire any such book so unlawfully printed without such consent as aforesaid, such offender if he shall have so offended within the local limits of any of the Courts of Judicature established by Her Majesty's Charter, shall be liable to a special action on the case in such Court, and if he shall have so offended in any other part of the Territories subject to the Government of the East India Company to a suit in the Zillah Court within the jurisdiction of which he shall have so offended, which shall and may be prosecuted in the same manner in which any other action of damages may be brought and prosecuted there, and if he shall so offend in any such last mentioned part of the Territories subject to the Government of the East India Company in which there is no Zillah Court, to a suit in the highest local Court exercising original Civil jurisdiction in such part of the said Territories.

VIII. And it is hereby enacted, that after the passing of this Act in any suit or action brought in any of the Courts of Judicature established by Her Majesty's Charter under the provisions of this Act, against any person for printing any such book for sale, hire or exportation, or for selling, publishing or exposing to sale or hire, or causing to be sold, published or exposed to sale or hire, or for having in his possession for sale or hire any such book so unlawfully printed, the defendant on pleading thereto shall give to the plaintiff a notice in writing of any objections on which he means to rely on the trial of such action, and if the nature of his defence be that the plaintiff in such action was not the author or first publisher of the book in which he shall by such action claim Copyright, or is not the proprietor of the Copyright therein, or that some other person than the plaintiff was the author or first publisher of such book, or is the proprietor of the Copyright therein, then the defendant shall specify in such notice the name of the person who he alleges to have been the author or first publisher of such book, or the proprietor of the Copyright therein, together with the title of such book, and the time when and the place where such book was first published, otherwise the defendant in such action shall not at the trial or hearing of such action be allowed to give any evidence that the plaintiff in such action was not the author or first publisher of the book in which he claims such Copyright as aforesaid, or that he was not the proprietor of the Copyright therein, and at such trial, or hearing no other objection shall be allowed to be made on behalf of such defendant than the objections stated in such notice, or that any other person was the author or first publisher of such book, or the proprietor of the Copyright therein than the person specified in such notice, or give in evidence in support of his defence any other book than one substantially corresponding in title, time and place of publication with the title, time and place specified in such notice.

IX. And it is hereby enacted, that after the passing of this Act in any such suit or action as last aforesaid brought in any Zillah Court or other local Court as aforesaid the defendant shall state in his answer all the matters which by the last preceding section the defendant in any suit or action brought in any of the Courts of Judicature established by Her Majesty's Charter is required to give notice of in writing.

X. WEDNESDAY, MARCH 24, 1847.

FORT WILLIAM,
HOME DEPARTMENT,
LEGISLATIVE,
THE 13TH MARCH, 1847.

The following Draft of a proposed Act was read in Council for the first time on the 13th of March, 1847.

ACT No. —— of 1847.

An Act for establishing a Court of Subordinate Civil Jurisdiction in the City of Calcutta.

Whereas the jurisdiction of the Court of Requests for the Recovery of Small Debts in and for the Settlement of Fort William in Bengal, is limited to suits brought for the recovery of Debts not exceeding 400 Sicca Rupees, and whereas it is not expedient that the jurisdiction of the said Court of Requests should be extended:

And whereas it is inconvenient to the people to be obliged to resort to Her Majesty's Supreme Court of Judicature in all suits for debt exceeding 400 Sicca Rupees, and in all other suits and actions whatsoever:

And whereas for remedy of the said inconvenience it is expedient to establish a new Court with jurisdiction over the subject matters of actions at Law, and with power to make decrees upon such subject matters according to Equity and Good Conscience following the Law:

I. It is hereby enacted, that from and after the day of the Court of Requests for the Recovery of Small Debts in and for the Settlement of Fort William in Bengal shall be abolished, except so far as regards suits pending therein at the time of passing this Act, which shall be proceeded in and determined as if this Act had not been passed, and that on the said day a Court for the exercise of original Civil jurisdiction in the City of Calcutta shall be established, and shall be called the Subordinate Civil Court for the City of Calcutta.

II. And it is enacted, that the said Subordinate Civil Court shall consist of as many Commissioners as to the Governor of Bengal shall from time to time seem meet, and that each of the Commissioners sitting separately shall exercise all the jurisdiction and powers herein conferred upon the said Subordinate Civil Court, except the power of making Rules under Section XXV. of this Act. Provided always, that at least one of the said Commissioners shall be a Barrister of not less than five years standing.

III. And it is enacted, that one of the Commissioners being a Barrister of five years standing, shall be the Chief Commissioner.

IV. And it is enacted, that each of the Commissioners shall receive such Salary as to the Governor General in Council shall seem meet, respect being had to the qualifications of each.

V. And it is enacted, that it shall be lawful for the Governor of Bengal to appoint such and so many Ministerial Officers as to him shall seem necessary for the efficient performance of the business of the said Court, and that each of the said Officers shall receive such Salary as to the Governor General in Council shall seem meet.

VI. And it is enacted, that the said Subordinate Civil Court shall have jurisdiction over all causes of Action, for which an Action may be maintained on the Plea Side of the said Supreme Court, where the debt, damages, or value of the property for which such Action may be brought does not exceed the following amounts, that is to say, where the Action is brought, to recover any property for which an Action of Ejectment may be maintained in the said Supreme Court, the amount of Two Hundred Company's Rupees per annum, where the Action is brought for any malicious arrest, maliciously holding to Bail or for any other malicious prosecution, or for any Libel or Slander, or for any Assault, Battery, or false imprisonment, the amount of Three Hundred Company's Rupees, and in all other Actions the amount of One Thousand Company's Rupees.

VII. And it is enacted, that the jurisdiction of the said Subordinate Civil Court shall also extend to the recovery of the unliquidated Balance of a Partnership Account, to the extent of Five Hundred Company's Rupees if the Plaintiff shall be content to limit his claim to the recovery of that amount.

VIII. And it is enacted, that the jurisdiction of the said Subordinate Civil Court shall also extend to the recovery, against any Executor or Administrator or other Representative of any deceased testate, or intestate person of any demand not exceeding the amount of Five Hundred Company's Rupees for any distributive share of any property under an intestacy, or of any legacy, or residue or share of a residue, under a Will, if the plaintiff shall be content to limit his claim to the recovery of that amount in respect of such share or residue or legacy, provided always, that the said Court by this Act established shall not have jurisdiction over any such demand for such share, residue or legacy if any suit shall at the time of preferring such demand be pending in the said Supreme Court for the Administration of the Estate, out of which such share, residue or legacy is demandable.

IX. And it is enacted, that it shall not be lawful for any plaintiff to divide any cause of action into two or more suits for the purpose of bringing the same within the jurisdiction of the said Subordinate Civil Court; but any plaintiff having cause of action for debt or damages above the value recoverable under this Act may abandon the excess, and thereupon such plaintiff shall on proving his case have a decree for an amount not exceeding such value, and such decree shall be in full discharge of all demands in respect of such cause of action.

X. And it is enacted, that the jurisdiction of the said Subordinate Civil Court shall, as regards the persons to be subject thereto, extend to all persons inhabiting or seeking a livelihood within the City of Calcutta.

XI. And it is enacted, that the said Court shall on all purely legal demands for which an Action at Law is maintainable, decide according to the Law to be administered in the Supreme Court, in the like cases between the like parties, provided that the defendant may in any Action for such legal demand allege and establish an equitable defence, and thereupon the said Court shall by its decree give the defendants the benefit of such defence to the same extent, and upon the same principles of Equity as would be applied in the like case by the said Supreme Court on its Equity side, provided that such defence shall not involve a cross demand to an extent exceeding the sum of One Thousand Company's Rupees.

XII. And it is enacted, that the said Subordinate Civil Court shall exercise all the powers which are exercised by Her Majesty's Supreme Court of Judicature in the issuing of process, and summoning and compelling the attendance of witnesses and the administering of oaths or solemn declarations and for punishing contempts, and all other powers which are exercised by the said Supreme Court for trial and determination and execution in Actions at Law, and that the said Subordinate Civil Court shall have and use an Official Seal.

XIII. And whereas it is conducive to the good administration of Justice that the respectable part of the public should be associated therein: It is hereby enacted, that the Governor General in Council may, by Proclamation, order that every or any Commissioner of the said Subordinate Civil Court shall, in all suits, or in any particular class of suits, and in all proceedings therein or in any particular proceeding therein, sit with one or more Jurors, and may in the said Proclamation lay down rules for the selection, summoning and compelling attendance of the said Jurors, and for enforcing the performance of their duty by such Jurors.

XIV. Provided always and it is hereby enacted, that the verdict of such Juror or Jurors shall be only for the information of the Conscience of the Court.

XV. And it is enacted, that the manner of commencing a suit in the said Subordinate Civil Court shall be as follows:

1. Each of the Commissioners of the said Subordinate Civil Court shall sit at stated hours for the purpose of receiving plaints.

2. Every plaintiff bringing a suit in the said Subordinate Civil Court shall, except as hereinafter excepted, appear in person before one of the Commissioners, and shall, orally or in writing, lay before such Commissioner the facts which constitute his claim.

3. The excepted cases in which the plaintiff shall be excused from appearing in person for the purpose of making the statement of facts mentioned in the last Clause, are the same as the excepted cases specified in Clause 15 of this Section, but the plaintiff shall in all cases be permitted to make the statement of facts, by an Agent provided he deposit in Court the sum of Fifty Company's Rupees.

4. The sum so deposited shall be held as a security for any sum or such part thereof as it will cover, which may be, or which may become due to the defendant, or to the Government, in respect of the matter of the suit, or in respect of the mode of conducting it: if nothing shall so be, or become due, the sum shall be repaid to the plaintiff.

5. If the plaintiff lays the facts before the Commissioner orally, the facts whether stated of his own accord or elicited by examination shall be reduced into form and written down by the Commissioner or by an Officer of the Court under his direction, and shall constitute the plaint.

6. If the plaintiff lays the facts before the Commissioner in writing, the written statement shall be corrected in form by the Commissioner, or by an Officer of the Court under his direction, if it requires such correction, and in substance if it in any respect disagrees with the statement of facts elicited by the examination of the plaintiff; subject to such correction the written statement shall constitute the plaint.

7. When the statement of facts constituting the plaint has been made, the Commissioner, if he is of opinion that the defendant or the matter of the suit is not within the jurisdiction of the Subordinate Civil Court, shall make a decree accordingly.

8. If the Commissioner is of opinion that the defendant and the matter of the suit are within the jurisdiction of the Subordinate Civil Court, he shall direct a writ of summons to be issued to the defendant.

9. The writ of summons shall contain a copy of the plaint, and an order to the defendant to appear before the Court on a specified day, and to bring with him any documents which he may have in his possesssion, of which the plaintiff, with the consent of the Commissioner, demands inspection, or which he the defendant may think conducive to his defence, and a list of such witnesses as he supposes may be necessary for his defence.

10. If the plaintiff satisfies the Commissioner that the defendant is likely to withdraw himself from the jurisdiction of the Subordinate Civil Court, the Commissioner may direct a warrant of arrest against the defendant to be issued together with the writ of summons.

11. If the defendant is arrested on the warrant he shall be brought with all convenient speed before the Commissioner, who may discharge him from custody if he gives sufficient security for his appearance, or if he deposits a sum which the Commissioner considers under all the circumstances of the case sufficient, or if he satisfies the Commissioner that he does not intend to withdraw himself from the jurisdiction.

12. On every day in which any of the Commissioner shall sit for the purpose of receiving plaints, all the plaints received shall be laid before the Chief Commissioner, who will distribute them among all the Commissioners, including himself.

13. In distributing the plaints the Chief Commissioner will endeavonr to give to all the Commissioners a share of business which will occupy an equal portion of the time of each, and to give to each Commissioner those kinds of suits which he thinks each best qualified to decide.

14. Every plaintiff and defendant in the said Subordinate Civil Court shall appear except as hereinafter excepted in person, on the day specified in the writ of summons, and on every other day fixed for the appearance by the Commissioner.

If there is a co-plaintiff who appears in person.

If there is a co-defendant defending jointly who appears in person.

If not personally cognizant of the matter in dispute.

16. But in all these cases the Commissioner may refuse to hold the party excused from appearing in person if he is not satisfied that the excuse is made in good faith and that the matter of the excuse exists in a sufficient degree to justify him in admitting it.

17. Whenever an Agent has been admitted in place of a party, such Agent shall be permitted to do all that the party might have done had he appeared, and shall be liable to be examined and cross examined in the same manner.

18. And the Commissioner may if he thinks fit order that the party excused shall be examined in any way in which a witness may be examined.

XVI. And it is hereby enacted, that as soon as the plaintiff and defendant are together before the Commissioner to whom the suit has been assigned, he shall proceed to take the pleadings and settle the demurrers and issues of fact.

XVII. And it is hereby enacted, that the manner of pleading shall be as follows.

1. The defendant in answer to questions put by the Commissioner shall confess or deny each of the material allegations contained in the plaint, and shall state any matter whereby he proposes to avoid the plaintiff's right to a decree arising out of such allegations contained in the plaint, as he has confessed.

2. The defendant may demur if he thinks the plaint states a case insuffi cient to entitle the plaintiff to a decree.

3. The defendant shall not be precluded from demurring to any matter in the plaint because he has pleaded to it, nor shall he be precluded from pleading to any matter in the plaint because he has demurred to it.

4. The defendant shall not be precluded from denying as many of the allegations in the plaint as he does not know to be true.

5. The defendant shall not be precluded from avoiding the plaintiff's right to a decree arising out of any allegations in the plaint which the defendant has confessed by the statement of as many matters as he believes to be true.

6. The Commissioner in framing the pleading from the statements of the parties will take care that pleas shall be kept distinct from demurrers, and that no plea shall be double.

7. The Commissioner will also take care that the pleadings shall not be argumentative and shall state matters of fact only and not evidence of matters of fact, and shall in other respects be such as to lead directly to distinct issues of law or fact, and that each issue shall have as much particularity as conveniently may be.

8. All the above rules of pleading shall be applied, as far as they are capable of such application to the subsequent stages of the pleadings.

9. The Commissioner may examine the parties and permit them to cross examine each other through himself for the purpose of framing the pleadings from their statements, which statements may also be used as evidence at any hearing for the decision of the cause, and the Commissioner may likewise examine the parties and permit them to cross examine each other through himself at any hearing for the purpose of using their statements as evidence for the decision of the cause.

10. If any demurrer results from the pleadings which the Commissioner thinks fit for argument, he will after consultation with the parties fix a day for the argument on it.

11. If any issue of fact results from the pleadings upon which it is necessary to hear evidence the Commissioner will make a note of the names of the witnesses on both sides, and of the facts which each of them is expected to prove, and the documents which each of them is expected to produce, and will grant such subpœnas and subpœnas duces tecum as appear to him to be necessary for the purpose of justice, and will also direct each party to produce any document in his possession the production of which appears to the Commissioner necessary for the purposes of justice, and will after consultation with the parties, fix a day for the taking of evidence.

XVIII. And it is hereby enacted, that if any Commissioner, not being a Barrister, perceives while he is receiving a plaint, or while he is framing the pleadings, or in any subsequent stage, that the suit is one which in his opinion ought not to proceed before a Commissioner who is not a Barrister he may hand over the suit to the Chief Commissioner and direct the parties to go before the said Chief Commissioner who shall proceed with the suit, or direct any other Commissioner who is a Barrister, to proceed with the suit.

XXVIII. And it is enacted, that the Sheriff of Calcutta shall execute the process of the said Subordinate Civil Court, and shall, in respect to the execution of such process, be subject to the authority of the said Subordinate Civil Court, and shall for his trouble in executing such process receive from the Public Treasury such remuneration as to the Governor General in Council shall seem meet.

XXIX. Provided that such remuneration shall be proportioned to the quantity of labour imposed upon the said Sheriff in each month in the execution of the said process.

XXX. And it is enacted, that any suitor in the said Subordinate Civil Court who shall feel himself aggrieved by any decree thereof, may move the Supreme Court for a Rule to shew cause why the decree should not be altered or reversed, or for a Rule to shew cause why the said Subordinate Civil Court should not reconsider its decree, or for a Rule to shew cause why there should not be a new trial of the whole or any part of the facts on which its decree is founded.

XXXI. And it is enacted, that the said Supreme Court shall at its discretion grant or refuse any such Rule.

XXXII. Provided always and it is hereby enacted, that the Supreme Court shall not make absolute any such Rule if the decree of the Subordinate Civil Court be consistent with the Justice, Conscience and Equity of the case: that is to say the Supreme Court shall be governed in its decision upon any motion to make any such Rule absolute by the principles by which an English Court of Law would be governed in its decision upon a motion to make absolute a Rule for a new trial when there has been no misdirection in point of Law by the Judge before whom the cause was tried.

XXXV. And it is enacted, that the Judges of the Supreme Court, or the majority of them, may from time to time make such Rules for the Regulation of the proceedings on appeals and motions before them as to them may seem meet and as are not inconsistent with any thing in this Act contained; which Rules shall be in force from their date and shall continue in force unless they shall be disallowed by the Governor General in Council within the space of three months from their date; provided that such Rules shall be laid before the Governor General in Council within the space of one month from their date.

XXXVI. And whereas, although the several provisions hereinbefore contained for the constitution of the said Subordinate Civil Court are all copied, more or less exactly, from the provisions for the constitution of the several sorts of Courts used in the Administration of English Law and Equity, yet the combination of the said several provisions in one Court is new and experimental; and it might happen that suitors accustomed to the Administration of Justice by Civil Action at Law in Her Majesty's Supreme Court, might feel aggrieved if they were deprived thereof, It is hereby declared and enacted, that nothing in this Act contained shall be construed to affect the jurisdiction now exercised by the said Supreme Court in Civil Actions at Law in the cases falling within the jurisdiction of the said Subordinate Civil Court.

Ordered, that the Draft now read be published for general information.

Ordered, that the said Draft be reconsidered at the first meeting of the Legislative Council of India after the 13th day of November next.

And it is enacted, that every writ of summons which shall be issued from the said Court shall express that if the defendant shall not appear at the time mentioned in the said summons the suit will be proceeded with against him not appearing as aforesaid in his absence, and that the property of such defendant not appearing as aforesaid may be sequestered

III. And it is enacted, that it shall be lawful for the said Court upon the application of the plaintiff in the case of such defaults of appearance as are hereinbefore mentioned upon proof of the demand by affidavit or solemn affirmation or otherwise to the satisfaction of the said Court, to award and issue a writ of sequestration against the property of such defendant which said writ shall have the like operation and effect, and be dealt with by and under the order of the said Court in like manner to all intents and purposes as is by the said Charter directed as to writs of sequestration except so far as the provisions of the said Charter as to such writs of sequestration are varied by this Act, and then in the case of such variations to be dealt with under the provisions of this Act and of the said Charter; and if judgment shall pass for the plaintiff in the said suit, the said Court is hereby authorized and empowered to award and issue a writ to the Sheriff or other Officer to whom the process of the Court may be directed, commanding him to sell or otherwise dispose of the said property according to the nature thereof so seized and sequestered, and to make satisfaction out of the same or out of the produce thereof according to the nature thereof to the plaintiff for the amount of the judgment so recovered with his costs, and to return the surplus, if any there be, after satisfying the said judgment and costs, and the expenses of the said sequestration, to the person or persons in whose possession the said property was seized, or otherwise to reserve it for the said defendant as occasion shall require; and if such property shall not be sufficient to produce after defraying the expenses of such sequestration the amount of the judgment and the said costs, the said Court is further empowered to award and issue such process of execution for the deficiency as is by the said Charter provided for levying money recovered by judgment and costs; and if judgment shall pass for the defendant against whom such sequestration shall have issued the said Court is authorized

and empowered to award, and order the costs of the said suit and the expense of the said sequestration incurred by such defendant, and all other damages occasioned thereby to be paid by the plaintiff to such defendant as aforesaid, or his or their Attorney, or the person or persons in whose possession the said property was seized or otherwise as the said Court shall order, and the same shall be levied by such process as in the said Charter is provided for levying costs.

IV. And whereas by the Law of England the practice of arrest upon mesne process has been abolished except in certain cases, and it is desirable to assimilate the practice of the said Supreme Court on the plea side thereof to the Law of England in this respect with a due allowance for differing circumstances—It is therefore enacted, that no person shall be arrested upon mesne process in any civil action, whether commenced before or after the time appointed for the commencement of this Act as hereinafter provided, under any writ issuing out of the said Court on its plea side except in the cases by this Act provided and allowed.

V. And it is enacted, that if a plaintiff in any action in which the defendant was liable to be arrested on mesne process under the law in force at the time appointed for the commencement of this Act shall by the affidavit or solemn affirmation of himself, or of any other person, shew to the satisfaction of the said Court or of a Judge thereof that such plaintiff has a cause of action against the defendant to the amount of Company's Rupees four hundred or upwards, or has sustained damage to that amount, or if he shall by like affidavit or affirmation to be filed as aforesaid verify to the satisfaction of the said Court a case of such enormous personal wrong as in the judgment of the said Court requires such security; and that there is probable cause for believing that the defendant against whom the application is made is about to go out of the jurisdiction of the said Court unless he be forthwith arrested, or that such defendant has made or is about to make any fraudulent disposition of his property with a view to defeat or delay his creditors in general, or the plaintiff in particular, or that such defendant has evaded the service of process in the said cause, it shall be lawful for the said Court, or any Judge thereof, by a special order, to direct that such defendant shall be held to bail for such sum as such Court or Judge shall think fit not exceeding the amount of the debt or damages, and thereupon it shall be lawful for such plaintiff to sue out a writ of capias against any such defendant so directed to be held to bail, which writ of capias shall bear date on the day on which the same shall be issued.

VI. And it is enacted, that the Sheriff or other Officer to whom any such writ shall be directed shall arrest the defendant thereupon, and such defendant shall when so arrested remain in custody till he shall have given a bail bond to the Sheriff, or shall have made deposit of the sum endorsed on such writ of capias, together with a sum for costs, including the execution of the said writ according to the practice of the said Court on its plea side for the time being, and all subsequent proceedings as to putting in and perfecting special bail, or of making deposit and payment of money into Court instead of putting in and perfecting special bail shall be according to the like practice of the said Court, or as near thereto, as the circumstances of the case will admit.

VII. And it is enacted, that any such special order may be made and the defendant arrested in pursuance thereof in any action whether commenced before or after the time appointed for the commencement of this Act at any time after the commencement of such action and before final judgment shall have been obtained therein, and that a defendant in custody upon any such arrest and not previously served with a copy of the writ of summons shall be lawfully served therewith.

VIII. And it is enacted, that it shall be lawful for any person arrested upon any such writ of capias to apply at any time after such arrest to the said Court, or any Judge thereof, for an order or rule on the plaintiff in such action to shew cause why the person arrested should not be discharged out of custody; and that it shall be lawful for such Court or Judge to make absolute or discharge such order or rule, and to direct the costs of the application to be paid by either party, to make such other order therein as to such Court or Judge shall seem fit, provided that any such order made by a Judge may be discharged or varied by the Court on application made thereto by either party dissatisfied with such order.

IX. And it is enacted, that when any sequestration shall have issued in any action whether commenced before or after the time appointed for the commencement of this Act against any defendant, and the said defendant shall appear to the said action, it shall be lawful for the said Court, or any Judge thereof, to order that the said sequestration shall stand as a security for the debt and costs to be incurred in such action, or to order that the same be set aside on payment of the costs of such sequestration incurred by the plaintiff, and on the said defendants putting in and perfecting bail to the action, or on his making such deposit and payment in lieu of bail as by the practice of the said Court for the time being shall be required, and thereupon all subsequent proceedings as to the putting in and perfecting special bail, or of making deposit and payment of money into Court instead of putting in and perfecting special bail, and as to surrendering the defendant in discharge of bail, and taking the defendant for the

purpose of such surrender, and all other proceedings touching the premises shall be had according to the practice of the said Court on its plea side for the time being in like cases, or as near thereto as the circumstances of the case will admit.

X. And whereas it is desirable to amend the provisions in the said Charter contained as to the writs of Fieri Facias and Sequestration, and to extend the operation of such writs to be sued out after the time appointed for the commencement of this Act so as to embrace other property besides that which might before the time aforesaid have been seized, taken and sold under such writs respectively; and any writ of Venditioni Exponas issued to complete the execution thereof respectively, and to remove any doubts as to what property may be so seized, taken and sold—It is declared and enacted, that Money and Bank Notes, Notes issued for the payment of money by the East India Company, commonly called Company's Paper, Bills of Exchange, Promissory Notes, Bankers' Cheques, Money Bonds, Specialties for payment of money, or other securities for payment of money, whether such bonds, specialties or other securities be payable on a contingency or otherwise the property of the person against whom any such writ shall be issued whether in any action commenced before or after the time appointed for the commencement of this Act; and all other debts and claims for the payment of money whether the same shall be then due and payable, or to become due and payable at some future time or times, the property of the said person against whom such writ shall have issued shall and may be seized and taken under any such writ as aforesaid in such action as aforesaid; and when any Money or Bank Notes shall be so seized and taken the said Sheriff or other Officer to whom any such writ shall be directed shall and may under any such writ retain so much of such Money or Bank Notes as may be necessary to discharge his own claim for poundage, fees, or other costs, charges and expences of such execution, and shall and may pay or deliver to the party suing out such writ, so much of the said Money and Bank Notes as may be sufficient to discharge such execution, and when any other of the property aforesaid shall be seized and taken the said Sheriff or other Officer shall proceed in all respects in the execution of such process as to such property in like manner as is by the said Charter, and by the practice of the said Court directed and required as to debts seized under such process as aforesaid except where the said mode of procedure is varied by this Act, and from the time of such seizure all sums of money due or to become due on any of the said hereinbefore mentioned instruments so seized as aforesaid, or due or to become due in respect of any debts or claims whether seizable under the Charter, or under the provisions of this Act, and so seized as aforesaid, shall be paid and payable in such manner and form and no other as the said Supreme Court of Judicature at Fort William in Bengal, when the same shall be extended and returned into the said Court shall appoint, and such payment and no other shall form thenceforth be an absolute and effective discharge of the said sums of money and every of them respectively; and it shall not be lawful for the said Sheriff or other Officer to sell any of the said property hereinbefore mentioned, including therein debts seizable under the provisions of the said Charter so seized as aforesaid without the special order of the Court, and the said Sheriff or other Officer shall have power to sue in his own name to recover the money payable on such Notes, Bills of Exchange, Promissory Notes, Bankers' Cheques, Money Bonds, Specialties or other securities as aforesaid, and to recover the amount of such debts or claims as aforesaid, and the said Court shall have power to make such orders in the matters of such executions, and to make such alterations in the forms of the said writs as may be necessary to give effect to the provisions of this Act hereinbefore and hereinafter contained in respect of such executions, and to frame, if necessary, any new writ or writs for such purpose provided that no such Sheriff or other Officer shall be bound to sue any party liable upon any such Note, Bill of Exchange, Promissory Note, Cheque, Bond, Specialty, or other security, or liable in respect of such debt or claim as aforesaid unless the party suing out such execution shall enter into a Bond with two sufficient sureties for indemnifying him from all costs and expences to be incurred in the prosecution of such action, or to which he may become liable in consequence thereof, the expense of such Bond to be deducted out of any money to be recovered in such action. Provided always, that when such debt shall have been recovered in any action, or paid after action brought the surplus only of such debt over the taxed costs which the plaintiff may be liable to pay his own Attorney, and to the payment of which the opposite party in the cause shall not be liable, provided that the same have not been incurred unnecessarily and are not unreasonable in amount, shall be deemed and taken to be levied under such execution as aforesaid.

XI. And it is enacted, that all Houses, Lands or other real property held in trust for the person against whom such writs as aforesaid shall be issued at the time of the delivery thereof to such Sheriff or Officer as aforesaid, or any Equity of Redemption of the said party in such Houses, Lands or real property, as also all Lands, Houses or other real property over which such person shall at the time of the delivery of such writ to the Sheriff,

or at any time afterwards have any disposing power which he might without the assent of any other person exercise for his own benefit shall and may be seized, taken and sold, mortgaged or delivered to be held by the execution creditor subject to an account as hereinafter mentioned, or shall be subject to have a Receiver appointed for the same, or be otherwise dealt with under any such writ to be sued out in any action whether commenced before or after the time appointed for the commencement of this Act according to the respective natures thereof under the provisions in this Act and in the said Charter, or in either of them contained as to any such executions in like manner, or as near thereto as may be, as if the interest of the said execution debtor therein were legal and not equitable.

XII. And it is enacted, that if any person against whom any such writ as aforesaid shall be issued out of the said Court in any action whether commenced before or after the time appointed for the commencement of this Act shall have any share of, or in any public Company within the reach of the process of the said Court, whether such Company be incorporated or not, standing in his name in his own right, or in the name of any person in trust for him, or shall be entitled to any sum of money in the said Court, or in the hands of any Receiver appointed by the said Court, it shall be lawful for the said Court, or any Judge thereof, on the application of the execution creditor to order that such shares or money, or such of them, or such part thereof as such Court or Judge shall think fit shall stand charged with the payment of the amount for which such execution shall have issued, together with the amount of the costs of obtaining such order; and such order as to any such shares as aforesaid shall entitle such creditor to all such remedies as he would have been entitled to if such charge had been made in his favour by the execution debtor in the mode most favourable to such creditor, provided that no proceedings shall be taken to have the benefit of such charge as to any such shares until after the expiration of six calendar months from the date of such order, and such order as to such money aforesaid shall entitle the said creditor to move to have the said money paid out of Court, or by such Receiver to him, and the said Court shall have power to make such order accordingly, provided always that no such order for payment shall be made without previous notice to all such parties as may have any charge upon or interest in such money as aforesaid.

XIII. And whereas by the said Charter, Houses, Lands and other real property of execution debtors may be sold under the said writs, and it is desirable to protect such debtors against any unnecessary sacrifice of their property by such sales, due regard being at the same time had to the rights of execution creditors—It is therefore enacted, that it shall be lawful for the said Court upon the application of any such debtor whether such execution shall have been sued out before or after the time appointed for the commencement of this Act if it shall be made to appear to the said Court that a sale of the Lands, Houses or other real property of such debtor would probably be attended with great and unnecessary loss to such debtor, and that the debt might be discharged by other means than a sale of the property to order the said Sheriff or other Officer not to proceed to a sale thereof and to appoint a Receiver of the said property, and to direct a competent sum to be raised by mortgage of the property for the satisfaction of the demand of the execution creditor, and of all poundage, costs, charges and expences of the said execution, or to direct that the same shall be paid out of the rents and profits of the said property; and the said Court shall have power instead of appointing such Receiver by its writ to be issued for that purpose to order the said Sheriff or other Officer to make and deliver execution unto such creditor with his assent, of the Lands, Houses and other real property of such debtor, which Lands, Houses and other real property of such debtor shall by force and virtue of such execution be held and enjoyed by the party to whom such execution shall be so made and delivered, subject to an account in the said Court out of which such execution shall have issued, which said account the said Court shall have power on application on its Equity side to order to be taken upon petition without any bill filed for that purpose, provided always that such party to whom such execution shall be made and delivered as aforesaid shall be liable to pay the Government revenue and other payments and charges in respect of the Ownership of such lands, Houses and other real property, to the extent of the rents and profits thereof in like manner as the party against whom such execution shall have issued would have been bound to make, perform and render in case such execution had not issued, and shall be charged in account only with the surplus of such rents and profits over and above such Government revenue, costs and charges which he shall have paid and shall be entitled to hold the said Lands, Houses and real property aforesaid until the said execution shall be satisfied, together with the amount of all such payments and all necessary costs incurred by him under the provisions aforesaid.

XIV. And it is enacted, that no execution creditor, who under the powers of this Act, or in the said Charter contained, shall be entitled under any such seizure as aforesaid to any charge on any property, or to any debt or security or sum as aforesaid, shall afterwards and

before the property so charged or secured shall have been converted into money or realized, and the proceeds thereof applied towards payment of the said debt cause the person of the execution debtor to be taken or charged in execution upon such judgment without the previous order of the said Court; and in case such creditor shall obtain such order and shall take or charge the person of such debtor in execution under the same upon such judgment, such creditor shall be deemed and taken to have relinquished all right and title to the benefit of such property, debt, security or sum as aforesaid.

XV. And it is further enacted, that the property of the party against whom any Fieri Facias or Sequestration shall be issued in any action whether commenced before or after the time appointed for the commencement of this Act, shall be held to be bound as against the said party and all others claiming by succession from him, or by means of any gift, grant, transfer or conveyance by him, or with his direction or consent otherwise than for any valuable consideration by the delivery of such writ or sequestration to the Sheriff for the purpose of executing the same, and that as well against any Assignee of any Insolvent Debtor, or any person claiming under such Assignee as against all other persons than those hereinbefore mentioned such property shall be bound only from the time of the seizure under the same; provided always that nothing herein contained shall be construed to give validity to any transfer or conveyance or delivery or other disposition of, or dealing with the said property which before and at the time appointed for the commencement of this Act would be held to be fraudulent and void against creditors.

XVI. And it is enacted, that if it shall appear either from the pleadings or particulars, or any copy of any instrument or writing annexed to the pleadings in any action in the said court, or upon the evidence that the form of action has been mis-conceived either as to the whole or part of the subject matter of such action, the Court shall have power at any stage of the cause before judgment to amend the proceedings either by amending the form of the plaint and other pleadings, or by striking out any count or counts or part thereof, or by causing the verdict to be vacated in part and entered up on any count or counts instead of generally, or otherwise, upon such terms as to costs or otherwise as to such Court shall seem just and fit, and if in any such case as aforesaid the said amendments cannot be made without a new trial by reason of the difficulty of apportioning the damages or otherwise, then it shall be lawful for the said Court at any time upon objection taken after verdict and before judgment to order a new trial to be had, and to cause such amendments to be made on the record and proceedings as to such Court shall seem just and fit; and provided always that if the said Court shall be of opinion in any such case as aforesaid that the defendant has been misled or otherwise prejudiced by the improper form of the action either as to the whole or any part thereof, and that a postponement of the trial or of the inquiry is necessary for the attainment of justice the said Court shall postpone the said trial or inquiry, and make such order and impose such terms on either party as to amendments or otherwise, and as to costs as under the particular circumstances of the case shall be just and fit.

XVII. And it is enacted, that if there be any misjoinder of counts in any action in the said Court, the Court shall have power at any time and at any stage of the cause to amend the proceedings either by striking out one or more counts, or parts thereof, or otherwise, upon such terms as to costs or otherwise as to such Court shall seem just and fit.

XVIII. And it is enacted, that if there be a misjoinder of different rights of action in any action in the said Court, and the said misjoinder shall be objected to the said Court shall have power at any stage of the cause before judgment to amend the proceedings either by striking out one or more counts or parts thereof, or otherwise, upon such terms as to costs or otherwise as to such Court shall seem just and fit.

XIX. And it is enacted, that every right of action for mesne porfits, or other damages to which a person dying after the time appointed for the commencement of this Act shall have been solely entitled at his death, for any unlawful possession of, or other trespass, injury or wrong in his life time to his lands and hereditaments, whether arising from commission or omission of any act or duty, shall survive to his Executors, Administrators or Representatives.

XX. And it is enacted, that if upon the trial of any action in the said Court, it shall appear upon evidence that too many persons are joined as defendants therein no objection shall be allowed at the said trial on the ground of variance or otherwise by reason of such misjoinder. Provided always, that the said Court shall upon such trial give its verdict for such defendant or defendants as shall not be proved to be liable to the demand of the plaintiffs in respect of the subject matter of such action; and provided always, that if any such misjoinder appear from the pleadings and particulars, or any copy of any instrument or writing annexed to the pleadings and be not demurred to, no motion in arrest of judgment shall be made on the ground of such misjoinder, and that if such misjoinder be demurred to, the Court shall have power as well before as after the argument of such demurrer to cause the record to be amended by expunging the name of such person as shall be improperly joined as defendant therein.

XXI. And it is enacted, that no plea in abatement of any action in the said Court shall be pleaded for any nonjoinder of any person as plaintiff or defendant in the said action, and that the objection shall be taken in any such action to such nonjoinder in this mode only, viz. by plea to be termed a plea of nonjoinder of parties, which plea shall be in the form of a plea in abatement for such nonjoinder except that it shall not pray judgment of the plaint and that the same may be quashed; and after any such plea shall be pleaded it shall be lawful for the said Court to amend the proceedings by the addition thereto of such person or persons as it may be proper to add thereto, and to make such order as to costs and otherwise as to the said Court shall seem just and fit, and no such action shall abate by reason of any such nonjoinder; and if the said defect appear from the pleadings, particulars or any copy of any instrument or writing annexed to the pleadings, it shall not be a ground of demurrer or of any motion to arrest the judgment in such action. Provided always, that to any such plea of nonjoinder of a defendant the plaintiff may reply that such person named therein has been discharged by bankruptcy and certificate, or by a final order under an Act for the Relief of Insolvent Debtors; and provided always, that if upon any such plea of nonjoinder of a defendant the plaintiff shall cause the proceedings to be amended by adding as defendant the person named in such plea, and such, defendant shall be discharged therefrom by the verdict or judgment of the Court upon the ground that he or they ought not to have been joined as a co-defendant the plaintiff shall be entitled to recover over such costs as he shall be liable to pay to such defendant for whom such verdict or judgment shall be given, from such other defendant so pleading the nonjoinder as aforesaid. Provided always, that any such defendant who shall have pleaded the nonjoinder of any other person as defendant in such action who shall have been added by the plaintiff as defendant in consequence of such plea shall be at liberty to produce proof for the purpose of establishing the liability of such defendant so added as aforesaid. Provided always, that nothing herein contained shall in any way affect the right of any defendant against whom a judgment has been given to recover contribution where an action for contribution is by law maintainable in any action to be brought in any Court against any party or parties so joined as defendant and discharged as aforesaid. Provided always also, that no right of set-off shall be prejudiced by any provision in this Act contained, and that it shall be competent for any defendant to plead a set-off in like manner if the party to whom such set-off is alleged to be due was the only defendant which plea of set-off shall aver that he is alone liable to the plaintiff's demand in that action.

XXII. And it is enacted, that an action at law shall be maintainable on the plea side of the said Court between one or more of several co-partners, joint contractors or joint owners, whether they be such as Executors, Administrators or Representatives, or otherwise, against his or their co-partners, joint contractors or joint owners for any demand of such a nature that the same between any parties would be the subject of an action at law, and that no such action shall be defeated by reason merely of the plaintiff and defendant, or any other person interested or concerned in such action being or having been members of the same partnership or such joint contractors or joint owners as aforesaid.

XXIII. And it is enacted, that the provisions in this Act contained as to such action between co-partners, co-contractors and joint owners as aforesaid are hereby extended to and shall include all causes of action arising between different bodies of persons who may be co-partners, co-contractors or joint owners inter se, though any such body may have some one or more of its members a common member or members of such different bodies, and in such cases such common member or members may be both plaintiff or plaintiffs, and defendant or defendants in the same suit.

XXIV. And it is enacted, that in any such action between co-partners, co-contractors and joint owners as aforesaid, the defendant may plead as a set-off any matter for which he could maintain an action at law against the plaintiff and which may be the subject matter of a set-off.

XXV. And it is enacted, that a demand in respect of any chose in action assignable in Equity and which is by this Act made assignable at law may be set-off in any action at law wherein a plea of set-off is allowed, provided that the same is of such a nature as to be the subject matter of a set-off, and in any action brought by a trustee, any sum due from or claim upon the cestin que trust to or by the defendant which is of such a nature as to be the subject matter of a set-off may be set-off against the demand of the plaintiff in such action; subject always to any lien of such plaintiff on the trust fund for his indemnity.

XVIX. And it is enacted, that in every action in the said Court wherein a set-off shall be pleaded if the defendant shall prove a larger sum to be due to him than the sum which the plaintiff shall prove to be due to him, then the Court shall have power to give a verdict for the defendant for the balance found due to him if it shall appear to the said Court that the same may with a due regard to justice be done. Provided

always, that every set-off under this Act shall be pleaded in all causes where it is now necessary to plead a set-off.

XXVII. And it is enacted, that all legal choses in action which are the subjects of an action at law, and which are or may be assignable in Equity shall be assignable at law for the same considerations and in the same manner as the same are assignable in Equity, and any assignee of any such chose in action may bring an action in his own name on the plea side of the Court in respect of any such matter or thing as aforesaid so assigned to him against the party originally liable thereon which said party so originally liable shall be sued in the like form as if the action were brought in the name of the original assignor, and in any such action it shall be sufficient for such assignee in alleging his title to sue to state that the title of the original assignor came to him by assignment without stating any intermediate assignments, and in any such action payment or other satisfaction to the original assignor any intermediate assignee whether before or after assignment to the plaintiff may be pleaded, which plea of payment or satisfaction as aforesaid if after assignment to the plaintiff shall contain an averment that the defendant had not notice at the time of such payment or satisfaction of the assignment to the plaintiff, and upon any issue joined upon a traverse of such notice, proof of any facts which would constitute notice in a Court of Equity of such assignment in the like case shall be deemed to be sufficient proof of such notice.

XXVIII. And it is enacted, that in all cases in which by reason of the loss of any instrument the party entitled, but for such loss to sue upon the same in an action at law would before the time appointed for the commencement of this Act have been forced to sue in a Court of Equity it shall be lawful to sue in the said Court in an action at law on the plea side thereof in like manner as if no such loss had occurred; and it shall be lawful for the said Court upon the application of the party sued upon such lost instrument to stay proceedings in such action till the plaintiff shall give security to indemnify the defendant against any claims upon such instrument in case the same shall be afterwards produced in like manner and to the same extent as a Court of Equity would direct in the like case. Provided always, that in any action upon such instrument the plaintiff shall describe the same in his plaint as lost.

XXIX. And it is enacted, that in any action in the said Court whether commenced before or after the time appointed for the commencement of this Act it shall be lawful for the said Court upon the motion of either party on the plea side thereof upon affidavit or solemn affirmation disclosing such facts and circumstances that in the opinion of the Court the party so applying would be entitled to a discovery in support of or with a view to establish a defence to the said action according to the principles upon which the said Court on its Equity side would act in giving discovery in the like cases, to grant a rule calling on the opposite party or parties, or any of them, to shew cause why such discovery should not be had and the proceedings stayed in the meantime, and the Court upon granting such rule shall if it think fit order the proceedings to be stayed, and upon the shewing cause against such rule, or if cause be not shewn against such Rule shall, if it shall think fit, make such order for the examination of the party or parties by interrogatories in writing to be exhibited by the party applying for such discovery and by examination vivâ voce at the trial or other previous stage of the cause, or by either of the modes aforesaid as it shall think fit, and the said Court shall have power to order from time to time such interrogatories to be amended and such further interrogatories to be added as it shall consider the justice of the case to require, and to make such order for production of documents as it might make in the like case of a bill had been filed for discovery in such action, and to impose such terms upon the party so applying for such discovery as to the said Court shall seem reasonable and just, and to make such order as to costs, and such other orders as may be necessary to enforce such discovery either by commitment for contempt or by ordering the matter of which discovery is sought to be taken pro confesso.

XXX. And it is enacted, that nothing in this Act contained whereby any jurisdiction is given to the said Court on the plea side thereof over matters which before the time appointed for the commencement of this Act were cognizable by the said Court on the Equity side thereof shall have the effect of ousting the said Court of its jurisdiction over such matters on the Equity side thereof, or shall deprive any party of his remedy on the Equity side of the Court in respect of such matters.

XXXI And it is enacted, that it shall be lawful for the said Court in any case in which a party shall be entitled to file a bill for an account on the Equity side thereof upon the petition of the party so entitled to the said Court on the Equity side thereof, supported by affidavit or solemn affirmation, and upon due notice thereof to such persons as would have been necessary parties in case such bill had been filed to direct such account to be taken, and such account shall be taken accordingly; and it shall be lawful for the Court in like manner to make such further orders in the matter of the said account as might be lawfully made in case such bill had been filed.

XXXII. And it is enacted, that in any case in which any party shall be entitled to file a bill of interpleader in the said Court on the Equity side thereof, it shall be lawful for the said Court upon the petition of the party so entitled as aforesaid, supported by affidavit or solemn affirmation, and upon due notice thereof to such persons as would have been necessary parties in case such bill had beed filed to make such orders in the matter of the said petition as the said Court might make if such bill had been filed.

XXXIII. And it is enacted, that it shall be lawful for the said Court in any case in which a party shall be entitled to file a bill on the Equity side thereof for the payment of a legacy, or any residue or share of a residue, or for any distribution of property under any right of succession, ab intestato or otherwise upon the petition of the party so entitled on the Equity side of the said Court, supported by affidavit or solemn affirmation, and due notice thereof to such persons as would have been necessary parties in case such bill had been filed to make such orders thereupon in like manner as if such bill had been filed.

XXXIV. And it is enacted, that in any case in which a party shall be entitled to file a bill on the Equity side of the said Court for the purpose of obtaining the construction of any instrument, it shall be lawful for the Court upon the petition of the party so entitled to the said Court on the Equity side thereof, supported by affidavit or solemn affirmation, and upon due notice to such persons as would have been necessary parties in case such bill had been filed, to declare the construction of such instrument notwithstanding that the said petition may involve other matters, and to make such further orders in the matter of the said petition as might be lawfully made in case a bill had been filed.

XXXV. And it is enacted, that it shall be lawful for the Court to make such orders for compelling appearance to such petitions as aforesaid, and in default of appearance upon such petitions as shall be necessary to give effect to the provisions in this Act contained as to such petitions, and that all orders made on such petitions shall be binding in like manner, and shall be enforced against such persons and in the same manner and by the like process as decrees or orders to the like effect would have been enforced in case a bill had been filed.

XXXVI. And it is enacted, that it shall be lawful for the said Court upon any suit in Equity for the specific performance of an agreement if the Court shall be of opinion that there ought not to be a specific performance to award damages for the non performance of the agreement in like manner as the Court might award damages in an action at law for the breach of the agreement; and in case the Court shall not be able to assess the same then to direct a reference to the Master, or an issue for ascertaining the amount of the same; and it shall also be lawful for the said Court to direct the re-payment of the purchase money, or so much thereof as shall have been paid, or of the deposit and of interest on the said purchase money or deposit.

XXXVII. And it is enacted, that in any Equity suit in the said Court when any answer shall have been reported insufficient, and no exceptions shall have been filed to such report or such exceptions shall have been overruled in the whole or in part, or not proceeded with, it shall be lawful for the Court, if it shall see fit, to direct the defendant to be examined upon interrogatories or viva voce in open Court, and to commit him till he shall have fully answered and shall have paid such costs as the Court shall award.

XXXVIII. And it is enacted, that where any party in any suit in the said Court, whether instituted before or after the time appointed for the commencement of this Act, is directed to do any act either in any suit or proceeding by petition in manner aforesaid on the Equity side thereof, or under the jurisdiction hereby given to the said Court on the plea side thereof over matters which before the time aforesaid were matters subject to the jurisdiction of the said Court on its Equity side only, and shall be in contempt for the non-performance thereof, it shall be lawful for the said Court to direct the same to be performed by some Officer of the Court, whether the party be in custody for such contempt as aforesaid or not, and without prejudice to the right to proceed for such contempt with a view only to the recovery of any cost which the party in contempt would have been liable to pay before being discharged from his contempt.

XXXIX. And it is enacted, that in the administration of assets by any Executor or Administrator under any Probate or Letters of Administration to be granted after the time appointed for the commencement of this Act, or in any suit for the administration of assets to be brought in the said Court after the time aforesaid, all assets, whether legal or equitable, shall be distributable and distributed pari passee amongst the creditors in like manner and according to the same rules as if the whole were equitable assets distributed under a decree of a Court of Equity.

XL. And it is enacted, that the said Court shall have power on the Ecclesiastical or Admiralty side thereof as fully to all intents and purposes, and in the like manner and subject to the like conditions as on the Equity side thereof, to direct and issue to be tried on the plea side of the Court, and every issue directed by the said Court on any of its sides so to be tried as aforesaid, shall be set down for trial on the plea

side of the Court upon production to the proper Officer of the Court of a copy under the seal of the said Court of the order of the Court directing such issue unless the order be made on the plea side of the Court, in which case it may be set down to be tried upon the original order which said copy, or which said order, as the case may be, shall alone be considered as the record on which such trial shall proceed, and the verdict shall be entered thereon, and no pleadings shall be had with a view to the trial of any such issue, nor shall there be any other record than as aforesaid upon any such direction of an issue as aforesaid, and the said Court shall have power at any time after the making of such order for the trial of an issue as is aforesaid to issue process for the attendance of witnesses on the trial of such issue, and shall have all the powers to issue commissions for the examination of witnesses, or to take the evidence of witnesses debene esse, or for summoning witnesses, or for proceeding against any who may have been summoned for disobedience to the process whereby they were summoned, as well as in respect of all other matters and things, except as herein otherwise provided which it might exercise in any action, on the plea side of the Court, and every person wilfully swearing or affirming falsely upon such trial, or in any deposition under any commission issued for the purpose of such trial, or in any affidavit or solemn affirmation relating thereto as to any matters material to the question then depending, shall be liable to be indicted for wilful and corrupt perjury if he shall have sworn falsely as aforesaid, or if he shall have affirmed falsely as aforesaid he shall be subject upon a conviction for a misdemeanor for the said offence to the same pains, penalties and forefeitures to which persons convicted of wilful and corrupt perjury are or shall be subject.

XLI. And it is enacted, that in all suit on the Equity, Ecclesiastical or Admiralty sides of the Court wherein before the time appointed for the commencement of this Act the evidence was taken by written deposition before the Examiner or other Officer of the Court, and wherein after the time aforesaid it shall be necessary to take the examination of witnesses, the witness shall be examined viva voce in open Court. Provided always, that the evidence of such witnesses shall be reduced into writing and signed by the said witnesses and filed of record in the said Court. Provided always, that nothing herein contained shall be construed to extend to prevent the use of affidavits or solemn affirmations where such affidavits or solemn affirmations are by the course and practice of the said Court now admissable in any interlocutory proceedings in any suit on the said several sides of the said Court, or upon any application for Probate or Letters of Administration, or ad colligendum bona, or for the appointment of a Curator, next friend, Guardian, Receiver, Trustee, or for the issuing or return of any commission, writ or other process of the said Court, or relating to the service or execution thereof, or upon any motion or petition, or summary application to the said Court on any of the said sides thereof respectively. Provided always, that nothing herein contained shall be construed to extend to any proceedings under any commission for the examination of witnesses, nor to abridge the power of the said Court to issue any such commission.

XLII. And it is enacted, that the Court shall have power to take the examination debene esse of any witnesses in open Court in any suit on the said several sides of the Court in like manner and subject to the same conditions, rules and provisions which apply to the examination of witnesses debene esse on the plea side of the said Court.

XLIII. And it is enacted, that every inquisition of lunacy to be holden within the local limits of Calcutta shall be holden before the said Court, any former practice or usage to the contrary notwithstanding, and the trial shall be by a special jury of twelve men who shall be summoned in the usual manner of summoning a special jury.

XLIV. And whereas by the Charter establishing the said Supreme Court, the said Court is authorized and empowered to frame such rules of practice, and to make such standing orders for administration of justice and the due exercise of the Civil, Criminal, Admiralty, and Ecclesiastical Jurisdiction thereby created, and to do all such other things as shall be found necessary thereto so as the said Court shall from time to time transmit the same under the Seal thereof to Her Majesty, Her Heirs or Successors in Her or their Privy Council for the approbation, control, or alteration of Her Majesty, Her Heirs or Successors. And whereas by an Act passed at a Session of Parliament holden in the second and third years of the Reign of Her present Majesty, entitled "An Act to confirm certain "Rules and Orders of the Supreme Courts of "Judicature at Fort William and Madras, and "to empower the same Courts and the Supreme "Court of Judicature of Bombay, to make Rules "and Orders concerning Pleadings"—it was enacted amongst other things that the Supreme Court of Fort William should and might by any other Rules and Orders to be from time to time passed by such Court make such further alterations in the mode of pleading in the said Court, or in the mode of entering and transcribing, pleadings, judgments and other proceedings in actions at law or suits in Equity, or any Civil or Ecclesiastical causes, and such regulations as to the payment of costs and otherwise for carrying into effect any such alterations as to the said Court might seem expedient, subject to

And whereas it is desirable to prevent any doubts arising as to the power of the said Court to make such Rules and Orders and Regulations as may from time to time be necessary to give full effect to the provisions in this Act contained—It is enacted, that the said Court shall and may make from time to time such Rules, Orders, and Regulations as to the mode of procedure in the said Court as may be necessary to give full effect to all the provisions in this Act contained, and all such Rules, Orders, and Regulations shall be submitted for confirmation or disallowance to the Governor General of India in Council immediately upon the making of the same, and every such Rule, Order or Regulation shall to all intents and purposes have full effect after it shall have been confirmed by the said Governor General of India in Council, but any such Rule, Order, or Regulation when so confirmed shall be transmitted to Her Majesty, Her Heirs or Successors in Council, and shall be subject at any time to be altered or rescinded by Her said Majesty, Her Heirs or Successors in Council. Provided always, that no Rule, Order or Regulation to be made by virtue of this Act shall have the effect of depriving any person of the power of pleading the general issue, and giving the special matter in evidence in any case wherein he is now or hereafter shall be entitled to do so by virtue of any Statute or Act now or hereafter to be in force.

XLV. And it is enacted, that the word joint owners in this Act shall be construed to include all joint tenants, tenants in common, co-parceners or other joint proprietors, and the words plaintiff or defendant to include all the plaintiffs and defendants, or some of them, and whenever in describing any person or party, matter or thing the word importing the singular number or the masculine gender only is used in this Act the same shall be taken to include several persons or parties as well as one person or party and females as well as males, and several matters or things as well as one matter or thing respectively, and the term person or party shall be taken to include and shall be applied to a body corporate, unless in any of the before mentioned cases there be something in the subject or context repugnant to such construction.

XLVI. And it is enacted, that this Act shall come into operation on the
day of and that nothing herein contained shall affect or extend to any action, suit, or other proceeding commenced before the time aforesaid except where it is otherwise provided.

Ordered, that the Draft now read be published for general information.

Ordered, that the said Draft be reconsidered at the first meeting of the Legislative Council of India after the 13th day of November next.

FORT WILLIAM,
HOME DEPARTMENT,
LEGISLATIVE,
THE 13TH MARCH 1847.

The following Draft of a proposed Act was read in Council for the first time on the 13th of March 1847.

ACT No. —— OF 1847.

An Act for facilitating the execution of the Process of the Supreme Court of Judicature at Fort William in Bengal, and the taking of affidavits without the local limits of the jurisdiction of the said Court.

I. Whereas by the Charter of the Supreme Court of Judicature at Fort William in Bengal, the process of the Court, except in certain cases, is required to be addressed to and executed by the Sheriff of Calcutta, which in the case of parties resident without the local limits of the jurisdiction of the Court is often attended with unnecessary expense and other inconvenience. And whereas it is desirable to make provision for the execution of the process of the said Supreme Court without the local limits of its jurisdiction similar to those made for the execution of the process of the Courts of the Hon'ble the East India Company within the local limits of the jurisdiction of the said Supreme Court —It is enacted, that from and after the passing of this Act it shall be lawful for the said Supreme Court, notwithstanding the terms of the said Charter when any process of the said Court is to be executed against any person subject to the jurisdiction thereof, and not resident within the local limits thereof, or against any property without such limits to issue any process which the said Court is as may be empowered to issue, and to address the same to such person as it shall think fit, and to direct the execution thereof in the manner hereinafter provided, and that the same shall be executed accordingly, and that upon the same being executed and returned in the manner provided for by this Act it shall be lawful for the said Court to proceed thereupon in like manner as if the same had been executed according to the practice of the Court before the passing of this Act.

II. And it is enacted, that it shall be lawful for the said Supreme Court or for any Judge thereof by a letter of request addressed to any Court, Judge, Magistrate, or Justice of the Peace, without the local limits of the said Supreme Court, enclosing or accompanied by two duplicate originals of any such process as aforesaid to request that such process may be executed within the limits of the jurisdiction of such Court, Judge, Magistrate, or Justice of the Peace, pursuant to the directions therein contained, and that such letter and each of such duplicates shall be signed by one of the Judges of the said Supreme Court and sealed with the seal of the said Court, and the production thereof purporting to be so signed and sealed as aforesaid shall be sufficient evidence of the issuing of such process, and that the requisition thereof shall and may be performed by any person or persons for the time being, constituting such Court, or discharging the duties of such Judge, Magistrate, or Justice of the Peace.

III. And it is further enacted, that upon the production of such letter of request, together with such duplicates as aforesaid, any Judge of such Court, or such Judge, Magistrate, or Justice of the Peace shall, by endorsement upon one of such duplicates respectively under his hand, direct the said process to be executed pursuant to such directions as aforesaid by such person or persons as such Court, Judge, Magistrate, or Justice of the Peace shall appoint to execute the same, and shall deliver one of such duplicate to such person or persons so appointed to execute the same and that the same shall be executed accordingly ; and if the same shall require to be executed beyond the limits of the jurisdiction of the Court, Judge, Magistrate, or Justice of the Peace, to which or to whom such letter of request may be addressed, then such duplicate may be executed by any other Court, Judge, Magistrate, or Justice of the Peace, having jurisdiction over the subject matter of such process in like manner as the original process of the Court, Judge, Magistrate, or Justice of the Peace to which or to whom such letter of request may be addressed may be executed beyond the limits of the jurisdiction of such Court, Judge, Magistrate, or Justice of the Peace. Provided always, that when such process shall be executed by any Court, Judge, Magistrate, or Justice of the Peace to which or to whom the letter of request aforesaid was not addressed a Judge of such Court, or such Judge, Magistrate, or Justice of the Peace so executing the same shall certify in writing under his hand the execution of such process, and shall forward such certificate to the said Court, Judge, Magistrate, or Justice of the Peace to which or to whom such letter of request was addressed, of which said certificate purporting to be signed as aforesaid the production alone shall be sufficient evidence.

IV. And it is further enacted, that when such process shall have been executed in manner aforesaid, any Judge of such Court as such Judge, Magistrate, or Justice of the Peace as aforesaid to which or to whom such letter of request as aforesaid was addressed shall by endorsement upon the other of such duplicates under his hand certify the execution thereof, and shall deliver such duplicate so endorsed to the party or parties by whom the same was originally produced, or his or their agents, and the production of such duplicate so endorsed and appearing to be so signed as aforesaid shall be sufficient evidence of the execution of such process.

V. And it is enacted, that upon the delivery of such duplicates of any civil process as aforesaid, to such Court, Judge or Magistrate as aforesaid the said Court, Judge, or Magistrate shall cause the date of such delivery to be endorsed on such duplicates, and shall cause the said process to be executed in like manner or as near thereto as if the same had been issued from or by such Court, Judge or Magistrate as aforesaid at the time of the said delivery; and no distinction shall be made as to priority or otherwise between the execution of such process as aforesaid, or any other process of or by the said Court, Judge or Magistrate. But every process, whether original or otherwise, shall as between each other, be subject to the same rules touching the mode and order of execution as are now or may be from time to time established in respect of process originally issued by such Court, Judge or Magistrate.

VI. And it is further enacted, that where any process of the said Supreme Court for the appointment of a Receiver of any lands out of such local limits, or any other process of the said Supreme Court against such lands shall be issued for the purpose of being enforced or executed by any other Court, Judge or Magistrate, under the provisions of this Act, a copy of the judgment, decree or order of the said Supreme Court, by virtue of which such process issued, signed by one of the Judges, and under the seal of the Court, shall, if the said local Judge or Magistrate shall so require, be registered in the Court to which such process is forwarded to be executed, and that a copy of such judgment, order or decree shall be forwarded, sealed with the seal of the said Supreme Court for the purpose of such registry.

VII. And it is further enacted, that persons wilfully neglecting to execute such process, or obstructing the execution thereof, shall be liable to be punished in like manner and by the like Courts, Judges, Magistrates, or Justices of the Peace, as if such process had been issued originally by such Court, Judge, Magistrate, or Justice of the Peace, provided that nothing herein contained shall deprive the said Supreme Court of its power to punish such persons for a contempt, in case they shall not be otherwise punished.

VIII. And it is enacted, that no action or other proceeding shall be had or maintained against

SATURDAY, MARCH 27, 1847.

General Order by the Right Hon'ble the Governor General of India.

Foreign Department, Camp Dhera, March 15th, 1847.

Fort William, Foreign Department, the 30th August, 1843.

NOTIFICATION.—Some misconception appearing to exist with respect to the power which Officers of both Services have over the Documents and Papers which come into their possession officially, the Governor General in Council deems it expedient to notify, that such Documents and Papers are in no case to be made public, or communicated to individuals, without the previous consent of the Government, to which alone they belong.

The Officer in possession of such Documents and Papers can only legitimately use them for the furtherance of the public service, in the discharge of his official duty, and it is to be understood, that the same rule which applies to Documents and Papers, applies to information of which Officers may become possessed officially.

By order, &c.,

(Sd.) J. THOMASON,
Secy. to the Govt. of India.

The Governor General deems it advisable to republish for general information, the Notification issued on the 30th August 1843, in which the principle is laid down, that it is contrary to the duty of every Officer, Civil or Military, to make public or to communicate to individuals, without the previous sanction of Government, any Documents, Papers, or Information, of which he may have become possessed in his official capacity.

The practice of making use of official information in carrying on personal controversies is a course highly prejudicial to the public interests, and is not only at variance with the rules by which due discipline and obedience to superior authority can be adequately maintained, but is a positive breach of faith, in as much as no Functionary has a right to reveal, without due authority from his official Superiors or the Home Authorities, any fact or circumstance which may come to his knowledge in the performance of his duty, or to correspond with any one upon the instructions he may have received for his special guidance.

The Governor General is persuaded, that every Officer, Civil and Military, will henceforth conform to this rule of the Service, under the conviction that, if in the transaction of his official duties, his public conduct be impugned, he is at liberty to seek redress through the usual official channel by an appeal to the Government he serves, and that the Government so appealed to will afford him every opportunity of vindicating his character.

By order of the Right Hon'ble the Governor General of India,

H. M. ELLIOT,
Offg. Secy. to the Govt. of India, with the Govr. Genl.

Camp Kalpee, 19th March 1847.

The Right Hon'ble the Governor General of India is pleased to cancel the General Order by the Governor General, dated the 11th instant, appointing Brigadier T. Monteath, C. B., A. D. C. to the Queen, to the temporary Command of the Benares Division during the absence of Major General Alexander.

EDUCATION NOTICE.

AN Examination will be held early in April 1847, in the College of Fort William, for the purpose of filling up existing vacancies in the Secondary or Military Class of the Medical College. All candidates will be expected to possess an adequate knowledge of the Hindoostanee language, to enable them to read and write it in the Persian or Devanagri character.

2. All Interpreters of Regiments and Battalions will be requested through the Military Department, not to grant certificates of qualification to any candidate under the age of fifteen and above that of twenty years: and likewise to reject all who may not pass the prescribed ordeal with a sufficient degree of fluency and facility. Much disappointment, expense and inconvenience have already been experienced by lads from distant stations being furnished with certificates, who were found on examination quite unqualified for admission, and it is with a view to prevent the recurrence of this that the above measure has been adopted.

3. Candidates for admission will be required to present themselves before the Secretary to the Medical College, at least three days prior to the day of examination, in order that a proper descriptive roll may be prepared, for transmission to the examiners of the College of Fort William.

4. The preference in selection, attainments being equal, will be given to those who have already been attached to, or served in civil or regimental hospitals.

5. No candidate will be allowed to present himself for examination who cannot produce a written testimonial of his conduct and character, or afford satisfactory evidence as to who and what he may be. A few individuals of decidedly bad character have upon recent occasions managed to obtain admittance, it is supposed by producing false papers; the strictest care and scrutiny will, therefore, be exercised in examining the credentials of all future candidates.

6. All pupils must, as a condition of their appointment, reside within the college premises at all times, and never be absent from morning and evening muster without special leave.

7. All students in the Military Class are amenable to the Articles of War, and regularly enlisted as Soldiers.

8. No candidate will be admitted to the school who is physically unfit for the duties of a soldier.

By order of the Hon'ble the President and Council of Education,

FRED. J. MOUAT, M. D., *Secretary.*

SUPPLEMENT TO

The Calcutta Gazette.

Published by Authority.

SATURDAY, MARCH 27, 1847.

FORT WILLIAM,
HOME DEPARTMENT,
LEGISLATIVE,
THE 13TH MARCH, 1847.

The following Draft of a proposed Act was read in Council for the first time on the 13th of March, 1847.

ACT No. —— of 1847.

An Act for establishing a Court of Subordinate Civil Jurisdiction in the City of Calcutta.

Whereas the jurisdiction of the Court of Requests for the Recovery of Small Debts in and for the Settlement of Fort William in Bengal, is limited to suits brought for the recovery of Debts not exceeding 400 Sicca Rupees, and whereas it is not expedient that the jurisdiction of the said Court of Requests should be extended:

And whereas it is inconvenient to the people to be obliged to resort to Her Majesty's Supreme Court of Judicature in all suits for debt exceeding 400 Sicca Rupees, and in all other suits and actions whatsoever:

And whereas for remedy of the said inconvenience it is expedient to establish a new Court with jurisdiction over the subject matters of actions at Law, and with power to make decrees upon such subject matters according to Equity and Good Conscience following the Law:

I. It is hereby enacted, that from and after the day of
the Court of Requests for the Recovery of Small Debts in and for the Settlement of Fort William in Bengal shall be abolished, except so far as regards suits pending therein at the time of passing this Act, which shall be proceeded in and determined as if this Act had not been passed, and that on the said day a Court for the exercise of original Civil jurisdiction in the City of Calcutta shall be established, and shall be called the Subordinate Civil Court for the City of Calcutta.

II. And it is enacted, that the said Subordinate Civil Court shall consist of as many Commissioners as to the Governor of Bengal shall from time to time seem meet, and that each of the Commissioners sitting separately shall exercise all the jurisdiction and powers herein conferred upon the said Subordinate Civil Court, except the power of making Rules under Section XXV. of this Act. Provided always, that at least one of the said Commissioners shall be a Barrister of not less than five years standing.

III. And it is enacted, that one of the Commissioners being a Barrister of five years standing, shall be the Chief Commissioner.

IV. And it is enacted, that each of the Commissioners shall receive such Salary as to the Governor General in Council shall seem meet, respect being had to the qualifications of each.

V. And it is enacted, that it shall be lawful for the Governor of Bengal to appoint such and so many Ministerial Officers as to him shall seem necessary for the efficient performance of the business of the said Court, and that each of the said Officers shall receive such Salary as to the Governor General in Council shall seem meet.

VI. And it is enacted, that the said Subordinate Civil Court shall have jurisdiction over all causes of Action, for which an Action may be maintained on the Plea Side of the said Supreme Court, where the debt, damages, or value of the property for which such Action may be brought does not exceed the following amounts, that is to say, where the Action is brought, to recover any property for which an Action of Ejectment may be maintained in the said Supreme Court, the amount of Two Hundred Company's Rupees per annum, where the Action is brought for any malicious arrest, maliciously holding to Bail or for any other malicious prosecution, or for any Libel or Slander, or for any Assault, Battery, or false imprisonment, the amount of Three Hundred Company's Rupees, and in all other Actions the amount of One Thousand Company's Rupees.

VII. And it is enacted, that the jurisdiction of the said Subordinate Civil Court shall also extend to the recovery of the unliquidated Balance of a Partnership Account, to the extent of Five Hundred Company's Rupees if the Plaintiff shall be content to limit his claim to the recovery of that amount.

VIII. And it is enacted, that the jurisdiction of the said Subordinate Civil Court shall also extend to the recovery, against any Executor or Administrator or other Representative of any deceased testate, or intestate person of any demand not exceeding the amount of Five Hundred Company's Rupees for any distributive share of any property under an intestacy, or of any legacy, or residue or share of a residue, under a Will, if the plaintiff shall be content to limit his claim to the recovery of that amount in respect of such share or residue or legacy, provided always, that the said Court by this Act established shall not have jurisdiction over any such demand for such share, residue or legacy if any suit shall at the time of preferring such demand be pending in the said Supreme Court for the Administration of the Estate, out of which such share, residue or legacy is demandable.

IX. And it is enacted, that it shall not be lawful for any plaintiff to divide any cause of action into two or more suits for the purpose of bringing the same within the jurisdiction of the said Subordinate Civil Court; but any plaintiff having cause of action for debt or damages above the value recoverable under this Act may abandon the excess, and thereupon such plaintiff shall on proving his case have a decree for an amount not exceeding such value, and such decree shall be in full discharge of all demands in respect of such cause of action.

X. And it is enacted, that the jurisdiction of the said Subordinate Civil Court shall, as regards the persons to be subject thereto, extend to all persons inhabiting or seeking a livelihood within the City of Calcutta.

XI. And it is enacted, that the said Court shall on all purely legal demands for which an Action at Law is maintainable, decide according to the Law to be administered in the Supreme Court, in the like cases between the like parties, provided that the defendant may in any Action for such legal demand allege and establish an equitable defence, and thereupon the said Court shall by its decree give the defendants the benefit of such defence to the same extent and upon the same principles of Equity as would be applied in the like case by the said Supreme Court on its Equity side, provided that such defence shall not involve a cross demand to an extent exceeding the sum of One Thousand Company's Rupees.

XII. And it is enacted, that the said Subordinate Civil Court shall exercise all the powers which are exercised by Her Majesty's Supreme Court of Judicature in the issuing of process, and summoning and compelling the attendance of witnesses and the administering of oaths or solemn declarations and for punishing contempts, and all other powers which are exercised by the said Supreme Court for trial and determination and execution in Actions at Law, and that the said Subordinate Civil Court shall have and use an Official Seal.

XIII. And whereas it is conducive to the good administration of Justice that the respectable part of the public should be associated therein: It is hereby enacted, that the Governor General in Council may, by Proclamation, order that every or any Commissioner of the said Subordinate Civil Court shall, in all suits, or in any particular class of suits, and in all proceedings therein or in any particular proceeding therein, sit with one or more Jurors, and may in the said Proclamation lay down rules for the selection, summoning and compelling attendance of the said Jurors, and for enforcing the performance of their duty by such Jurors.

XIV. Provided always and it is hereby enacted, that the verdict of such Juror or Jurors shall be only for the information of the Conscience of the Court.

XV. And it is enacted, that the manner of commencing a suit in the said Subordinate Civil Court shall be as follows:

1. Each of the Commissioners of the said Subordinate Civil Court shall sit at stated hours for the purpose of receiving plaints.

2. Every plaintiff bringing a suit in the said Subordinate Civil Court shall, except as hereinafter excepted, appear in person before one of the Commissioners, and shall, orally or in writing, lay before such Commissioner the facts which constitute his claim.

3. The excepted cases in which the plaintiff shall be excused from appearing in person for the purpose of making the statement of facts mentioned in the last Clause, are the same as the excepted cases specified in Clause 15 of this Section, but the plaintiff shall in all cases be permitted to make the statement of facts, by an Agent provided he deposit in Court the sum of Fifty Company's Rupees.

4. The sum so deposited shall be held as a security for any sum or such part thereof as it will cover, which may be, or which may become due to the defendant, or to the Government, in respect of the matter of the suit, or in respect of the mode of conducting it: if nothing shall so be, or become due, the sum shall be repaid to the plaintiff.

5. If the plaintiff lays the facts before the Commissioner orally, the facts whether stated of his own accord or elicited by examination shall be reduced into form and written down by the Commissioner or by an Officer of the Court under his direction, and shall constitute the plaint.

6. If the plaintiff lays the facts before the Commissioner in writing, the written statement shall be corrected in form by the Commissioner, or by an Officer of the Court under his direction, if it requires such correction, and in substance if it in any respect disagrees with the statement of facts elicited by the examination of the plaintiff; subject to such correction the written statement shall constitute the plaint.

7. When the statement of facts constituting the plaint has been made, the Commissioner, if he is of opinion that the defendant or the matter of the suit is not within the jurisdiction of the Subordinate Civil Court, shall make a decree accordingly.

8. If the Commissioner is of opinion that the defendant and the matter of the suit are within the jurisdiction of the Subordinate Civil Court, he shall direct a writ of summons to be issued to the defendant.

9. The writ of summons shall contain a copy of the plaint, and an order to the defendant to appear before the Court on a specified day, and to bring with him any documents which he may have in his possesssion, of which the plaintiff, with the consent of the Commissioner, demands inspection, or which he the defendant may think conducive to his defence, and a list of such witnesses as he supposes may be necessary for his defence.

10. If the plaintiff satisfies the Commissioner that the defendant is likely to withdraw himself from the jurisdiction of the Subordinate Civil Court, the Commissioner may direct a warrant of arrest against the defendant to be issued together with the writ of summons.

11. If the defendant is arrested on the warrant he shall be brought with all convenient speed before the Commissioner, who may discharge him from custody if he gives sufficient security for his appearance, or if he deposits a sum which the Commissioner considers under all the circumstances of the case sufficient, or if he satisfies the Commissioner that he does not intend to withdraw himself from the jurisdiction.

12. On every day in which any of the Commissioner shall sit for the purpose of receiving plaints, all the plaints received shall be laid before the Chief Commissioner, who will distribute them among all the Commissioners, including himself.

13. In distributing the plaints the Chief Commissioner will endeavonr to give to all the Commissioners a share of business which will occupy an equal portion of the time of each, and to give to each Commissioner those kinds of suits which he thinks each best qualified to decide.

14. Every plaintiff and defendant in the said Subordinate Civil Court shall appear except as hereinafter excepted in person, on the day specified in the writ of summons, and on every other day fixed for the appearance by the Commissioner.

15. A plaintiff or defendant may be excused from appearing in person,

If of advanced age.

If of the female sex.

If there is a co-plaintiff who appears in person.

If there is a co-defendant defending jointly who appears in person.

If not personally cognizant of the matter in dispute.

16. But in all these cases the Commissioner may refuse to hold the party excused from appearing in person if he is not satisfied that the excuse is made in good faith and that the matter of the excuse exists in a sufficient degree to justify him in admitting it.

17. Whenever an Agent has been admitted in place of a party, such Agent shall be permitted to do all that the party might have done had he appeared, and shall be liable to be examined and cross examined in the same manner.

18. And the Commissioner may if he thinks fit order that the party excused shall be examined in any way in which a witness may be examined.

19. When the Commissioner has refused to hold any party excused he may order the Agent who makes the excuse to summon the party on whose behalf it is made on a specified day, and adjourn the proceedings to that day, or he may make a decree against such party after examining his Agent.

XVI. And it is hereby enacted, that as soon as the plaintiff and defendant are together before the Commissioner to whom the suit has been assigned, he shall proceed to take the pleadings and settle the demurrers and issues of fact.

XVII. And it is hereby enacted, that the manner of pleading shall be as follows.

1. The defendant in answer to questions put by the Commissioner shall confess or deny each of the material allegations contained in the plaint, and shall state any matter whereby he proposes to avoid the plaintiff's right to a decree arising out of such allegations contained in the plaint, as he has confessed.

2. The defendant may demur if he thinks the plaint states a case insuffi cient to entitle the plaintiff to a decree.

3. The defendant shall not be precluded from demurring to any matter in the plaint because he has pleaded to it, nor shall he be precluded from pleading to any matter in the plaint because he has demurred to it.

Whereas it is not now by Law necessary within the Territories subject to the Presidency of Fort William in Bengal, to take any Security for Costs in Appeals before the Sudder Courts—and whereas no Security for Costs is now required by Law in Appeals from the decisions of Moonsiffs, and whereas it is expedient that Appeals from all Courts should be put in this respect upon a uniform footing:—

DAMAGED OVERLAND LETTERS.

IN August 1840 by a Notice, repeatedly published, the Public was informed of the damage sustained by Letters sent to England, in the Overland Mails, owing to the use of Sealing-wax, when it was earnestly recommended that, in all possible cases, Letters for that conveyance, should be closed with wafers. This practice, it would appear, has not been generally adopted, seeing that a further representation has been made by the Home Post Office Authorities to the Hon'ble the Court of Directors, of the torn and mutilated state in which numerous Letters had reached London by a late Overland Mail from India, owing to the melting of the wax used in sealing them and their consequent adhesion to other Letters. It has, therefore, pleased the Right Hon'ble the Governor of Bengal to direct that a fresh Notice be published, cautioning the Public against the use of Sealing-wax, as regards Letters for transmission by the Overland Mails. And it is accordingly, hereby, strongly enjoined that, in closing such Letters in future, wafers may be used in every possible case instead of Sealing-wax.

L. J. H. GREY,
Post Master General.

Fort William, Genl. Post Office,
the 5th October, 1844.

OVERLAND PRE-PAID LETTERS.

NOTICE.—With reference to the system of optional pre-payment of British Postage in India, upon Letters for places within the United Kingdom of Great Britain, which will come into operation on the 1st of the ensuing month of March, the following rates of Postage will be levied, namely,

Not exceeding ½ an ounce, 8 Annas,... (1 Shillings)
Above ½, and not exceeding 1 ounce,
1 Rupee, ... (2 Shillings)
Above 1, and not exceeding 2 ounces,
2 Rupees,..... (4 Shillings)

Above 2, and not exceeding 3 ounces,
3 Rupees,..... (6 Shillings)
And so on, increasing 1 Rupee,..... (2 Shillings)
for every additional ounce, or fraction of the ounce.

As 5 ounces is the nearest integral of English weight to 12 Tolas, the maximum weight allowed for transmission by Dawk, it is indispensable that letters be not allowed to exceed that weight, to prevent the inconvenience of their being refused at the Post Office.

The option of pre-paying the British Postage is exclusively, limited to Letters transmitted in the Mails sent via Southampton, and such letters must bear the following superscription for the guidance of the Post Office Receivers, viz.

"BRITISH POSTAGE PRE-PAID,
"*Via Southampton.*"

Letters not for places, within the United Kingdom of Great Britain, or which may not require to pass through the English Post Office, to their ulterior destinations, will, as heretofore, be subject to Foreign Steamer, or Red Sea Postage, precisely at the same rates as those fixed for the levy of British pre-paid Postage.

British and Foreign Steamer, or Red Sea ages, are exclusive of the India ordinary Inland Postage.

It is strongly recommended, both for the convenience of the individuals bringing the letters, and of the Receivers at the Post Office, that Letters intended to be pre-paid should be accompanied by separate receipts, or be entered separately from other descriptions of letters in the Sender's Dawk Receipt Books.

N B.—These Rules, until further orders, are to apply only, to letters forwarded via Bombay, not to letters transmitted hence by the Steamers Bentinck and Hindostan.

WM. MOORE,
Deputy Post Master.

NOTICE.

Customs. THE following copy of a letter addressed by order of the Lords of the Committee of Privy Council for Trade to the Board of Commissioners for the Affairs of India, relative to a change in the Law as it affects the importation of Coffee into the United Kingdom, has been received from the Hon'ble the Court of Directors, and is hereby notified for the information of the Mercantile Community, and the guidance of the Authorities at the Ports of this Presidency, including those of the Straits and the Tenasserim Provinces.

By order of the Board of Customs, Salt and Opium, the 27th September, 1844.

H. TORRENS,
Secretary.

Office of Committee of Privy Council for Trade,
Whitehall, 25th May, 1844.

SIR,

I am directed by the Lords of the Committee of Privy Council for Trade to call the attention of the Commissioners for the Affairs of India to the circumstance that the House of Commons has acceded to the repeal of the Clauses 5 and 6, William IV. C. 66, requiring absolutely that Coffee imported at the low Duty should be accompanied with a Certificate of origin, and that that Article now stands simply liable to the general Provisions of the Law 5 and 6 Victoria, C 47, by which the Lords Commissioners of Her Majesty's Treasury may require such a Certificate in any case where they shall see cause for such a proceeding.

My Lords are desirous that the repeal of this clause should not be interpreted as meant to sanction any departure from the Spirit of the Law, restricting the benefit of the low Duty to the produce of British Possessions, and they are anxious that it should be pointed out by the proper Authorities to the Custom House Officers of the Ports of the East India Company's Territories, that no other Coffee except such as may be grown in Her Majesty's Dominions, can be lawfully entered as British Coffee in this Country, and further that if any information should reach my Lords of such a nature as to induce them to believe that Foreign Coffee is actually sent or likely to be sent to the Ports of the East India Company's Territories in order that it may be shipped from thence under a false designation, they will not hesitate to advise the Treasury to give directions under the 28th Section of the Act 5 and 6 Vict. C. 47, that henceforward no Coffee whatever shall be admitted at the low Duty without a Certificate of origin.

I am, &c.,

(Sd.) JOHN G. SHAW LEFEVRE.

Hon'ble W. BARING,
&c. &c. &c.

NOTIFICATION.

AN Examination will be held on the 1st day of June 1845, in the College of Fort William, for the purpose of filling up existing vacancies in the Secondary or Military Class of the Medical College. All Candidates will be expected to possess an adequate knowledge of the Hindoostanee Language, to enable them to read and write from dictation, or from a printed work, in the Persian or Devanagri character.

All Interpreters of Regiments and Battalions will be requested through the Military Department, not to grant Certificates of qualification to any Candidate under the age of fifteen and above that of twenty years; and likewise to reject all who may not pass the prescribed ordeal with a sufficient degree of fluency and facility. Much disappointment, expense and inconvenience, have already been experienced by lads from distant stations being furnished with Certificates, who were found on examination quite unqualified for admission, and it is with a view to prevent the recurrence of this, that the above measure has been adopted.

Candidates for admission will be required to present themselves before the Secretary to the Medical College, at least three days prior to the day of examination, in order that a proper Descriptive Roll may be prepared for transmission to the Examiners of the College of Fort William.

All Students in the Military Class are amenable to the Articles of War, and regularly enlisted as Soldiers.

No Candidate will be admitted to the School who is physically unfit for the duties of a Soldier.

By order of the Hon'ble the President and Council of Education,

FRED. J. MOUAT, M. D.,
Secretary.

Council of Education,

DAMAGED OVERLAND LETTERS.

IN August 1840 by a Notice, repeatedly published, the Public was informed of the damage sustained by Letters sent to England, in the Overland Mails, owing to the use of Sealing-wax, when it was earnestly recommended that, in all possible cases, Letters for that conveyance, should be closed with wafers. This practice, it would appear, has not been generally adopted, seeing that a further representation has been made by the Home Post Office Authorities to the Hon'ble the Court of Directors, of the torn and mutilated state in which numerous Letters had reached London by a late Overland Mail from India, owing to the melting of the wax used in sealing them and their consequent adhesion to other Letters. It has, therefore, pleased the Right Hon'ble the Governor of Bengal to direct that a fresh Notice be published, cautioning the Public against the use of Sealing-wax, as regards Letters for transmission by the Overland Mails. And it is accordingly, hereby, strongly enjoined that, in closing such Letters in future, wafers may be used in every possible case instead of Sealing-wax.

Post Master General.

OVERLAND PRE-PAID LETTERS.

NOTICE.—With reference to the system of optional pre-payment of British Postage in India, upon Letters for places within the United Kingdom of Great Britain, which will come into operation on the 1st of the ensuing month of March, the following rates of Postage will be levied, namely,

Not exceeding ½ an ounce, 8 Annas,... (1 Shillings)
Above ½, and not exceeding 1 ounce,
1 Rupee, ... (2 Shillings)
Above 1, and not exceeding 2 ounces,
2 Rupees,..... (4 Shillings)
Above 2, and not exceeding 3 ounces,
3 Rupees,..... (6 Shillings)
And so on, increasing 1 Rupee,..... (2 Shillings)
for every additional ounce, or fraction of the ounce.

As 5 ounces is the nearest integral of English weight to 12 Tolas, the maximum weight allowed for transmission by Dawk, it is indispensable that letters be not allowed to exceed that weight, to prevent the inconvenience of their being refused at the Post Office.

The option of pre-paying the British Postage is exclusively, limited to Letters transmitted in the Mails sent via Southampton, and such letters must bear the following superscription for the guidance of the Post Office Receivers, viz.

"BRITISH POSTAGE PRE-PAID,
"*Via Southampton.*"

Letters not for places, within the United Kingdom of Great Britain, or which may not require to pass through the English Post Office, to their ulterior destinations, will, as heretofore, be subject to Foreign Steamer, or Red Sea Postage, precisely at the same rates as those fixed for the levy of British pre-paid Postage.

British and Foreign Steamer, or Red Sea Postages, are exclusive of the India ordinary Inland Postage.

It is strongly recommended, both for the convenience of the individuals bringing the letters, and of the Receivers at the Post Office, that Letters intended to be pre-paid should be accompanied by separate receipts, or be entered separately from other descriptions of letters in the Sender's Dawk Receipt Books.

N. B.—These Rules, until further orders, are to apply only, to letters forwarded via Bombay, not to letters transmitted hence by the Steamers Bentinck and Hindostan.

Deputy Post Master.

NOTICE.

Customs. THE following copy of a letter addressed by order of the Lords of the Committee of Privy Council for Trade to the Board of Commissioners for the Affairs of India, relative to a change in the Law as it affects the importation of Coffee into the United Kingdom, has been received from the Hon'ble the Court of Directors, and is hereby notified for the information of the Mercantile Community, and the guidance of the Authorities at the Ports of this Presidency, including those of the Straits and the Tenasserim Provinces.

By order of the Board of Customs, Salt and Opium, the 27th September, 1844.

H. TORRENS,
Secretary.

Office of Committee of Privy Council for Trade, Whitehall, 25th May, 1844.

SIR,

I am directed by the Lords of the Committee of Privy Council for Trade to call the attention of the Commissioners for the Affairs of India to the circumstance that the House of Commons has acceded to the repeal of the Clauses 5 and 6, William IV. C. 66, requiring absolutely that Coffee imported at the low Duty should be accompanied with a Certificate of origin, and that that Article now stands simply liable to the general Provisions of the Law 5 and 6 Victoria, C. 47, by which the Lords Commissioners of Her Majesty's Treasury may require such a Certificate in any case where they shall see cause for such a proceeding.

My Lords are desirous that the repeal of this clause should not be interpreted as meant to sanction any departure from the Spirit of the Law, restricting the benefit of the low Duty to the produce of British Possessions, and they are anxious that it should be pointed out by the proper Authorities to the Custom House Officers of the Ports of the East India Company's Territories, that no other Coffee except such as may be grown in Her Majesty's Dominions, can be lawfully entered as British Coffee in this Country, and further that if any information should reach my Lords of such a nature as to induce them to believe that Foreign Coffee is actually sent or likely to be sent to the Ports of the East India Company's Territories in order that it may be shipped from thence under a false designation, they will not hesitate to advise the Treasury to give directions under the 28th Section of the Act 5 and 6 Vict. C. 47, that henceforward no Coffee whatever shall be admitted at the low Duty without a Certificate of origin.

I am, &c.,

(Sd.) JOHN G. SHAW LEFEVRE.

Hon'ble W. BARING,

&c. &c. &c.

DAMAGED OVERLAND LETTERS.

IN August 1840 by a Notice, repeatedly published, the Public was informed of the damage sustained by Letters sent to England, in the Overland Mails, owing to the use of Sealing-wax, when it was earnestly recommended that, in all possible cases, Letters for that conveyance, should be closed with wafers. This practice, it would appear, has not been generally adopted, seeing that a further representation has been made by the Home Post Office Authorities to the Hon'ble the Court of Directors, of the torn and mutilated state in which numerous Letters had reached London

by a late Overland Mail from India, owing to the melting of the wax used in sealing them and their consequent adhesion to other Letters. It has, therefore, pleased the Right Hon'ble the Governor of Bengal to direct that a fresh Notice be published, cautioning the Public against the use of Sealing-wax, as regards Letters for transmission by the Overland Mails. And it is, accordingly, hereby, strongly enjoined that, in closing such Letters in future, wafers may be used in every possible case instead of Sealing-wax.

EDUCATION NOTICE.

WITH reference to the Resolution of the Right Hon. the Governor General, dated 10th Oct. 1844, relative to the employment under Government of all qualified persons educated in the Colleges and Schools—public and private of Bengal—it is particularly requested that all Governors, or Proprietors of Schools intending to take advantage of the benefits held out, will send in to the Secretary, Council of Education, with the least possible delay, complete returns of the Institutions under their charge; specifying their situation, the means of affording a complete education possessed by them, the number of masters or teachers employed, the number of pupils attending them, with a syllabus of the course of study pursued, and such other information as may enable the Council of Education to prepare the lists of candidates for public employments required by the Resolution above referred to.

Further particulars relative to the amount of qualification required, and the nature of the examination to which all candidates for public employment must be subjected, before they can be recommended to Government, will be made known hereafter.

NOTIFICATION.

AN Examination will be held on the 1st day of June 1845, in the College of Fort William, for the purpose of filling up existing vacancies in the Secondary or Military Class of the Medical College. All Candidates will be expected to possess an adequate knowledge of the Hindoostance Language, to enable them to read and write from dictation, or from a printed work, in the Persian or Devanagri character.

All Interpreters of Regiments and Battalions will be requested through the Military Department, not to grant Certificates of qualification to any Candidate under the age of fifteen and above that of twenty years; and likewise to reject all who may not pass the prescribed ordeal with a sufficient degree of fluency and facility. Much disappointment, expense and inconvenience, have already been experienced by lads from distant stations being furnished with Certificates, who were found on examination quite unqualified for admission, and it is with a view to prevent the recurrence of this, that the above measure has been adopted.

Candidates for admission will be required to present themselves before the Secretary to the Medical College, at least three days prior to the day of examination, in order that a proper Descriptive Roll may be prepared for transmission to the Examiners of the College of Fort William.

All Students in the Military Class are amenable to the Articles of War, and regularly enlisted as Soldiers.

No Candidate will be admitted to the School who is physically unfit for the duties of a Soldier.

By order of the Hon'ble the President and Council of Education,

FRED. J. MOUAT, M. D.,

5 AND 6 VICT. CAP. XXXIX. as altered by this Act.

An Act to amend the Law relating to Advances bona fide made to Agents instrusted with Goods.

Whereas by an Act passed in the 6th year of the Reign of His late Majesty King George the Fourth, intituled an Act to alter and amend an Act for the better protection of the property of Merchants and others who may hereafter enter into contracts or agreements in relation to Goods, Wares and Merchandize intrusted to Factors or Agents, validity is given, under certain circumstances, to contracts or agreements made with persons intrusted with, and in possession of the Documents of Title to Goods and Merchandize, and Consignees, making Advances to persons abroad who are intrusted with any Goods and Merchandize, are entitled, under certain circumstances, to a lien thereon, but under the said Act, and the present state of the Law, Advances cannot safely be made upon Goods or Documents to persons known to have possession thereof as Agents only: And whereas by the said Act it is amongst other things further enacted, "that it shall be lawful to and for any person to contract with any Agent intrusted with any Goods, or to whom the same may be consigned for the purchase of any such Goods, and to receive the same of and to pay for the same to such Agent, and such contract and payment shall be binding upon and good against the Owner of such Goods, notwithstanding such person shall have notice that the person making such contract, or on whose behalf such contract is made, is an Agent; provided such contract or payment be made in the usual and ordinary course of business, and that such person shall not when such contract is entered into or payment made, have notice that such Agent is not authorized to sell the same, or to receive the said Purchase Money;" And whereas Advances on the Security of Goods and Merchandize have become an usual and ordinary course of business, and it is expedient and necessary that reasonable and safe facilities should be afforded thereto, and that the same protection and validity should be extended to bona fide Advances upon Goods and Merchandize as by the said recited Act is given to Sales, and that Owners intrusting Agents with the possession of Goods and Merchandize, or of Documents of Title thereto, should in all cases where such Owners by the said recited Act or otherwise would be bound by a contract or agreement of Sale be in like manner bound by any contract or agreement of pledge or lien for any Advances bona fide made on the Security thereof. And whereas much litigation has arisen on the construction of the said recited Act, and the same does not extend to protect Exchanges of Securities bona fide made, and so much uncertainty exists in respect thereof, that it is expedient to alter and amend the same and to extend the Provisions thereof and to put the Law on a clear and certain basis. Provided always that

OVERLAND PRE-PAID LETTERS.

NOTICE.—With reference to the system of optional pre-payment of British Postage in India, upon Letters for places within the United Kingdom of Great Britain, which will come into operation on the 1st of the ensuing month of March, the following rates of Postage will be levied, namely,

Not exceeding ½ an ounce, 8 Annas,... (1 Shillings)
Above ½, and not exceeding 1 ounce, 1 Rupee, ... (2 Shillings)
Above 1, and not exceeding 2 ounces, 2 Rupees,..... (4 Shillings)
Above 2, and not exceeding 3 ounces, 3 Rupees,..... (6 Shillings)
And so on, increasing 1 Rupee,..... (2 Shillings) for every additional ounce, or fraction of the ounce.

As 5 ounces is the nearest integral of English weight to 12 Tolas, the maximum weight allowed for transmission by Dawk, it is indispensable that letters be not allowed to exceed that weight, to prevent the inconvenience of their being refused at the Post Office.

The option of pre-paying the British Postage is exclusively, limited to Letters transmitted in the Mails sent via Southampton, and such letters must bear the following superscription for the guidance of the Post Office Receivers, viz.

"BRITISH POSTAGE PRE-PAID,

"*Via Southampton.*"

Letters not for places, within the United Kingdom of Great Britain, or which may not require to pass through the English Post Office, to their ulterior destinations, will, as heretofore, be subject to Foreign Steamer, or Red Sea Postage, precisely at the same rates as those fixed for the levy of British pre-paid Postage.

British and Foreign Steamer, or Red Sea Postages, are exclusive of the India ordinary Inland Postage.

It is strongly recommended, both for the convenience of the individuals bringing the letters, and of the Receivers at the Post Office, that Letters intended to be pre-paid should be accompanied by separate receipts, or be entered separately from other descriptions of letters in the Sender's Dawk Receipt Books.

N. B.—These Rules, until further orders, are to apply only, to letters forwarded via Bombay, not to letters transmitted hence by the Steamers Bentinck and Hindostan.

WM. MOORE,

Deputy Post Master.

General Post Office, The 8th February, 1844.

DAMAGED OVERLAND LETTERS.

IN August 1840 by a Notice, repeatedly published, the Public was informed of the damage sustained by Letters sent to England, in the Overland Mails, owing to the use of Sealing-wax, when it was earnestly recommended that, in all possible cases, Letters for that conveyance, should be closed with wafers. This practice, it would appear, has not been generally adopted, seeing that a further representation has been made by the Home Post Office Authorities to the Hon'ble the Court of Directors, of the torn and mutilated state in which numerous Letters had reached London by a late Overland Mail from India, owing to the melting of the wax used in sealing them and their consequent adhesion to other Letters. It has, therefore, pleased the Right Hon'ble the Governor of Bengal to direct that a fresh Notice be published, cautioning the Public against the use of Sealing-wax, as regards Letters for transmission by the Overland Mails. And it is accordingly, hereby, strongly enjoined that, in closing such Letters in future, wafers may be used in every possible case instead of Sealing-wax.

FORT WILLIAM,
HOME DEPARTMENT,
LEGISLATIVE,
THE 26TH OCTOBER, 1844.

The following Act passed by the Governor General of India in Council, on the 26th October 1844, is hereby promulgated for general information.

ACT No. XX. OF 1844.

An Act to amend the Law relating to Advances bona fide made to Agents intrusted with Goods by extending to the Territories of the East India Company in cases governed by English Law, the Provisions of the Statute 5 and 6 Victoria C. 39, as altered by this Act.

Whereas by Act XIII. of 1840 the Provisions of the Statute 4, Geo. IV. C. 83, as altered and amended by the Statute 6, Geo. IV. C. 94, were extended to the Territories of the East India Company, in cases governed by English Law; and whereas by the Statute 5 and 6, Victoria C. 39, the said Statute 6, Geo. IV. C. 94, is altered and amended, and the Provisions thereof are extended:

It is hereby enacted, that the Statute 5 and 6, Victoria C. 39, as altered by this Act, shall from and after the passing of this Act, be extended to the Territories of the East India Company; provided always, that this Act shall not be construed to affect any case which would not have been governed by the Law of England before the passing of the last mentioned Statute, if this Act had not passed, or to extend or alter the jurisdiction of any of Her Majesty's Courts of Justice.

The Statute hereby extended to the Territories of the East India Company and as altered by this Act, is as follows:

5 AND 6 VICT. CAP. XXXIX. as altered by this Act.

An Act to amend the Law relating to Advances bona fide made to Agents instrusted with Goods.

Whereas by an Act passed in the 6th year of the Reign of His late Majesty King George the Fourth, intituled an Act to alter and amend an Act for the better protection of the property of Merchants and others who may hereafter enter into contracts or agreements in relation to Goods, Wares and Merchandize intrusted to Factors or Agents, validity is given, under certain circumstances, to contracts or agreements made with persons intrusted with, and in possession of the Documents of Title to Goods and Merchandize, and Consignees, making Advances to persons abroad who are intrusted with any Goods and Merchandizé, are entitled, under certain circumstances, to a lien thereon, but under the said Act, and the present state of the Law, Advances cannot safely be made upon Goods or Documents to persons known to have possession thereof as Agents only: And whereas by the said Act it is amongst other things further enacted, "that it shall be lawful to and for any person to contract with any Agent intrusted with any Goods, or to whom the same may be consigned for the purchase of any such Goods, and to receive the same of and to pay for the same to such Agent, and such contract and payment shall be binding upon and good against the Owner of such Goods, notwithstanding such person shall have notice that the person making such contract, or on whose behalf such contract is made, is an Agent; provided such contract or payment be made in the usual and ordinary course of business, and that such person shall not when such contract is entered into or payment made, have notice that such Agent is not authorized to sell the same, or to receive the said Purchase Money;" And whereas Advances on the Security of Goods and Merchandize have become an usual and ordinary course of business, and it is expedient and necessary that reasonable and safe facilities should be afforded thereto, and that the same protection and validity should be extended to bona fide Advances upon Goods and Merchandize as by the said recited Act is given to Sales, and that Owners intrusting Agents with the possession of Goods and Merchandize, or of Documents of Title thereto, should in all cases where such Owners by the said recited Act or otherwise would be bound by a contract or agreement of Sale be in like manner bound by any contract or agreement of pledge or lien for any Advances bona fide made on the Security thereof. And whereas much litigation has arisen on the construction of the said recited Act, and the same does not extend to protect Exchanges of Securities bona fide made, and so much uncertainty exists in respect thereof, that it is expedient to alter and amend the same and to extend the Provisions thereof and to put the Law on a clear and certain basis. Be it therefore enacted by the Queen's most excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled and by the authority of the same,

6 G. 4, C. 94.

Bona fide Advances to Persons intrusted with the possession of Goods or Documents of Title though known to be Agents, protected.

That from and after the passing of this Act any Agent who shall thereafter be intrusted with the possession of Goods, or of the Documents of Title to Goods shall be deemed and taken to be Owner of such Goods and Documents so far as to give validity to any contract or agreement by way of pledge, lien, or security bona fide made by any person with such Agent so intrusted as aforesaid as well for any original Loan, Advance or Payment made upon the Security of such Goods or Documents, as also for any further or continuing Advance in respect thereof, and such contract or agreement shall be binding upon and good against the Owner of such Goods, and all other persons interested therein notwithstanding the person claiming such pledge or Lien may have had notice that the person with whom such contract or agreement is made is only an Agent.

Bona fide Deposits in exchange protected,

II. And be it enacted, that where any such contract or agreement for pledge, lien or security shall be made in consideration of the delivery or transfer to such Agent of any other Goods or Merchandize, or Document of Title or Negotiable Security upon which the person so delivering up the same had at the time a valid and available Lien and Security for or in respect of a previous

Advance by virtue of some contract or agreement made with such Agent, such contract and agreement, if *bonâ fide* on the part of the person with whom the same may be made, shall be deemed to be a contract made in consideration of an Advance within the true intent and meaning of this Act, and shall be as valid and effectual to all intents and purposes, and to the same extent, as if the consideration for the same had been a *bonâ fide* present Advance of money. Provided always that the Lien acquired under such last mentioned contract or agreement upon the Goods or Documents deposited in exchange shall not exceed the value at the time of the Goods and Merchandize which, or the Documents of Title to which, or the Negotiable Security which shall be delivered up and exchanged.

III. Provided always, and be it enacted, that this Act and every matter and thing herein contained, shall be deemed and construed to give validity to such contracts and agreements only, and to protect only such Loans, Advances, and Exchanges, as shall be made *bonâ fide* and without notice that the Agent making such contracts or agreements as aforesaid has not authority to make the same, or is acting *malâ fide* in respect thereof against the Owner of such Goods and Merchandize; and nothing herein contained shall be construed to extend to or protect any Lien or Pledge for or in respect of any antecedent debt, owing from any Agent to any person with or to whom such Lien or Pledge shall be given, nor to authorize any Agent intrusted as aforesaid in deviating from any express orders or authority received from the Owner; but that, for the purpose and to the intent of protecting all such *bonâ fide* Loans, Advances and Exchanges as aforesaid (though made with notice of such Agent not being the Owner but without any notice of the Agents acting without authority) and to no further, or other intent or purpose, such contract or agreement as aforesaid shall be binding on the Owner and all other persons interested in such Goods.

But the Statute to be construed to protect only Transactions bonâ fide without notice that the Agent pledging is acting without authority or malâ fide against the Owner.

IV. And be it enacted, that any Bill of Lading, India Warrant, Dock Warrant Warehouse-keeper's Certificate, Warrant, or order for the delivery of Goods, or any other Document used in the ordinary course of business as proof of the possession or control of Goods, or authorizing or purporting to authorize, either by indorsement or by delivery, the Possessor of such Document to transfer or receive Goods thereby represented, shall be deemed and taken to be a document of Title within the meaning of this Act; and any Agent intrusted as aforesaid and possessed of any such Document of Title, whether derived immediately from the Owner of such Goods, or obtained by reason of such Agents having been intrusted with the possession of the Goods, or of any other Document of Title thereto, shall be deemed and taken to have been intrusted with the possession of the Goods represented by such Document of Title as aforesaid, and all contracts, pledging or giving a lien upon such Document of Title as aforesaid shall be deemed and taken to be respectively Pledges of and Liens upon the Goods to which the same relates, and such Agent shall be deemed to be possessed of such Goods or Documents, whether the same shall be in his actual custody, or shall be held by any other person subject to his control, or for him or on his behalf, and where any Loan or Advance shall be *bonâ fide* made to any Agent intrusted with and in possession of any such Goods or Documents of Title as aforesaid on the faith of any contract or agreement in writing to consign, deposit, transfer, or deliver such Goods or Documents of Title as aforesaid, and such Goods or Documents of Title shall actually be received by the person making such Loan or Advance, without notice that such Agent was not authorized to make such Pledge or Security every such Loan or Advance shall be deemed and taken to be a Loan or Advance on the Security of such Goods or Documents of Title within the meaning of this Act, though such Goods or Documents of Title shall not actually be received by the person making such Loan or Advance till the period subsequent thereto, and any contract or agreement, whether made direct with such Agent as aforesaid, or with any Clerk or other person on his behalf, shall be deemed a contract or agreement with such Agent; and any payment made, whether by Money or Bills of Exchange, or other Negotiable Security shall be deemed and taken to be an Advance within the meaning of this Act; and an Agent in possession as aforesaid of such Goods or Documents shall be taken for the purposes of this Act, to have been intrusted therewith by the owner thereof unless the contrary can be shewn in evidence.

OVERLAND PRE-PAID LETTERS.

NOTICE.—With reference to the system of optional pre-payment of British Postage in India, upon Letters for places within the United Kingdom of Great Britain, which will come into operation on the 1st of the ensuing month of March, the following rates of Postage will be levied, namely,

Not exceeding ½ an ounce, 8 Annas,... (1 Shillings)
Above ½, and not exceeding 1 ounce, 1 Rupee, ..., ... (2 Shillings)
Above 1, and not exceeding 2 ounces, 2 Rupees,..... (4 Shillings)
Above 2, and not exceeding 3 ounces, 3 Rupees,..... (6 Shillings)
And so on, increasing 1 Rupee,..... (2 Shillings) for every additional ounce, or fraction of the ounce.

As 5 ounces is the nearest integral of English weight to 12 Tolas, the maximum weight allowed for transmission by Dawk, it is indispensable that letters be not allowed to exceed that weight, to prevent the inconvenience of their being refused at the Post Office.

The option of pre-paying the British Postage is exclusively, limited to Letters transmitted in the Mails sent via Southampton, and such letters must bear the following superscription for the guidance of the Post Office Receivers, viz.

"BRITISH POSTAGE PRE-PAID,
"*Via Southampton.*"

Letters not for places, within the United Kingdom of Great Britain, or which may not require to pass through the English Post Office, to their ulterior destinations, will, as heretofore, be subject to Foreign Steamer, or Red Sea Postage, precisely at the same rates as those fixed for the levy of British pre-paid Postage.

British and Foreign Steamer, or Red Sea Postages, are exclusive of the India ordinary Inland Postage.

It is strongly recommended, both for the convenience of the individuals bringing the letters, and of the Receivers at the Post Office, that Letters intended to be pre-paid should be accompanied by separate receipts, or be entered separately from other descriptions of letters in the Sender's Dawk Receipt Books.

N. B.—These Rules, until further orders, are to apply only, to letters forwarded via Bombay, not to letters transmitted hence by the Steamers Bentinck and Hindostan.

WM. MOORE,
Deputy Post Master.

General Post Office, The 8th February, 1844.

DAMAGED OVERLAND LETTERS.

IN August 1840 by a Notice, repeatedly published, the Public was informed of the damage sustained by Letters sent to England, in the Overland Mails, owing to the use of Sealing-wax, when it was earnestly recommended that, in all possible cases, Letters for that conveyance, should be closed with wafers. This practice, it would appear, has not been generally adopted, seeing that a further representation has been made by the Home Post Office Authorities to the Hon'ble the Court of Directors, of the torn and mutilated state in which numerous Letters had reached London by a late Overland Mail from India, owing to the melting of the wax used in sealing them and their consequent adhesion to other Letters. It has, therefore, pleased the Right Hon'ble the Governor of Bengal to direct that a fresh Notice be published, cautioning the Public against the use of Sealing-wax, as regards Letters for transmission by the Overland Mails. And it is accordingly, hereby, strongly enjoined that, in closing such Letters in future, wafers may be used in every possible case instead of Sealing-wax.

2d.—The Opium to be offered for Sale at an Upset Price of Rupees 600 per Chest, and to be all sold to the highest bidder above that price.

3d.—If at the above Sale the entire quantity of 5,800 Chests shall not be sold, it shall subsequently be competent for the Board of Customs, Salt and Opium, to dispose of the lots which remain on hand at future Sales.

4th.—Each Lot to contain Five Chests.

5th.—A deposit in a Promissory Note for 1,000 Rupees per Lot or 200 Rupees per Chest, shall be made by the Purchaser in the Sale Room, and before the Lot is Registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of Purchasers at this Office by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'Clock of the afternoon of Friday, the 10th January 1845, or, on the other hand, failing such redemption by the time aforesaid, then the Lot or Lots for which no Sub-Treasurer's Receipts, or Deposit of other Public Securities as aforesaid shall have been delivered in, shall be re-sold at such time or times, and under such Conditions of Re-sale as the Board of Customs, Salt and Opium, shall see fit, and all losses and expences whatsoever attending such Re-sale, shall be borne and paid by the Defaulters, whilst any profit accruing from such Re-sale shall be forfeited to Government.

6th.—The Promissory Notes taken on the day of Sale, under the last mentioned Condition, if remaining unredeemed on the said 10th January 1845, will be placed in the hands of the Attorney to the Hon'ble Company for realization in such manner as to him shall seem fit.

7th.—No Tender of Money, Sub-Treasurer's Receipts or Public Securities, on account of Opium, upon which the prescribed deposit may not have been made before 4 o'Clock of the 10th January, will be afterwards accepted.

10th.—No Sub-Treasurer's Receipts, or Deposit of Public Securities, under the fifth of the present Conditions, will be received in this Office, except from the party recorded as the purchaser in the Sale Book, or his authorized Agent. The Receipt for such Deposit will be granted only in the name of such Purchaser, and the Public Securities deposited will be returned when the clearance has been made by the said Purchaser or his order.

13th.—In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the Jurisdiction of the said Supreme Court shall be waived.

No. 1.—Certificate of the Opium now advertised for Sale.
No. 2.—Report of the Examination of such Opium.

15th.—The Public are hereby informed, that in providing the investment of the Behar and Benares Opium for the year 1843-44, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the Drug when packed at Behar and Benares, and a Statement of the average weight of Six Chests from each dispatch at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium.

16th.—Four Chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the Purchasers on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

EDUCATION NOTICE.

WITH reference to the Resolution of the Right Hon. the Governor General, dated 10th Oct. 1844, relative to the employment under Government of all qualified persons educated in the Colleges and Schools—public and private of Bengal—it is particularly requested that all Governors, or Proprietors of Schools intending to take advantage of the benefits held out, will send in to the Secretary, Council of Education, with the least possible delay, complete returns of the Institutions under their charge; specifying their situation, the means of affording a complete education possessed by them, the number of masters or teachers employed, the number of pupils attending them, with a syllabus of the course of study pursued, and such other information as may enable the Council of Education to prepare the lists of candidates for public employments required by the Resolution above referred to.

Further particulars relative to the amount of qualification required, and the nature of the examination to which all candidates for public employment must be subjected, before they can be recommended to Government, will be made known hereafter.

By order of the Hon. the President and Council of Education,

Council of Education,
October 26, 1844.

NOTIFICATION.

AN Examination will be held on the 1st day of June 1845, in the College of Fort William, for the purpose of filling up existing vacancies in the Secondary or Military Class of the Medical College. All Candidates will be expected to possess an adequate knowledge of the Hindoostanee Language, to enable them to read and write from dictation, or from a printed work, in the Persian or Devanagri character.

All Interpreters of Regiments and Battalions will be requested through the Military Department, not to grant Certificates of qualification to any Candidate under the age of fifteen and above that of twenty years; and likewise to reject all who may not pass the prescribed ordeal with a sufficient degree of fluency and facility. Much disappointment, expense and inconvenience, have already been experienced by lads from distant stations being furnished with Certificates, who were found on examination quite unqualified for admission, and it is with a view to prevent the recurrence of this, that the above measure has been adopted.

Candidates for admission will be required to present themselves before the Secretary to the Medical College, at least three days prior to the day of examination, in order that a proper Descriptive Roll may be prepared for transmission to the Examiners of the College of Fort William.

All Students in the Military Class are amenable to the Articles of War, and regularly enlisted as Soldiers.

No Candidate will be admitted to the School who is physically unfit for the duties of a Soldier.

By order of the Hon'ble the President and Council of Education,

FRED. J. MOUAT, M. D.,

Council of Education, *Secretary.*

SIR,—I am directed to transmit for the information of the Right Hon'ble the Governor of Bengal, the accom-

panying Extract paras. 6 and 9 from a Resolution this day passed by the Government of India, respecting the instruction of the Junior Members of the Civil Service preparatory to their employment in the Public Service.

2. His Honor will be pleased to give the requisite publicity to the Amended Rules, and to issue such orders as he may consider necessary for giving effect to the measures sanctioned in such manner however, as shall not affect the Students in a term of which any one Student may have arrived within the limits of the Presidency of Fort William on or before the date of promulgation of the present Rules.

I have, &c.,

(Sd) T. R. DAVIDSON,

Offg. Secy. to the Govt. of India.

Council Chamber, the 26th October, 1844.

Extract from a Resolution of the Govt. of India, dated 26th October, 1844.

6. In modification of the Rule hitherto in force in Bengal, the Governor General in Council is pleased to determine that the allowance to a Student, on first joining the College of Fort William, shall in future be 250 Rupees per mensem, until he is declared qualified for the Public Service in one of the Native Languages, it shall then be raised to 300 Rupees per mensem, the Student being permitted in both cases to draw the usual sum of 80 Rupees a month for House Rent. A Native Teacher shall also be found him as at present by the College if residing at the Presidency, but if prosecuting his studies in the Provinces, his personal allowance will be Rupees 250 or 300, as the case may be, but that for House Rent will be Rupees 40, with an additional allowance of Rupees 80, for a Moonshee. Students declared qualified for the Public Service by proficiency in two Native Languages, but permitted to remain attached to the College for the purpose either of attaining a higher degree of proficiency, or acquiring additional languages, shall receive the full salary of Rupees 400 a month usually granted to qualified Assistants on leaving College. The allowance for House Rent shall cease in such cases, but a Native Teacher shall continue to be provided during the Student's residence in College.

9. Conformably with the decision of the Hon'ble the Court of Directors, the Governor General in Council is further pleased to determine, that the period for the acquirement of the requisite qualification for the Public Service, by proficiency in two of the Native Languages, shall in future be limited at the Presidency of Fort William and Bombay to fifteen months, and at Fort St. George to eighteen months on the expiration of which in cases of failure, the rank of the Young Servant shall cease until he passes the requisite examination, but the several local Governments with reference to the circumstances of each case shall have the discretionary power to grant such further extensions as shall not exceed on the whole, six months in addition to the fixed period allowed; after which should the Student fail to qualify himself, he shall be finally removed from the service, and a passage for England shall be found for him on application at the Public Expense.

DAMAGED OVERLAND LETTERS.

IN August 1840 by a Notice, repeatedly published, the Public was informed of the damage sustained by Letters sent to England, in the Overland Mails, owing to the use of Sealing-wax, when it was earnestly recommended that, in all possible cases, Letters for that conveyance, should be closed with wafers. This practice, it would appear, has not been generally adopted, seeing that a further representation has been made by the Home Post Office Authorities to the Hon'ble the Court of Directors, of the torn and mutilated state in which numerous Letters had reached London by a late Overland Mail from India, owing to the melting of the wax used in sealing them and their consequent adhesion to other Letters. It has, therefore, pleased the Right Hon'ble the Governor of Bengal to direct that a fresh Notice be published, cautioning the Public against the use of Sealing-wax, as regards Letters for transmission by the Overland Mails. And it is accordingly, hereby, strongly enjoined that, in closing such Letters in future, wafers may be used in every possible case instead of Sealing-wax.

L. J. H. GREY,
Post Master General.

Fort William, Genl. Post Office, the 5th October, 1844.

OVERLAND PRE-PAID LETTERS.

NOTICE.—With reference to the system of optional pre-payment of British Postage in India, upon Letters for places within the United Kingdom of Great Britain, which will come into operation on the 1st of the ensuing month of March, the following rates of Postage will be levied, namely,

Not exceeding ½ an ounce, 8 Annas,... (1 Shillings)
Above ½, and not exceeding 1 ounce, 1 Rupee, ... (2 Shillings)
Above 1, and not exceeding 2 ounces, 2 Rupees,..... (4 Shillings)
Above 2, and not exceeding 3 ounces, 3 Rupees,..... (6 Shillings)
And so on, increasing 1 Rupee,..... (2 Shillings) for every additional ounce, or fraction of the ounce.

As 5 ounces is the nearest integral of English weight to 12 Tolas, the maximum weight allowed for transmission by Dawk, it is indispensable that letters be not allowed to exceed that weight, to prevent the inconvenience of their being refused at the Post Office.

The option of pre-paying the British Postage is exclusively, limited to Letters transmitted in the Mails sent via Southampton, and such letters must bear the following superscription for the guidance of the Post Office Receivers, viz.

"BRITISH POSTAGE PRE-PAID,
"*Via Southampton.*"

Letters not for places, within the United Kingdom of Great Britain, or which may not require to pass through the English Post Office, to their ulterior destinations, will, as heretofore, be subject to Foreign Steamer, or Red Sea Postage, precisely at the same rates as those fixed for the levy of British pre-paid Postage.

British and Foreign Steamer, or Red Sea Postages, are exclusive of the India ordinary Inland Postage.

It is strongly recommended, both for the convenience of the individuals bringing the letters, and of the Receivers at the Post Office, that Letters intended to be pre-paid should be accompanied by separate receipts, or be entered separately from other descriptions of letters in the Sender's Dawk Receipt Books.

N. B.—These Rules, until further orders, are to apply only, to letters forwarded via Bombay, not to letters transmitted hence by the Steamers Bentinck and Hindostan.

WM. MOORE,
Deputy Post Master.

General Post Office, The 8th February, 1844.

IT is hereby notified that, unless marked for particular Ships, all Letters received at the General Post Office between Monday the 4th November and Sunday the 10th November, both dates inclusive, were despatched by the undermentioned Vessels, which sailed from Calcutta on dates specified:

DAMAGED OVERLAND LETTERS.

IN August 1840 by a Notice, repeatedly published, the Public was informed of the damage sustained by Letters sent to England, in the Overland Mails, owing to the use of Sealing-wax, when it was earnestly recommended that, in all possible cases, Letters for that conveyance, should be closed with wafers. This practice, it would appear, has not been generally adopted, seeing that a further representation has been made by the Home Post Office Authorities to the Hon'ble the Court of Directors, of the torn and mutilated state in which numerous Letters had reached London by a late Overland Mail from India, owing to the melting of the wax used in sealing them and their consequent adhesion to other Letters. It has, therefore, pleased the Right Hon'ble the Governor of Bengal to direct that a fresh Notice be published, cautioning the Public against the use of Sealing-wax, as regards Letters for transmission by the Overland Mails. And it is accordingly, hereby, strongly enjoined that, in closing such Letters in future, wafers may be used in every possible case instead of Sealing-wax.

L. J. H. GREY,
Post Master General.

Fort William, Genl. Post Office, the 5th October, 1844.

OVERLAND PRE-PAID LETTERS.

NOTICE.—With reference to the system of optional pre-payment of British Postage in India, upon Letters for places within the United Kingdom of Great Britain, which will come into operation on the 1st of the ensuing month of March, the following rates of Postage will be levied, namely,

Not exceeding ½ an ounce, 8 Annas,... (1 Shillings)
Above ½, and not exceeding 1 ounce, 1 Rupee, ... (2 Shillings)
Above 1, and not exceeding 2 ounces, 2 Rupees,..... (4 Shillings)
Above 2, and not exceeding 3 ounces, 3 Rupees,..... (6 Shillings)
And so on, increasing 1 Rupee,..... (2 Shillings) for every additional ounce, or fraction of the ounce.

As 5 ounces is the nearest integral of English weight to 12 Tolas, the maximum weight allowed for transmission by Dawk, it is indispensable that letters be not allowed to exceed that weight, to prevent the inconvenience of their being refused at the Post Office.

The option of pre-paying the British Postage is exclusively, limited to Letters transmitted in the Mails sent via Southampton, and such letters must bear the following superscription for the guidance of the Post Office Receivers, viz.

"BRITISH POSTAGE PRE-PAID,
"*Via Southampton.*"

Letters not for places, within the United Kingdom of Great Britain, or which may not require to pass through the English Post Office, to their ulterior destinations, will, as heretofore, be subject to Foreign Steamer, or Red Sea Postage, precisely at the same rates as those fixed for the levy of British pre-paid Postage.

British and Foreign Steamer, or Red Sea Postages, are exclusive of the India ordinary Inland Postage.

It is strongly recommended, both for the convenience of the individuals bringing the letters, and of the Receivers at the Post Office, that Letters intended to be pre-paid should be accompanied by separate receipts, or be entered separately from other descriptions of letters in the Sender's Dawk Receipt Books.

N. B.—These Rules, until further orders, are to apply only, to letters forwarded via Bombay, not to letters transmitted hence by the Steamers Bentinck and Hindostan.

Deputy Post Master.
